A MAN

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE

CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST AND THE WEST!

Its main line runs from Chicago to Council Bluffs and Omaha, passing through Joliet, Ottawa, La Salle, Geneseo, Moline, Rock Island, Davenport, West Liberty, Iowa City, Marengo, Brooklyn, Grinnell, and Des Moines, (the capitol of Iowa) with branches from Bureau Junction to Peoria; Milton Junction to Muscatine, Washington, Fairfield, Eldon, Belknap, Centreville, Princeton, Trenton, Gallatin, Cameron, Leavenworth and Atchison; Washington to Sigourney, Oskaloosa and Knoxville; Keokuk to Farmington, Bonaparte, Bentonsport, Independent, Eldon, Ottumwa, Eddyville, Oskaloosa, Pella, Monroe, and Des Moines; Des Moines to Indianola and Winterset; Atlantic to Audubon and Avoca to Harlan. This is positively the only Railroad which owns, controls and operates a through line between Chicago and Kansas.

This Company own and control their Sleeping Cars, which are inferior to none, and give you a double berth between Chicago and Council Bluffs, Leavenworth or Atchison for Two Dollars and Fifty Cents; and a section for Five Dollars, while all other lines charge between the same points, Three Dollars for a double berth, and Six Dollars for a section.

What will please you most will be the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining and Restaurant Cars that accompany all through Express Trains. You get an entire meal, such as is served in any first-class hotel, for twenty-five cents; or you can order what you like, and pay for what you get.

Appreciating the fact that a majority of the people prefer separate apartments for different purposes, and the enormous passenger business of this line warrants it, we are pleased to announce that this company runs its PALACE SLEEPING CARS for sleeping purposes, and its PALACE DINING CARS for Eating purposes. One other great feature of our Palace Cars is a SMOKING SALOON where you can enjoy your "Havana" at all hours of the day.

Magnificent Iron Bridges span the Mississippi and Missouri rivers at all points crossed by this line, and transfers are avoided at Council Bluffs, Leavenworth and Atchison, connections being made in Union depots.

THE PRINCIPAL R. R. CONNECTIONS OF THIS GREAT THROUGH LINE ARE AS FOLLOWS:

EVENING NEWS.

Saturday, - - August 9, 1879.

BY TELEGRAPH.

PER WESTERN UNION TELEGRAPH LINE.

EASTERN.

Minstrel Arrested.

NEW YORK, 8.—Cool Burgess, the minstrel, was arrested to-night, in the theatre, on a telegraphic requisition from Toronto. The warrant for Burgess' arrest is for a felonious assault upon Wm. F. Widgery, a Toronto fruit dealer, Widgery having been the cause of an estrangement and separation between Cool and his wife. He will be taken to-morrow to Toronto.

The Robbery Questioned.

Landlord Cory, of Hotel Bristol, in this city, where Miss Oakley, of San Francisco, alleges she was robbed of two thousand dollars in valuables, makes strong counter statements, throwing doubts upon her assertion. He says, she never registered, came here when I was out, and my clerk, a new man, admitted her as a guest. She gave references, but strange to say, her references did not know her. She stopped in my house for two nights and a day and then her valuables disappeared, whereas never before was a cent's worth of property of my guests missing." He hopes she will commence the legal proceedings threatened.

Press Reports.

The *Times* Washington special announces the reorganization of the republican clubs, composed of department clerks of the different States, and which were disbanded under the President's order at the beginning of his administration. The Iowa clerks are alrea ty organized and sending off documents, and Ohio, Pennsylvania and New York clerks preparing to follow suit.

The *Times* says: If there be anything left of the President's civil service order, it is too slender a remnant for ordinary perception and the civil service rules appear to be in danger of going the way of the lamented order. It instances the appointment of an Iowa journalist to the fourth auditorship of the Treasury, over the head of a deputy auditor who had all the ability and experience required for the position. It is only a pretension of civil service reform which exists in the Treasury department.

Speaking of Nordenskjold's feat the *Tribune* says, the practical value of this northeast passage has yet to be determined. It will at all events be greater than that of the northwest passage for which Sir Robert McClure was knighted and received a reward of £25,000.

A letter from one of Nordenskjold's assistants gives an interesting account of the Tshudi, a peculiar race, inhabiting the northeastern part of Siberia. They look very much like the Greenlanders, are small, but alert, have brownish-yellow skin with coal black eyes and hair and singular joyless, frozen expression of face. They live in tents, dress in skins, and feed on seal flesh. The women are tatooed in the face. A dictionary has been made of the language comprising about 300 words, and will no doubt prove of interest to linguists, as the languages of the polar race have hitherto been as great a puzzle to philogists as those of the negroes of tropical Africa.

Coming Executions.

HARRISBURG, 8.—The governor has issued warrants for the execution, on October 9th, of Jno. O'Neil and Peter McManus, Northumberland County Mollie Maguires, also for the execution of Andrew Tracy, of McKean County, who murdered a young lady to whom he was paying attention.

A Communication from Spotted Tail.

WASHINGTON, 8.—The Secretary of the Interior has a letter from Spotted Tail who says both he and his people want to be like the whites. "We have a good country and behave ourselves and work." The letter thus closes: "I want to tell you these last words—I have had enough of the military, I want my people to work, I want no more scouting, I have had my belly full. We want to freight and work the ground, I never laughed but once, that was when the agent of the Lower Brules said I kept his people here. They visited us and I feed them and my people gave them 300 head of horses and sent them all home to their agent. Since we have been here my people have had no whiskey; wherever the military are there is always whiskey and that makes trouble. I want you to come here and stay a month and see how it is. My friend, this is all I have to tell you."

(Signed) SPOTTED TAIL, X his mark.

