THE FAIR IS OVER.

Twenty-five Thousand People Attended the Twentieth Annual Exhibit.

THE RECEIPTS AMOUNT TO $7700.

Closing Hours on the Exposition Grounds.—The Baby Show.—Additional Awards.

The twentieth annual exhibit by the Deseret Agricultural and Manufacturing Society of Utah closed on Saturday night. The directors labored long and hard to make it a success and how well they succeeded the public can attest. The Fair was visited by 25,000 people and the receipts amount to $7700.

THE BABY SHOW

during the closing hours was indeed a beautiful one. There were 125 entries and every proud mother expected that her darling would win a prize. The judges, after looking carefully over the garden of infantile rosebuds, finally selected thirty from among them. Then followed the awarding of prizes which resulted as follows:

The special prize of a fine baby carriage, presented by Sorenson & Nelson, was awarded to the 8-months-old girl baby of Mrs. Hanak, of Salt Lake City. The first prize of $20 to the 16-months-old girl baby of Mrs. J. J. Smith, of Ogden. The second prize of $15 was won by the girl baby of Mrs. M. F. Jones, of Salt Lake. The third prize of $10 by the boy baby of Mrs. M. F. Thornburg, of Salt Lake. The fourth prize of $5 was carried off by the 6-months-old baby boy of Mrs. W. M. Anderson, of Harrisville.

The special prize of a gold medal for the two finest babies under six months old was won by the twin babies, a boy and a girl, of Mrs. Syphus, of Salt Lake City. The prize for the best Indian baby was won by the baby boy of Matilda Graff, of Fort Douglas.

THE BALLOON ASCENSION

which occurred at 9 o'clock was in every way successful. When hundreds of feet above terra firma Prof. Leonard performed a number of clever tricks which with the pyrotechnical display of fireworks from the balloon won the applause of the multitude.

LIFE SAVING PERFORMANCE.

The exhibition by the Pioneer Life Saving crew (a sketch of which preceded it) was interesting in the extreme.

BACK VOLUMES

—OF THE—

DESERET WEEKLY.

The sixth volume of the DESERET WEEKLY in the present form is now bound. A limited number of copies of these six volumes can be obtained at the DESERET NEWS Office, Salt Lake City, to bound form at $5.00 per volume. It is the best history of current events to be obtained, and by far the cheapest, and the time is not far distant when they will be eagerly sought after by students of history, anxious to be informed of the stirring events which have transpired within the past three years—the most interesting period of the history of the Latter-day Saints. Every person who can afford it should secure these volumes while they are to be had for future reference, and especially should they be obtained for every Sunday School, Improvement Association and Ward library. Apply early to make sure of getting them.

Mr. L. F. Rowley,
Of Augusta, Me., says: "I do not remember when I began to take Hood's Sarsaparilla; it was several years ago, and I have found it now a good time of year to my nothing cures."

WHY THE DESERET NEWS SHOULD BE SUBSCRIBED FOR IN PREFERENCE TO ANY OTHER PAPER.

1.—It is the organ of the Church of Jesus Christ of Latter-day Saints, and the authorized medium through which the views, wishes and instructions of the Church Authorities are expressed and given to the Saints.

2.—It may always be relied upon as advocating or defending the right side of every question proper for public journals to treat upon.

3.—It is devoted to the interests of the Latter-day Saints, and has from its inception, valiantly defended their rights and advocated the principles in which they believe, and every Latter-day Saint should therefore feel under obligation to do his part in helping to sustain it.

4.—It is not published for speculation, and never has been, but for the good which it is capable of accomplishing; the profits, if any there be, derived from it, being devoted to extending its sphere of usefulness and benefiting the community.

5.—It is doing its utmost to establish home industries, among which are paper making and type-founding, stereotyping and electroplating—branches necessary to the development and independence of the community, but which, during their infancy (which in this Territory they have not yet passed), can only be carried on at a pecuniary loss.

6.—There is no danger of any subscriber to the News failing to get what he subscribes for through failure of the business and suspension of the publication—a result in the case of hundreds of newspaper ventures every year.

7.—It is printed in readable type, so that even the aged can peruse it without difficulty or danger to their eyesight.

8.—It is free from objectionable advertisements, so that its parent feel that the children will have their minds corrupted from having access to it; in fact, it saves thousands of dollars worth of the best paying advertisements annually, because it is devoted to the moral and spiritual interests of its readers instead of to getting gain at their expense.

9.—Its tone is not regulated by public opinion nor the hope of gaining subscribers or advertisements. It advocates that which is right and condemns that which is wrong, regardless of results, financial or otherwise.

10.—The News practices no deception and resorts to no subterfuges to induce people to subscribe; but on the contrary, prefers to stand on its own merits, as the people's newspaper, with a promise only to do its utmost to give its patrons the full value of their money—a promise which it has endeavored to faithfully keep in the past.

11.—In conclusion, if a Latter-day Saint can afford to subscribe for only one newspaper, that paper should be the DESERET NEWS; and if more than one, the NEWS should invariably be the first.
