BOOKS AS HOLIDAY GIFTS.

Have Been Tried Out Sucessfully

For years at holiday time we have sought to encourage the taste for good literature by putting in a stock of Standard Miscellaneous books, popular up-to-date modern fiction, History, Biography, Philosophical and Scientific works. Our efforts have proven successful beyond our expectations. Each approaching holiday season finds us opening up a larger and more varied stock than the one preceding it.

No gift can convey more appropriately the finer feelings desired to be expressed by the giver than the presentation of a well chosen book. If rightly selected, the high standards and beautiful thoughts of the Author are made, as it were, to present our own. The recipients are also pleased with your estimate of their good taste and quality of mind.

We have the most popular of the old Masters' Works in all bindings, and at prices to suit the purchaser. We have the Poets in popular bindings up to the most exquisite styles of the binder's art.

Our Miscellaneous books are to be found in immense varieties of styles, subjects, authors, bindings and prices.

Our Modern Fiction department is added to weekly by the most popular books, as fast as they are issued from the press.

We have the largest stock of Boys' Books, Girls' Books, Children's Picture and Story Books to be found in the west.

We must not forget Bibles, Testaments, and our own Home Publications, to which are added many new works, in bindings suitable for holiday gifts.

We invite you to come early and examine our stock.
