PRAISE FOR PRESIDENT WOODRUFF.

Resolutions of Respect Passed by the Irrigation Congress at its Final Meeting.

The Irrigation Congress, which met at Cheyenne and finished its labors on Saturday night, unanimously passed the following resolution, introduced by Dr. Seymour B. Young, one of the Utah delegates:

"Whereas, It has pleased the Almighty Father to call home Wilford Woodruff, the President of the Mormon Church, and one of the Pioneers of the great West, and one of the first to turn water into the arid lands of the Utah desert region, and by his labors he has proved himself a benefactor of his race, now, therefore, be it resolved, that the Irrigation Congress does tender its sympathy to his family and his people, in this the hour of their sorrow, and bears testimony that the cause of reclamation of arid lands has lost an active and zealous friend in the decease of this elderly Pioneer, and that this preamble and resolution be spread upon the minutes of this meeting."
