Come, come ye saints,
No toil nor labor fear;

Prayer was offered by Elder John Nicholson.

Singing, choir and congregation:

Behold the mountain of the Lord,
In latter days shall be established
Before the hills the people shall flow unto it,
And many nations shall come and say,
Come, ye, and let us go up to the mountain of the Lord,
To the house of the God of Jacob;
And he will teach us of his ways,
And we will walk in his paths.

On the recommendation of their Bishops, fourteen brethren were authorized to be ordained Elders.

Elder Elias Morris represented the High Priests' quorum of the Stake. He stated that it had a membership of five hundred, and had monthly exercises. He extended an invitation to Bishops, High Councilors and members of all other quorums to meet with the High Priests. He also represented the Fifteenth ward as in good average condition. It had seen fewer necessary to labor and exercise patience with delinquent men, who still considered themselves as holding a standing in the Church, even when their works did not justify this claim. He compared the gathering of the Saints to Zion with the ingathering of the country of Israel, and stated that the condition of both would be decidedly improved by the change; they lived up to the privileges given them to their new surroundings. GREAT ROCK DRILLING CONTEST.

Indications Point to a Big Time at Saltair on Sunday—Numerous Interesting Exercises.

The leading attraction on Monday will be the Utah Labor Day celebration at Saltair Beach, under the auspices of the Utah Federation of Labor, which has prepared a most interesting program for the day. Information received from outside points, including the various mining camps, indicates that a host of people will take advantage of the cheap round-trip rates to Salt Lake City for the celebration. Many will want to meet United States Senator Cannon's great speech on Labor and Bimetalism, in which he will vigorously combat the gold bugs views on this subject, and the address by Hon. Edward Boyce, president of the Western Federation of Miners, on "Why Workingmen Organize," will doubtless be an interesting feature.
