A SCHOOL CENSUS.

The Enumerators Appointed By the School Board.

CONTRACTS FOR SCHOOL SUPPLIES.

Business Transacted by the School Board at its Meeting Last Evening.

Barely a quorum of the school board attended the meeting of that body last evening. The session was short, but business of an important character was transacted.

The finance committee reported that it had failed to secure the $75,000 in school bonds which it had attempted to buy in. No reason was given for the failure to purchase the bonds. The committee reported that the money had never been drawn from the treasury, and recommended that the warrant issued for the purpose be turned back into the treasury and credited to the school fund. The action of the committee was adopted.

TO TAKE THE CENSUS.

Trustee Cullen brought up the matter of the school census, quoting from the law which requires it to be taken between July 15th and 31st. He suggested that the members from each precinct suggest names for enumerators in each ward, and that the board ratify the nominations. This course was adopted, and the following list of census enumerators was nominated:

First precinct—Fourth ward, Ida Mary A. Dougherty; Eighth ward, A. Ellison; Tenth ward, Nellie Smith; Tenth ward, F. K. Gerrit; Sixth ward, Mary E. Cheney; Second ward, Mr. Hurd.

Second precinct—Fourth ward, J. A. Gerrard; Fifth ward, E. A. Greene; Sixth ward, Henry E. Healy; Seventh ward, O. F. Cutler; Eighteenth ward, George H. Ingram; Fifteenth ward, L. C. Johnson.

Third precinct—Seventeenth ward, D. M. Ross; Nineteenth ward, M. Hamer; Twenty-third and Center ward, Brenda P. Howell.

Fourth precinct—Twenty-first ward, Peter Hillman; Twenty-fourth ward, Jos. Dewey; Twenty-second ward, Mrs. Bon.

Fifth precinct—Fourteenth ward, J. A. DeVasey; Twelfth ward, Jos. Godwin; Eleventh ward, Charles Welch.

No names were nominated from the First and Twenty-second wards, and these will be appointed at a later date.

The census is to be made under the direction of the city and will embrace all persons over 4 and under 18 years of age. The name, age, sex and color of each person and the address of each school-age child must be given.

CONTRACTS LET.

Contracts were let for and the work was authorized to be done on school buildings, yards, etc., as follows:
