NEWS OF THE MINES

But One Transaction Recorded On 'Change Today.

RICHMOND ANACONDA, THE STOCK.

Rising Movements in the Districts of Park City, Tintic and Bingham —Dips and Spurs.

The entire business done on 'change today consisted up in one sale—that of 2,000 shares of Richmond Anaconda at 3½ cents. While the bears made attempts to drag the stocks down to a condition, sellers were somewhat cautious and in most cases would not give way to the pressure brought to bear against them, hence the generally affirmative. The asking quotations remained about as usual, but bidding generally ruled lower.

The closing figures were as follows:
