CONGRESSIONAL.

SENATE.

WASHINGTON, 15. — Windom called up his concurrent resolution extending the session until noon Thursday next. Agreed to—yeas 35, nays 9.

After the rejection of an amendment to extend the session till noon on Wednesday next by a vote of ayes 25, nays 26, the resolution was immediately sent to the House.

On motion of Howe, William E Spencer, for many years journal clerk, was chosen chief clerk of the Senate *vice* William J. McDonald deceased.

The committee on naval affairs reported favorably on the House bill authorizing the settlement of the claim of the estate of the late Rear Admiral John A. Dahlgren. Placed on the calendar.

Windom called up the House bill to provide for expenses of the select committee on the aleged frauds in the late presidential election, which appropriates $20,000 for that purpose, the committee on appropriations having reported an amendment appropriating $20,000 for the investigation and inquiries already, or hereafter directed by the Senate of the present Congress, was agreed to.

Windom then submitted an amendment appropriating $10,000 to be used under the direction of the Attorney General to defray any expenses that may be incurred by the Department of Justice for the detection of any crimes committed against the United States in affairs, or in the course of the investigation mentioned in this act. Agreed to and the bill passed as amended.

Spencer presented the report of the conference committee on the river and harbor bill which was agreed to and the bill passed—yeas 39, nays 22.

Sanders called up the Senate bill creating the Utah and Northern railway company, a corporation in the Territories of Utah, Idaho and Montana and granting the right of way to the company through the public lands, and it was passed.

Windom called up the message from the House announcing its non-concurrence in the resolution to extend the session until Thursday, and moved a conference.

Executive session soon followed and when the doors opened a recess was taken.

EVENING SESSION.

The amendment of the House to the bill of the Senate increasing the pension of General James Shields (Mo.) to $100 per month was concurred in and the bill passed.

A message was received from the House of Representatives announcing the passage by that body of the concurrent resolution extending the session until 4 p.m. Tuesday, June 18th. The resolution was agreed to.

A number of private bills passed together with the House bill for the restoration to market of certain lands in Utah. Adjourned.

HOUSE.

WASHINGTON, 15. — Consideration of the internal revenue bill was resumed, the question, being on the amendment offered by Townsend. After discussion, the remarks for the most part being inaudible in the confusion, the amendment was rejected.

A message was received from the Senate announcing the passage of a concurrent resolution extending the session till Thursday next. Shouts of "No! No!"

On motion of Cole the amendment adopted some days ago on motion of Vance, repealing the provision of the existing law for the transfer of revenue causes from State courts to Federal courts was reconsidered and struck out of the bill.

Sayler offered an amendment providing that the reduction of the tax on tobacco shall take effect October 1st, 1878, instead of the passage as formerly provided. Adopted.

Foster offered an amendment providing that the tax on tobacco shall be collected at 24 cents per pound until 1900. He said it was perfectly evident the bill could not pass this session. If this matter were carried over to next year the result would be disaster to that interest. He appealed to the gentleman who favored a reduction, to settle the question.

Burchard offered an amendment to the former part of the bill, providing that no special tax shall be imposed on vinters who sell wine of their own growth at the place where the same is made. Adopted.

Consideration of the bill was then suspended, and on motion of Cannon a conference committee on the post route bill was ordered.

Wood called up the resolution of the Senate fixing the final adjournment at Thursday next, and moved to non-concur. Agreed to—yeas 143, nays 108.

Knott, chairman of the judiciary committee, presented his views in opposition to the report of the committee on the Kimmel bill and the resolutions of the Maryland legislature, on the subject of the presidential election.

Hewitt presented the conference committee report on the army appropriation bill. He explained the report and said in regard to the *posse comitatus* clause, we have this day secured to the people of this country the same great provisions which, after a struggle of 200 years, the Commons of England secured for great Britain. (Derisive laughter on the republican side.) The report was agreed to—yeas 142, nays 55. Recess.

EVENING SESSION.

Wood offered a resolution providing for an adjournment on Tuesday next at 4 p. m. Agreed to.

The House then resumed consideration of the internal revenue bill.

Hewitt (N.Y.) offered an amendment for the establishment of a bonded warehouse for the export of tobacco.

EASTERN.

The Potter Investigating Committee.

WASHINGTON, 15. —When the committee resumed, the clerk testified that he was under the impression that he also saw Brewster sign the second set of certificates and that the gentleman signed in the committee room and not in the General's Office as Brewster testified yesterday. He had read a statement in the Cincinnati paper to the effect that some of the signatures of the Louisiana electoral returns had been forged and thought he clipped a paragraph from the paper and subsequently enclosed it in a letter to Governor Kellogg, enquiring what it meant, but he had never received a reply to the letter. Never heard anything while in New Orleans of the so-called Sherman letter. In consequence of the objection made by Governor Kellogg to the handwriting in the first set of certificates, witness had caused a number of extra copies to be made by a clerk in the office writing a plainer hand. He (witness) therefore had a number of certificates in excess of those required for the use of the electoral college.

Ex-Representative Dartall was recalled, remaining on the stand but about five minutes, when Chairman Potter announced that he had requested Senator Kellogg to appear before the committee, but had received a message from him saying he could not comply at present. Adjourned.

Wool Market.

BOSTON, 15. — There was little done in wool the past week, and a larger number of buyers were in the market than for some weeks previous, but the same indifferent feeling, noticed for a long time, was evident, and there is no indication for any improvement. Holders are still disposed to close up old stocks at current rates, but sales can only be made at concessions. It is considered doubtful if the lowest point has yet been touched, as most of the new wool on the market is still held above the views of buyers, and offers for old wool has been generally from one to two cents under recent prices. Combing wools are dull and prices quite nominal. California moves slowly, the transactions for the week comprising 232,000 lbs. of Spring and 26,000 lbs. of Fall. Ohio medium, XXX and above 34 @ 36. Michigan X 35. Fine New Hampshire 36. New York, Michigan and Ohio 30 @ 35; combing and delaine, ordinary 27½; unwashed combings and delaine 25. Texas 15 @ 28. Eastern, Valley and Oregon 21 @ 28; super and X pulled 27 @ 40; scoured 33 @ 75; Spring California 18 @ 30, Fall 16 @ 19. Total sales of domestic for the week 1,028,000 lbs.

Fatal Shooting.

INDIANAPOLIS, 15. — At Coal Creek, to-day, John Kelley, a miner, shot John Nims, a colored miner, in the abdomen, inflicting a mortal wound. He then emptied the remaining loads of his revolver into a squad of colored miners, wounding two of them. The miners, procuring their guns, near at hand, pursued him. He ran into the residence of John Hofferman, the colored men firing into the building and keeping him prisoner till the sheriff's posse arrived, when all the parties were arrested. This is the place where the massacre of negroes occurred a few weeks ago.

The African Emigrants.

CHARLESTON, S. C., 15.—A cable special from Sierra Leon, May 19th, announces the arrival at that place of the bark *Azor*, which sailed from Charleston April 21st, with 350 negro immigrants for Liberia There was much suffering on the voyage, The water having become short, ship fever broke out, and 23 of the emigrants died. The rest were in good spirits at having reached Africa.
