Health and Beauty

Beauty is the external proof of health; with failing health comes failing beauty. Woman's delicate organism is frequently over-taxed by arduous household duties, and the demands of society. The constant drain upon her vitality weakens her nervous system. The penalty is a tired, worn-out, exhausted condition which destroys her appetite, robs her of rest, and at intervals causes much suffering and distress. When these conditions exist, the weakened nerves must be strengthened. Dr. Miles' Nervine will do this. It stimulates the action of all the organs, brings refreshing sleep, and drives away that look of care.

"I have taken Dr. Miles' Restorative Nervine for years, as did my mother before me. Whenever I feel tired, worn-out, or have headache, I always take the Nervine and it strengthens me. I consider it a great remedy for nervousness or debility." MRS. C. L. FREDERICK, Canton, Ohio.

Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

TRIP TO EUROPE.

This is Promised White Sox if They Win Pennant.

The White Sox, when not employed in practise or in a schedule game, have but two topics of conversation. These are the promise made to them by President Comiskey of a trip to Europe if they win the American league pennant again this year, and the program for Flag Raising day, May 14, when the world's championship pennant will be thrown to the wind.

The flag raising promises to be all to the merry. The national commission is going to provide a band of 100 musicians to toot before and after the pennant is hauled to the top of the big pole, and that pennant is going to be some pennant, too. The commission has blown in $250 for the flag. It is going to be of blue silk, thirty-five feet long, and of double thickness in order to bear these words on both sides: "Chicago Baseball Club, Champions of the World, 1906."

If there is room on the ball field for all of the musicians they will parade around the field ahead of the world-beaters and the Washingtons, who will be the opposing team on that gala occasion. Although the flagpole is back of the center field bleachers, some extra long ropes will be procured and the flag pulled up by the players from inside the field. President Comiskey has not made up his mind yet whether a parade from downtown will be a feature of Flag day or not.

Before going to Detroit the Old Roman held a star chamber with each one of them and mentioned casually that a trip to Europe would not be a bad thing in the way of training for the 1908 campaign.

"The trip is yours if you go out and bring home the pennant," was Comiskey's parting shot to each one of his players. If they do win the pennant the European trip will include a visit to London, Manchester, Berlin, Paris, Dublin and Rome.

INTERNATIONAL BOUTS BECOMING COMMON.

More foreign fighters have arrived in this country and more are coming. Bill Squires of Australia has crossed the Pacific to meet the best of American heavyweights and Johnny Summers, former featherweight champion of England, is also here.

The English lightweight champion is also reported to be about to head this way. As against this Uncle Sam has sent Jack Johnson to Australia, Sam Langford and Al Demont of Boston, recently fought their first contest in England, and Jack O'Brien and Battling Nelson, and Billy Nolan, are contemplating going to Europe in the near future.

This international bouts are getting to be a common occurrence. "Spike" Robson has just returned to England after his second invasion of Philadelphia, and he may make a return trip in the fall.

With so much traveling going on some of these fighters have naturally missed each other and this has led to what is becoming an old chestnut. That is, statements by the fighters that this or that man sailed away to avoid a fight.

Jack Palmer came here, and standing beside his manager at the National A. C. caused the announcement to be made that Jack O'Brien had skipped out of England after promising to meet Palmer in the ring. Some people are accusing Bill Squires of boarding a steamer to San Francisco in order to dodge fighting Jack Johnson.

Johnny Summers, came along and through his manager at the National club at Philadelphia declared that Battling Nelson had skipped out of England to avoid a scrap after Summers' backer had posted $5,000 for a match. It has also been intimated that Robson sailed from New York a few days ago when he learned that Summers had started for the United States. As against this "Spike" will probably say that Summers got away from England when it was announced that he was about to return home.

Superfluous Hair
Removed by the New Principle
De Miracle

A revelation to Modern Science. It is the only scientific and practical way to destroy hair. It is better than electricity because it does not scar or produce a new growth; better than X-ray because it does not burn, scar or paralyze the tissues under the skin; better than depilatories because it is not poisonous; therefore, it will not cause blood poisoning or produce eczema, which is so common with depilatories, nor does it break off the hair, thereby increasing its growth.

Don't waste time experimenting with electrolysis, X-Ray and depilatories. These are offered you on the BARE WORD of the operators and manufacturers. De Miracle is not. It is the only method which is endorsed by physicians, surgeons, dermatologists, medical journals and prominent magazines.

De Miracle mailed, sealed in plain wrapper, on receipt of $1.00. Your money back without question (no red tape) if it fails to do all that is claimed for it. Booklet sent free in plain, sealed envelope upon request. Write for it to-day to DE MIRACLE CHEMICAL CO., 1912 Park Avenue, New York.
