VERNAL.

IRRIGATORS ORGANIZED.

Big Demand for Hay and Farm Produce—Holiday Theatricals.

Special Correspondence.

Vernal, Uintah Co., Dec. 29.—The formation of the Dry Gulch Irrigation company is now an accomplished fact. This company has for it's object the construction of canals for the irrigation of 80,000 acres of land lying under the Uintah and Lake Fork streams, on the recently opened Uintah reservation. The organizbation of the company has been completed only after two months of arduous labors on the part of the incorporators, who have worked almost night and day to overcome the many obstacles that interposed, owing to unusual conditions existing on the reservation by reason of the water filings made for the Indians, and the further fact that that part of the reservation held for Indian grazing lands, embraces practically all that portion of the streams of the reservation to which the different companies will have to go to divert water to the homesteads of the settlers. The articles of incorporation of the company have been adjusted no less than a dozen times to meet some unforeseen condition that came to light as the work progressed, but at last it is believed that the matter of incorporation has been finally disposed of, and it now remains for the settlers to subscribe the stock. Already quite a number have taken their portion and a number more have signified a willingness to do so.

The board of directors have made it a condition that $16 must be paid in by each subscriber who takes 160 shares, which is a share to the acre for each homestead.

The early winter has made an unusual demand for hay and prices are going up. Loose hay is now selling at from $7 to 8 per ton. At this time last year it was $3. There is, however, an unusual demand for all kinds of farm produce due to the influx of people on account of the opening of the reservation. The merchants of Vernal have had a very prosperous year and the trade is still flourishing.

The entrance of the Colorado Iron & Fuel company into this section is considered a good omen by many, while there are others that think that it simply means that this big corporation is endeavoring to tie up everything that might furnish the basis for some other powerful corporation, and consequent competition.

The Vernal Ward Amusement association, an organization which is maintained for the benefit of the various minor organizations of the ward, ran a play at the Vernal opera house during the holiday week entitled "Uncle Rube," which drew crowded houses and brought in a considerable amount of money for the benefit of the ward. In the cast were several of the prominent people of Vernal such as Ward E. Pack, Byron Nebeker, Ellis Merkley, Richard Jensen, Miss Nellie Preece, Sarah Hullinger, and others. The play was very well rendered, and there was considerable talent displayed.

Parties in from the mountains on the north report that there is a heavier snowfall on the range than usual for this time of year, and farmers are rejoicing over the prospect for a good supply of water for next season's crops.

HARRISVILLE.

REMARKABLE HEALING POWER

Possessed by the Prophet Joseph, as Recounted by an Eye Witness.

Special Correspondence.

Harrisville, Weber Co., Jan. 2.—The people of this ward held commemorative services on Dec. 24 in honor of the birth of the Prophet Joseph Smith. The whole day was spent very pleasantly in listening to historical lectures on the life of the Prophet by Elders Alfred Dixon and Parley P. Taylor, who recounted the many vississitudes he passed through, in establishing the Latter-day work down to the days of Far West, Mo. Patriarch P. G. Taylor then took up the narrative of the Prophet's life down to the time of his martyrdom, as he had become acquainted with the Prophet at Far West. He related many incidents that had occurred under his own observation, one in particular which probably has never been recorded concerning the remarkable divine healing power that Joseph possessed. The sister of P. G. Taylor was very sick with a raging fever, whereupon his mother sent him to watch for the Prophet, who was expected to pass that way, and ask him to come and administer to his sister. Soon he came along on horseback seemingly in a hurry. The request of Widow Taylor was made known to him, whereupon he drew from his pocket a large silk handkerchief with the remark: "I am in a hurry, but take this handkerchief and tell your mother to draw it across the face of her sick daughter, and I will promise you in the name of the Lord she will be healed." This was done according to directions, and the word of the Prophet was literally fulfilled, for she was healed.

Elder George Yearsley, another veteran, who had known the Prophet, recalled some of his early associations with that noble man.

The lectures were interspersed with appropriate selections by the Sunday school in the forenoon and the Primary association in the afternoon. A beautiful quartet was rendered by Isaac Blair, Jr., and family, members of the Ogden Tabernacle choir.

The holidays have passed off very pleasantly, all enjoying the feast of good things the Lord has blessed them with. The sleighing is perfect, the best for years.

FAREWELL SOCIAL.

On Dec. 28 a farewell party was given for the benefit of Elder Alma Anderson, who takes his departure for the Scandinavian mission on Jan. 4. A neat little purse has been subscribed by his many friends to assist him on his way.

GARRISON.

THE SNAKE VALLEY.

Its Resources and Opportunities it Offers to Homeseekers.

Special Correspondence.

Garrison, Millard Co., Utah, Dec. 31.—As the people here are in receipt of many letters of enquiry in regard to the Little Snake valley country your correspondent desires to reply through the columns of the Deseret News.

There is more tillable land in this little valley than exists in some of the counties in the old eastern states, and most of it could be irrigated with the supply of water now to be had if it was properly utilized. The water here is now owned by a few individuals. There is a natural reservoir fed by everlasting springs as well as other creeks and streams that run to waste except during the irrigating season.

The climate is healthful and free from blizzards. Grain, vegetables and fruits flourish here. The farmers have never failing crops of alfalfa, oats, wheat, barley, potatoes, cobbage, onions, etc., also apples, pears, peaches, cherries, apricots, berries, etc. The soil is very productive and easily broken. Garrison is located 60 miles from the railroad from the east and 70 miles east of the new railroad point of Ely, Nevada, on the Ely, Osceola and Frisco stage line. There is a regular mail from both east and west three times a week. There is an abundance of fuel, mountain pine and cedar in the near by mountains, and two saw mills within a few miles of settlement, but as yet no grist mill. There is no better market anywhere for what is produced in the valley. We have four mining camps, Ely and Osceola in Nevada, and Newhouse and Frisco in Utah, all in a radius of 100 miles, and we also enjoy an excellent trade from the sheepmen for grain, vegetables and supplies while on the winter range. The market prices for oats 2cents, alfalfa hay, $4 to $5 per ton; eggs, 25 to 35 cents a dozen; butter, 25 cents, home market. Mining camp prices much better. The valley is sparcely settled, though some settlers have been living here since 1870. There are two stores and a postoffice here.

Pleasant and Most Effective.

T. J. Chambers, Ed. Vindicator, Liberty, Texas, writes Dec. 25, 1902: "With pleasure and unsolicited by you, I bear testimony to the curative power of Ballard's Horehound Syrup. I have used it in my family and can cheerfully affirm it is the most effective and pleasantest remedy for coughs and colds I have ever used." 25c, 50c and $1.00. Sold by Z. C. M. I. SPRINGVILLE.

NEW OFFICERS AT THE HELM.

Reunion of Crandall Family—Funeral Of Miss Mary C. Jensen of Mapleton.

Special Correspondence.

Spingville, Utah Co., Jan. 2.—The new city councilmen took their seats at noon yesterday. The retiring mayor and council met and finished up all business of receiving reports and allowing bills due, etc., and with expressions of good will and wishes of success for the city's new officers, adjourned sine die. Retiring Mayor Boyer in a felicitous speech complimented his colaborers on the success of their two-year term and thanked them heartily for the support and courtesy they had shown him as mayor. After which Mayor Reynolds expressed his desire to work for the good of the city and its people without favoring party or creed, and closed by commending the outgoing officers for their good work. Speeches were made by most of the old and new officers and a genial conjoint meeting was had for three hours. At the adjournment of the long meeting, the new council proceeded to do some business, by appointing Dr. T. Dunn quarantine and Health officer; J. T. Clark, deputy marshal; J. P. Armstrong, inspector of buildings; J. H. Manwaring, sexton; D. W. Bird, poundkeeper; James Straw, dog tax collector.

The new city officers are H. T. Reynolds, mayor; I. E. Clegg, Jos. Loynd, W. K. Johnson, O. B. Huntington, Jr., and M. E. Crandall, councilmen; Levi Philips, recorder; Francis Bird, treasurer; James Weight, marshal; all Democrats except Councilman Clegg, who was elected for a four-year term a year ago.

CRANDALL FAMILY REUNION.

Friday, Dec. 29, a reunion of the Crandall family was held at the Reynolds hall. There are about 250 of the Crandalls in Springville, the family was among the first to settle here. A grand time was had.

Christmas holiday week brought a present to I. N. Whittaker and wife, a 10-pound baby boy, and to Alma Straw and wife, a boy, and to Eastun Clegg and wife, a 10-pound girl, all of whom are proud of Santa's gifts.

FUNERAL OF YOUNG LADY.

Sunday the funeral services over the remains of Miss Mary C. Jensen were held at Mapleton meetinghouse, presided over by Councilman E. Snow, the speakers were Elders C. W. Houtz and Hyrum Manwaring. The deceased was 24 years of age the day of her burial. She is the daughter of Lars Jenson. This makes three grown children that Mr. and Mrs. Jenson have lost within two years, and the people of Mapleton and friends condole with them in the bereavement.

Rev. Carlisle P. B. Martin, L.L.D.

Of Waverly, Texas, writes: "Of a morning, when first arising, I often find a troublesome collection of phlegm which produces a cough and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat or lung trouble." 25c, 50c and $1.00. NEW HYMN BOOK AND PSALMODY.

A new edition of the L. D. S. Hymn Book (the twenty-fourth), revised under the direction of the Church Authorities, has just been issued by the Deseret News. Many improvements will be observed. The names of the authors, as far as they could be ascertained, have been appended to each hymn. Special type was selected for the edition, to secure a large, plain and bold print, without increasing the size of the book. Thirteen new selected hymns have been added to the collection, among which are "Onward, Christian Soldier," "Peace Be Still," "Rock of Ages," "Abide With Me," the two National anthems, "America" and "The Star Spangled Banner," and several others.

NEW PSALMODY.

A new edition of the L. D. S. Psalmody has been issued to correspond with the revised Hymn Book. It also contains the music for the additional thirteen hymns. New plates have been made throughout. The book, though enlarged in its number of pages, has been somewhat reduced in form, making it more convenient for choir use. The price has also been reduced in the various binds, as follows: Cloth, $1.25; half leather, $1.50; limp leather, $1.75; and full morocco gilt, $2.50. Both Hymn Book and Psalmody are now ready at the Deseret News Book Store.

RYAN AND HART.

Two Noted Prizefighters Coming to Salt Lake in February.

The lovers of fisticuffs in Salt Lake are soon to have the opportunity of seeing Marvin Hart and Tommy Ryan, not in a mill, but just on exhibition in a show at the Lyric theater. The recent experiment of attaching Nelson and Britt to a bunch of burlesquers proved so profitable that owners of shows on the circuit have looked about for other men of the ring, sufficiently alive to attract dollars to the box office. "The Orientals," due here late in February, will bring Ryan and Hart, in a sparring exhibition.

RYAN VS. BURNS.

Pair Will Battle for Middleweight Championship in Butte.

Chicago, Jan. 4.—A dispatch to the Tribune from Butte, Mont., says:

Tommy Ryan and Tommy Burns will fight for the middleweight championship title early in February before the Pacific Athletic club of Los Angeles, according to an announcement made last night by Manager Curly, acting for Ryan and Marvin Hart, who are now in this city.

Ryan says he will fight at 158 pounds at 3 o'clock.

CAT SHOW AWARDS.

New York, Jan. 4.—The sensation of yesterday's judging in the cat show at Madison Square Garden was the victory of Miss Ava L. Polard's Omar II, over Mrs. Champion's Argent Splendor, in the open class for Chinchilla males. Mrs. Charles H. Lane of Chicago, one of the earliest American women in the "fancy," was the judge. The decision came particularly hard to the champion as Argent Splendor was judged the best cat in the show of 1905, and the best long-haired in the Chicago show of 1905, and his career has been one long triumph since kittenhood. He needed only a first in the New York show of 1906 to give him the three points necessary to make him champion Chinchilla of America.

LAJOIE TRIES NEW ONE.

Akron, Jan. 3.—Captain Lajoie and Secretary Barnard of the Cleveland baseball club tested a new pneumantic baseball put out by a local tire and rubber company yesterday.

A pneumatic ball was given the baseball experts along with others of the standard makes and for two hours Lajoie and Barnard pitched and batted all of them, and then they announced that they could not tell which was the pneumatic ball.

The ball is similar in construction to a pneumatic golf ball manufactured by the same company, and the same patents cover it. The company will manufacture 1,000,000 for next season.

GOLFERS HAVE GOT THE MEXICAN FEVER.

New York, Jan. 4.—Golfers have got the Mexican fever, and when the special train pulls out of the Pennsylvania station next Wednesday a goodly crowd will make up the party bound for the big open tournament to be held at the City of Mexico, open to all nations.

