**Perkes Receives Report**—Secretary Perkes of the Real Estate association is in receipt of a report of the Hawaiian Promotion committee showing that extended efforts are being made to develop Honolulu and the territory generally. The sugar crop is unusually good, and the presence of U. S. soldiers has a salutary effect.

## DUN ON LOCAL MARKET.

Says Trading Is Generally Good—Storms Retard Some Lines.

Dun's Review for Oct. 2 notices trade conditions in this city and says:

"Wholesale and jobbing trade in nearly all lines is quite satisfactory and there is an encouraging outlook for further fall business, while dry goods, clothing, notions and groceries continue to move freely. The best sugar crop is good and a large output for the season is assured. Money is plentiful for legitimate purposes with rates firm, and collections are fairly satisfactory although affected by a retarded movement of grain, sheep and lambs to market on account of stormy and unfavorable weather and road conditions.

**MEDICINES MADE FROM ROOTS AND HERBS.**

In the good old-fashioned days of our grandmothers they depended upon medicines made from the roots and herbs of the field to cure disease.

Lydia E. Pinkham's Vegetable Compound, that standard remedy which is made from roots and herbs for woman's ills, had its origin in this way. For thirty years it has been redeeming its promises written on the label of every bottle by curing thousands of women of feminine ills. It's a good honest medicine.
