Last Night's Dispatches.

EASTERN.

Broke Down.

BALTIMORE, 15.—In a match trotting race between the stallions "Jay Gould" and "Bashaw, Jr.," for five thousand dollars, "Bashaw" broke down very soon after starting, and was pulled up at the end of the first heat very lame, whereupon the judges allowed him to be withdrawn. "Jay Gould" was afterwards brought out and trotted a mile full weight against time, making the quarter in 34¾, the half in 1 08, and the mile in 2 19½.

Funeral of a Bishop.

HARTFORD, Conn., 15.—The funeral of Bishop McFarland occurred to-day at St. Patrick's church. Among those present were thirteen bishops and a great number of priests from this and neighboring dioceses. The church was thronged and hundreds were unable to gain admittance. The services began with the offices for the dead, followed by a requiem mass, Bishop Laughlin, of Brooklyn, acting as celebrant. Bishop Hendricken, of Providence, delivered the funeral discourse.

Aristocrats Arrived.

NEW YORK, 15.—Sir Edward Thornton, the British minister, and Lords Caithness and Berthwick, arrived on the steamer *Bothnia* this p.m.

Congressional Nominations.

The Tammany Congressional conventions to-night nominated in the 5th district E. R. Mead, 6th S. S. Cox, 8th Frederick A. Conklin, 9th Fernando Wood for the long term, Richard Schell for the short term, in the 10th Abram S. Hewitt, 11th Benj. A. Willis; the nominations were all unanimous.

Land Cases.

WASHINGTON, 15.—The Commissioner of the General Land Office, to-day, decided the case of John W. Haile and Saml. Watson, against Wm. S. Wells and Jas. T. Peabody, involving land in the San Francisco District, against the former, who claimed, as pre-emptionists, and in favor of the latter, who held a State title, acquired under the Act of July 23, '66, concerning lands irregularly selected in part satisfaction of grants to the State and sold to purchasers in good faith.

The case of Hardy *et al* against Harlin *et al*, from the circuit court of California, involving the title to the ranch of Jesus Marie, in Yolo County of that State, was to-day heard before the Supreme Court. The question for hearing was whether the court below erred in dismissing the bill, but the question to be determined on its merits is one of identity, whether the complainants are the heirs of the grantee, who died, as they allege, under an assumed name.

Fifteen Thousand Democratic Majority.

INDIANAPOLIS, Ind., 15.—Official returns received to-day change the result given last night, in the first, eight and ninth Congressional districts. In the first Fuller, democrat, is elected over Hellman by about four hundred majority; in the eighth district Hunter, republican, the present member, is reelected by 168 majority; in the ninth district Carson, republican, is re-elected by probably four hundred majority; in the seventh district Laders, democrat, has a majority of 565. The delegation will stand eight democrats and five republicans. The democratic majority in the State will reach 15,000.

The Election in Arkansas.

LITTLE ROCK, Ark., 15.—It is estimated, from the returns already in, that one hundred and five thousand votes were cast, being the largest ever polled in this State, and that the Constitution and Democratic State ticket received 90,000 to 15,000 against, thus giving the Constitution 75,000 majority. In Lee County the entire colored republican element voted for the Constitution; in Phillips County there were about seven hundred colored votes for the Constitution; and in Pulaski about three hundred. It is estimated that from eight to ten thousand republicans voted for the Constitution. The vote was very full all over the State.

The Lincoln Monument Ceremonies—Speeches from Grant and the Champion Smiler.

SPRINGFIELD, Ills., 15.—[To editors: Strike out the report of the monument ceremonies sent to the evening papers, all after the conclusion of Dubois' speech and insert the following:] After appropriate music from the bands ex-Governor Oglesby was introduced, and delivered an oration, which was an eloquent tribute to the martyr president. At its conclusion the choir sang: "Rest, spirit, rest," and two sisters of charity, seated on either side of the statue, rose and removed the drapery of red, white and blue which covered it. The bands again played and, amid enthusiastic applause, President Grant stepped forward and read the following address:

"Mr. Chairman, ladies and gentlemen,—On an occasion like the present, I feel it a duty on my part to bear testimony to the great and good qualities of the patriotic man whose earthly remains now rest beneath this dedicated monument. It was not my fortune to make the personal acquaintance of Mr. Lincoln till the beginning of the last year of the great struggle for our national existence. During those years of doubting and despondency, among the many patriotic men of the country, Abraham Lincoln never for a moment doubted that the final result would be in favor of peace, union and freedom to every race in this broad land. His faith in an all-wise Providence directing our arms to this final result was as the faith of the Christian that his Redeemer liveth. Amidst obloquy, personal abuse and hate undisguised, and which was given way to without restraint through the press and the stump, and in private circles, he remained the same stanch, unyielding servant of the people, never exhibiting a revengeful feeling toward his traducers, but rather pitied them and hoped, for their own sake and the good name of their posterity, that they might desist. For a single moment it did not occur to the man Lincoln that he was being assailed, but that a treasonable spirit, one willing to destroy the best government the sun ever shone on, was giving vent to itself on him as the chief executive of the nation only. As a lawyer he would have avoided all this slander, for his life was a pure and simple one, and no doubt he would have been a much happier man, but who can tell what would have been the fate of the nation but for the pure, unselfish and wise administration of a Lincoln? From March, 1864, to the day when the hand of an assassin opened a grave for Mr. Lincoln, then President of the U. S., my personal relations with him were as close and intimate as the nature of our respective duties would permit. To know him personally was to love and respect him for his great qualities of heart and head, and for his patience and patriotism. With all his disappointments from failures on the part of those to whom he had intrusted commands, and treachery on the part of those who had gained his confidence but to betray it, I never heard him utter a complaint nor cast a censure for bad conduct or bad faith. It was his nature to find an excuse for his adversary. In his death the nation lost her greatest, and the South lost its most just, friend."

Ex-Vice President Colfax, who was discovered on the platform by the crowd, was loudly called for, and finally spoke; and in very eloquent and feeling remarks paid his tribute of love and respect to the honored dead. Remarks were also made by General Sherman, Vice-President Wilson, and Gen. U. Y. Linden, after which the doxology was sung, the benediction pronounced, and the vast assemblage quietly dispersed.

CANADA.

Attempted Incendiarism.

QUEBEC, 15.—An attempt was made yesterday to fire the government emigrant shed here, but the fire was discovered before any damage was done; a number of emigrants were sleeping in the building at the time.

FOREIGN.

BRAZIL.

News of the Revolution.

RIO JANEIRO, 15.—A dispatch dated Buenos Ayres, 12th inst., received to-day, states that the insurrectionists, under Lopez Jordan, are making progress in the province of Entre Rio. Dr. Avellaneda has issued a manifesto, in which he claims the support of all law abiding citizens in his efforts to crush the rebellion. Public opinion runs strongly against Avellaneda, and there is disaffection in the army, the troops in some places shouting "Viva Mitre." General Rocca telegraphs the government from the north, that he had defeated the insurgents, but was unable to follow them because his men were not provided with horses. The government of the Argentine Confederation has sent a request to the government of Brazil for the detention of the rebel gunboat *Parana*, present Rio Grande.

Dispatches from Buenos Ayres, of yesterday's date, say that a new cabinet has been formed.

Gen. Mitre is near Buenos Ayres with 10,000 men. Great anxiety prevails. A revolt of the government troops in favor of Mitre is apprehended.

PRUSSIA.

A Provincial Assembly.

BERLIN, 15.—The government is considering a proposition for the creation of a provincial assembly in Alsace and Lorraine.

FRANCE.

Meeting of Permanent Commission—Fonghta Duel—Thiers in Italy.

PARIS, 15.—A meeting of the permanent commission of the Assembly was held to-day. M. D. Mahy, radical, demanded that the prefect of Nice be dismissed from office, because he favored a movement for the separation of Nice from France, and its restoration to Italy. The deputies of the right submitted an interpellation in regard to the withdrawal of the man-of-war *Orenoque* from the Italian coast.

De Cases, Minister of Foreign Affairs, said the Spanish note had caused excitement, which was to be regretted, as it was undeserved. A full investigation would make manifest the honesty and sincerity of France towards Spain.

M. De Brouche protested against the recall of the *Orenoque* as unjustified and contrary to French interests. De Cases replied that the Pope didn't blame the French government in any way, the foreign policy of France now was similar to that under Thiers' administration. He deprecated the discussion of foreign relations as inopportune.

M. Georges Perin, a radical deputy of the Assembly, fought a duel to-day with M. Gregori, editor of a Bonapartist organ; both were slightly wounded.

Le Socle says that the Italian Government is uneasy over the violent attacks which ex-President Thiers has made upon the President, and has notified him that his stay in Italy is calculated to disturb the harmony of its relations with France.

AUSTRIA.

In Favor of the Jews.

VIENNA, 15.—The Italian consul at Bucharest has refused to open negotiations for a commercial treaty while the Jews in Roumania are deprived of their civil rights; the American consul at Perixette takes the same stand.

GREAT BRITAIN.

The Von Arnim Case—Disaster at Sea.

LONDON, 15.—The Berlin correspondent of the *Pall Mall Gazette* writes that it is generally believed that the higher court, to which the case will be appealed, will take a more favorable view of the Von Arnim offence than the lower court.

The British ship *Kingsbridge*, from this port for Sidney, came in collision, in the British Channel, with the ship *Candahar*, and was sunk; eleven of the crew of the *Kingsbridge* were drowned.

A Conference of the Powers.

The *Standard's* Paris correspondent telegraphs that he hears that Austria and Italy propose a conference of the powers to consider the Spanish note to France, in the same manner as the Luxembourg question was treated.
