PROVO, UTAH, OCT. 10, 1893.

Foote Not Captured.

Deputy Marshal Power and U. S. Maxwell have returned from Green River, where they went for the purpose of capturing Phil. Foote, but that noted outlaw once more made good his escape from the officers of the law. Foote was seen by the posse, but he was half a mile away and across the river, and they had no means of crossing the river at that point. He had a gun and was apparently starting on a hunting trip. The posse continued their journey to Foote's camp and patiently awaited his return. But Foote had evidently got wind of their presence, for three days passed by and he returned not. The posse were then compelled to be content with destroying Foote's tent and camp and to return empty handed; to have attempted to trail the outlaw in that rough country would have been useless. Fowler and Maxwell have been absent three weeks.

First District Court.

There were three arraignments before Judge Smith yesterday as follows:

William Miles, grand larceny, it being alleged that two mares valued at $250 were stolen by him from W. D. Van Noy of Millard county. He was granted until today to plead.

Samuel Slater, forgery, it being alleged that he passed a check on the Ogden First National Bank, bearing the name of D. Keeme, as M. H. Darrow of Moab, Grand county. He was granted till today to plead.

Joseph Tabaga, an Indian, grand larceny, it being alleged that he stole two horses in Sevier county on June 8th last. Sam King was appointed to defend him and the time for pleading was set for today.

The first case on trial for the day was that of William L. Hutchins, administrator, vs Union Pacific Railway company. Mr. Hutchins is the administrator of the estate of Samuel Robbins, deceased, who was killed by a Union Pacific Railway train while he was attempting to cross the track near Lehi on the 27th day of November last. The amount of damage sued for was $10,000, but by mutual consent of the attorneys representing the parties the court, in the charge to the jury, instructed that if a verdict for plaintiff be returned it should be for $1000. The jury, after being out for a short time, returned a verdict for plaintiff.

The case of the People vs Albert Chilton was called. Chilton is charged with assaulting Byron Hyde with a deadly weapon, a revolver, on May 6th last. This is the first of a series of cases growing out of the Tithingbotton of last spring and is creating considerable interest. A jury was impaneled last night, and the case commenced this morning. Messrs. S. R. Thurman and J. T. Richards appear for the prosecution and King & Houtz for the defense.

Notes.

Democratic primaries were held in the five wards of this city last night for the purpose of electing delegates to the municipal convention to be held Saturday, October 14. The county convention is being held today at Springville.

The city council held a special session yesterday afternoon to hear petitions for remissions and abatements of taxes. The session will be continued this evening.

The horse of W. H. Endicott of Camp Floyd was attached on Saturday last by Constable Monahan on an execution of $25. The horse is said to be the best of Endicott's property.

Joseph Dudley yesterday paid a fine of $50 in Justice Alexander's court for breaking Fine Hollenbeck. Dudley assigned as a reason for his pugilistic conduct that Hollenbeck was his adhesive to his (Dudley's) wife.
