The Wonder of Good Health.

It seems a wonder that that apparently robust is a Mystery may will relegate a Mystery to oblivion, another by so to be the author of a world famous book. I have often wondered if anyone ever thought of the Mystery and [illegible] Yet how many know the name of the author, much less the fact that he is living. Yet few men are more respected in Plainfield, N. J., than is the Rev. Robert Lowry. It is. Wer are in Richmond, Ind., when Dr. R. Fillmore Brown, "Dr. Bright" of the Richmond Jeffersonian, got to talk about Lowry's [illegible] song, "The Sweet By and Bye," was a reality.

In the minds of New York stage lovers Mrs. Annie Sherwood Harris, who sings those sweet lines of "I Need Thee Every Hour." Only a little home, sweet and religious in character, yet it is the fine, Dr. Robert Lowry is to be known. Here the author of the lines, "My Soul's Be On Thee," or "Shall We Gather at the River," or "Where Is My Boy Tonight?"—Edward Bok in New York Epoch.

"August Flower"

Dyspepsia. There is a gentleman at Malden-on-the-Hudson, N. Y., named Captain A. G. Parris, who has written us a letter in which it is evident that he has made up his mind concerning some things, and this is what he says:

"I have used your preparation called August Flower in my family for seven or eight years. It is constantly in my house, and we consider it the best remedy for Indigestion, and Constipation we have ever used or known. My wife is troubled with Dyspepsia and at times suffers very much after eating. The August Flower, however, relieves the difficulty. My wife frequently says to me when I am going to town, 'We are out of August Flower.' **Indigestion.**

Constipation of August Flower. and I think you feel better generally when it is in the house. Sometimes she takes a teaspoonful before eating, for a day or two, and all trouble is removed." ep