Witness: LOUIS RICHARDS, Interpreter.

Secy. Schurz answered thanking Spotted Tail, and promising to visit him Aug. 30.

Appointed.

Dr. Charles Beardslee has been appointed fourth auditor of the Treasury in place of Judge Taber, resigned.

Indian Massacre.

The Indian agent at Flat Head Agency, Montana Territory, reports the massacre of eight Nez Perces by a war party of supposed Gros Ventres.

PHILADELPHIA, 8.—The funeral of Fechter, the actor, took place today and was attended by a great number of persons. The pall bearers were Jno. E. McDonough, F. F. Mackay, W. D. Genmill, D. E. Reilly, E. G. Conner, J. B. Roberts, F. C. Bangs and Harry Linden.

Hairline Hanged.

SAN ANTONIO, 8.—Jacob E Hairline was hanged, to-day, inside the jail in the presence of about 500 persons, for the murder of Peter Maddox on February 7th, Hairline affirmed his innocence to the last.

YELLOW FEVER.

Twenty-Two New Cases in Memphis

MEMPHIS, 8.—Twenty-two new cases in all, eight white and 14 colored, are reported to the Board of Health to-day. There are three additional deaths, Martin O'Leary, Ben Avent and Jack Macklin, the two last colored. Major W. W. Guy, a prominent merchant of this city and New Orleans, late a member of the Board of Police and Fire Commissioners, was prostrated yesterday. Hon. Jno. Johnson, superintendent of quarantine, and D. T. Porter, chief executive of the city, to-day issued the following to the inspecting officers on duty at Memphis:

"Until further orders you are hereby instructed not to permit any person or persons to be landed from any boat or other water craft at this port who have not had yellow fever, and in addition cannot give satisfactory assurances that they are able to provide for themselves. These restrictions also apply to all railroads leading into this city."

The Howard Association to-day placed 30 additional nurses on duty. The weather is very chilly and damp, unfavorable alike to sick and well.

Dr. Jerome Cochran, of Mobile, arrived to-night, having been ordered by the National Board of Health to proceed to this point and take charge of affairs as a representative of the National Board, during the temporary absence of R. W. Mitchell, who has gone to Washington.

The fever will be declared epidemic to-morrow night.

New York.—Of the 75 deaths from yellow fever in Hayti, eleven were Americans.

WESTERN.

Burned to Death.

SAN FRANCISCO, 8.—The wife of George C. McKinley, a farmer of Salona County, was burned to death by her clothes taking fire while watching a threshing machine to-day.

FOREIGN.

GREAT BRITAIN.

Capetown News.

LONDON, 8.—Some correspondent in South Africa appears to think it possible that Cetewayo may defeat the natives sent against him, in which event all the prestige gained by the success of the British forces at Ulundi would be lost. A military council will be held at Maritzbury, but it will probably be little more than a matter of form. A marine naval brigade, six infantry and two cavalry regiments will be sent home. Secocoeni in the north is not expected to submit without fighting. A column of 5,000 men is preparing to march against him, should he continue recalcitrant. Fuller advices show that Sir Garnet Wolseley did not inform the coast chiefs they were to be governed by the English, but he told them their country would be ruled by independent Zulu chiefs.

A Divorce Suit.

Newman Hall, a Congregational pulpit orator, has obtained a decree of divorce from his wife on account of her adultery with one Richardson, a stable keeper. The trial has created a great sensation, and the wife brought counter charges of the same character. Hall admitted that he abandoned a previous action for divorce because he feared it would be an obstacle to his efforts to raise funds for a new chapel and for the "Lincoln Memorial Tower" in commemoration of Abraham Lincoln.

Catarrhal POISON

Wei De Meyer's Treatise on Catarrh, explains the following important facts:

1. That Catarrhal Colds become a poisonous infection, at first local, and finally constitutional.

2. That, being Constitutional, the infection is beyond the reach of mere local remedies.

3. That whatever impurities exist in the nostrils, are necessarily swallowed into the stomach and inhaled into the lungs, thus poisoning the digestive, the respiratory and the genito-urinary organs.

4. That Catarrhal virus follows the mucous membrane and causes Weak Eyes, Deafness, Dyspepsia, Chronic Diarrhœa, Bronchitis, Leucorrhœa and Consumption.

5. That Smokes, Douches, Inhalations and Insoluble Snuffs, taken into the nostrils and throat, cannot possibly remove infectious inflammation from the organs named.

6. That an antidote for Catarrh must possess an inoculative affinity for, and the capacity of being absorbed by the purulent mucous wherever located.

Acting upon these theories, Dr. Wei De Meyer has found a remedy for Catarrhal diseases, which proves to be infallible. His Treatise, with overwhelming proofs and full explanations of the most important medicinal discovery since vaccination, is sent free and Post-paid to anybody. Wei De Meyer's Catarrh Cure is not yet in the hands of all Druggists. Where not thus procurable, it will be delivered to any address at $1.50 a package. To Clubs, six packages for $7.50. To the trade, liberal terms.

THE NEW VICTOR.

SIMPLICITY SIMPLIFIED.

Improvements September, 1878.

Notwithstanding the VICTOR has long been the peer of any Sewing Machine in the market—a fact supported by a host of volunteer witnesses—we now confidently claim for it greater simplicity, a wonderful reduction of friction and a rare combination of desirable qualities. Its beauty is a beautiful specimen of mechanism, and takes rank with the highest achievements of inventive genius. Note.—We do not lease or consign Machines, therefore, have no old ones to patch up and re-varnish for our customers.

We Sell New Machines Every Time.

Liberal terms to the trade. Don't buy until you have seen the Most Elegant, Simple and Easy Running Machine in the Market.—The Ever Reliable VICTOR.