Among the prominent golfers who are positively going on the special are: Garry B. Adams, of Baltusrol; John Mellor, Jr., of Garden City; Charles Kirchner of Plainfield; George W. Right, of Wollaston; C. T. Crocker, Jr., of Fitchburg; A. G. Lockwood of Ballston, the Massachusetts champion; Gilbert Farintosh, J. P. Scott and A. Trevvatt, of Hot Springs, Va.; A. F. Sutherland, of Albany; W. Sterling, of Philadelphia; and E. J. Noble, of Adams, Mass. Others who may join the party from nearby clubs are: Walter J. Travis, of Garden City; T. C. Ennever, of Baltusrol; John Reid, Jr., of St. Andrews; Robert Tayler and J. McClellan, of Westfield.

WILL JOIN UNION.

City of Chicago Takes Active Interest In Amateur Sport.

Chicago, Jan. 4.—The city of Chicago is to join the Amateur Athletic union. This is perhaps the first organization in which the 2,000,000 or more inhabitants of the city have become a joint member. It also marks an innovation in the attitude of cities as a government towards sport, for Chicago will in the future have a vote and a voice in the regulation of amateur sports, the same as athletic clubs.

The special park commission decided yesterday that it would be proper for the city to join the athletic union and voted the membership fee of $10 a year. Max Buetner, the superintendent of playgrounds, advised that the city should be initiated in the union, in order to aid the boys who use the playgrounds for their sports. The commission recently employed a football coach for the boys, and everything is being done to encourage healthful sports on the playgrounds.

The reports of attendance from the playgrounds for 1905 show an enormous increase in the number of children who have enjoyed the privileges given by the city. There were 1,337,516 children admitted to the grounds in the past year, compared with 1,014,677 in 1904, and 727,000 in 1903.

BOWLING TOURNAMENT.

Big Crowd of Ten Pin Artists Are Coming to Salt Lake.

Spokane, Jan. 3.—A letter sent out by A. L. Jenkins secretary of the Western Bowling congress, says that with a majority of the vote in on the time and place of holding the first annual tournament of the Western Bowling congress, Salt Lake appears to be the unanimous choice of the executive committee, and March 7 will be the date selected for opening the big event.

It is already reported that San Francisco will enter two teams, Oakland one, Spokane two and Denver two. It is not known yet how many will go from Seattle, but there may be at least two good teams made up from bowlers who would make a showing in this tournament.

It is a little early yet to make a conservative estimate of the number of teams that will be entered, but it may reach at least fifty. An effort is proposed to get Anacortes, Bellingham and Vancouver to send their best teams. These cities are all represented in the International Telegraphic league.

The Paulson club of Denver, which recently made a record of 3,352 pins in a series of three league games, will enter the contest, and some great bowling may be expected. The record made by this team stands without a parallel in the history of bowling in the United States.

JOB FOR M'CLOSKEY.

"Honest John" Made Manager of the St. Louis Cardinals.

St. Louis, Mo., Jan. 3.—John J. McCloskey of Louisville, a veteran ball tosser and maanger, will pilot the local National league team next season. Such is the announcement in a telegram from M. Stanley Robison, vice president and treasurer of the club, who is at Cleveland tonight.

McCloskey first attracted attention while handling the Louisville club in the National league eight years ago. After leaving Louisville, when it dropped out of the major league, McCloskey drifted west and piloted the Great Falls, (Mont.), team to victory in the Northwest league pennant race.

From Great Falls he went to Butte and managed a pennant-winning team there for three successive seasons. For the last two seasons he has had charge of the Boise City club, and landed two pennants with his team in the Northwest league.

McCloskey's success as a maanger in the minor league has attracted a tention in baseball, and the Robisons were dickering for his services last winter, but failed to come to terms.

He has no easy task before him, but he knows baseball thoroughly, and should build up a team for St. Louis in a year or two. He is expected to arrive in St. Louis shortly to size up the situation.

O'BRIEN LOSES DIAMOND.

Philadelphia, Jan. 3.—Jack O'Brien, the new champion pugilist, who arrived home from San Francisco, where he defeated Bob Fitzsimmons, reported that while en route to this city he was robbed of a diamond stud valued at $300, a draft for $2,500, part of his share of the purse in the late fight, and $200 in cash. O'Brien says the robbery took place on a sleeper between Pittsburg and this city. He did not discover his loss until he awoke. The diamond, money and draft were in a wallet in O'Brien's pocket, and he thinks some of the new friends he made on the train saw him put them in his trousers pocket when he retired.
