CATARRH

Sneezing Catarrh, Chronic Catarrh, Ulcerative Catarrh, permanently cured by

SANFORD'S RADICAL CURE.

SANFORD'S RADICAL CURE FOR CATARRH is a safe, certain, and permanent cure for Catarrh of every form, and is the most perfect remedy ever devised. It is purely a vegetable distillation, and is medical in every sense of the word, and possesses healing, cleansing, and restorative properties of the highest order. Locally applied, full directions accompany each bottle, heals and cleanses the nasal passages of every feeling of hoarseness, obstruction, dullness, or discharge. Constitutionally administered it renovates the blood, purifies it of the gold poison with which it is already charged in Catarrh, strengthens the stomach, liver, and kidneys, purifies digestion, makes new blood, and provides the formation of sound, healthy tissue, and finally, cleans out and renovates and cures the disease. The remarkable healing powers, when all else proves absolutely full, of SANFORD'S RADICAL CURE, are unequaled by any other preparation. Its mild, soothing, and healing properties are wonderful. It is a specific for Catarrh. It is no ordinary snuff, it is not a douche, it is not a syringe, it is not a powder, it is not a fluid, it is not a snuff, but a medicine, and worthy all confidence. Ask druggist for pamphlet containing testimonials of the most remarkable character, and full directions for its use in all cases. Price $1.

An Enthusiastic Friend of Sanford's Radical Cure.

[Hamilton, Grant & Bowen's Fire and Marine Insurance Agency, 723 Pine Street, St. Louis, Mo., Feb. 1, 1877.]

A. A. STEARNS, Washington, Av., City.—Dear Mother: I have for many years been troubled with Catarrh, and for the past two years have suffered actually with it. Nothing relief afforded me. At Sanford's Radical Cure, I decided to try it. I have used only two bottles, and as a result I feel so much relieved that I feel prompted on our personal relations and write this to you and say that you take some measures to get it more prominently before the public, that others may have such relief as I have. I have recommended it to quite a number of my friends, all of whom have expressed to me their high estimate of its value and good effects with them.

I really think it particularly adapted to wants of St. Louis people, and they all ought to know it, and those who need it should try it. I will risk the assertion that 500 cts. will be a sample to be given away which will cure many. Yours truly, WM. DOWDIE.

Sold by all Wholesale and Retail Druggists and Dealers in Medicine throughout the United States and Canadas. WEEKS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.

LAME BACK AND RHEUMATISM

CURED BY

COLLINS' VOLTAIC PLASTERS

Messrs. Weeks & Potter: Gentlemen,—One year ago I was taken with a severe attack of Rheumatism in my right hip, which so lame I had to use the various liniments and mixtures given out by friends, without any permanent benefit, or straight, recommendation of your Collins' Voltaic Plaster. The effects was almost magical. Suffering as I was, I was induced to try one, and was soon able to be about my farm as usual. Now, mind, before the application of the Plaster, I could not bend my back without extreme pain. A few days since, one tore from the first attack, the disease returned, but I soon put it to flight by the use of the proved curatives, as far as I know, and I remain well. My wife wishes me to add that she has used them for years with very happy results. We think there is nothing in the world equal to them. We shall have them in the house always. Yours truly, GILMAN, Mich., March 6, 1877. M. D. CUTLER, M. D.

NOT A QUACK NOSTRUM.

Gentlemen,—I have used your Collins' Voltaic Plaster for years past. I have found the Voltaic Plaster to be my practice, and have never known them to fail in effecting a speedy cure. I do not hesitate to say they are recommended. They are not a quack nostrum, but a remedial agent of great value. Very truly yours, C. C. PARKER, M. D.

DETROIT, Mich., May 22, 1876.

PRICE 25 CENTS.

Be careful to obtain COLLINS' VOLTAIC PLASTER, a combination of Arnica and Voltaic Plaster, with a highly Medicated Plaster as seen in the above cut. Sold by all Wholesale and Retail Druggists throughout the United States and Canadas, and by WEEKS & POTTER, Proprietors, Boston, Mass.

Trip to Grass Valley.

RICHFIELD, July 26, 1878.

Editors Deseret News:

I have just returned from a refreshing mountain excursion to Grass Valley, Fish Lake and the surrounding country, and probably a few items gathered thereby may not be devoid of interest.

In company with Brother J. Allan, we reached the Cedar Grove in Grass Valley, Sunday morning, 21st inst., about 11 a.m., where we found the citizens of Burrville, Koosharem and Greenwich, assembled and listening to a very interesting practical discourse from Elder Brigham Young, one of the Twelve Apostles; about 40 Lamanite brethren were there, very attentive, and they seemed to enjoy the spirit of the teachings as well as the palefaces.

In the afternoon President A. M. Cannon delivered an impressive exhortation to the assembled saints warning them to avoid the vain and gaudy fashions of the world, and adopt the wholesome examples of those who live by the inspiration of the Holy Spirit; made reference to the pleasant surroundings of the Saints congregated in that rustic spot. He was followed by Elders Thurber and Bean who addressed the natives in their own tongue. Elder B. Young then made additional remarks, suggesting the course and policy to be practiced in our intercourse with the natives, and with each other, strongly recommending the uniting of our capital and interests as much and speedily as possible. President F. Spencer and Bishop Jos. H. Wright also made remarks, and the services were concluded, the people feeling greatly blessed by this unexpected visitation.

Monday 22nd, we went over the rim of the Great Basin east to Fish Lake and below, to accomplish which we went by water about two miles, the lake shore being so rocky and rough that we found it more practicable to travel just inside the edge of the water, the large rocks all having been lifted out and deposited on the shore for miles in extent by the action of the elements of the breaking up of the ice in the early spring. This beautiful sheet of water, called Fish Lake, deserves a more extended description than your humble servant feels able to give. Suffice it to say, however, that it is about five miles long by one mile wide, clear as crystal, and lying almost on the top of the Wasatch range of mountains and surrounded by beautiful groves of timber on almost every side, it abounds with trout and other fish. We had fine sport in catching trout in some adjoining streams, and not the least enjoyable was the pleasure of regaling ourselves at supper-time upon the fruits of our toils.

Next day some of us returned to Grass Valley and took part in the celebration of the anniversary of the entrance of the Pioneers into Deseret in 1847. The citizens of Grass Valley, almost every one, were again assembled at the grove below Burrville, and flags, banners, music, speeches, songs, feasting and dancing were the order of the day from 10 a.m., until nearly sundown. Judge Bean, of Richfield, being the oldest settler present, delivered a speech in behalf of the Pioneers. Ephraim K. Hanks, a veritable "Batallion Boy," spoke in behalf of that faithful band. President F. Spencer, Ben Wright, H. P. Miller, County Superintendent of Schools, and others made appropriate speeches and remarks. The exercises were all very ably governed and conducted by John Kirkman, marshal of the day. The aborigines also came in for their share of the enjoyments of the occasion, especially the feasting portion. Altogether it was a great day for the inhabitants of this elevated region, the valley being over 7,000 feet above the level of the sea. The prospects, however, for grain and vegetables are very good, and thousands can yet find here comfortable and healthy homes.

Yours truly, G. W. B.
