Do You Take A RIDE?

No more pleasant ride can be found anywhere than that to the suburbs southeast of Salt Lake City. If you drive, ride horse back, or use a bicycle, the nicely sprinkled roads afford continual pleasure. The popularity of the East Boulevard is attested by the hundreds of wheels and thousands of people that daily throng it.

Why not combine business with pleasure? If you buy a home in Forest Dale, you can enjoy the ride to and from your residence that hundreds are anxious to take for pleasure alone.

What is more invigorating during these warm days than a ride on an open electric car? Try it early any morning or after your work in the evening, and then if you wish a home, buy in Forest Dale. By doing so you can enjoy the canyon breeze, and still be near your work. Can have water belonging to yourself piped to your door and still not pay city taxes. Can have the benefit of good schools, and of pleasant associations, and yet have none of the smoke and discomfort of residence in a city.

Inducements to build. Small payments and long time at low interest will be allowed desirable parties.

AN OPINION GIVEN.

Recently Mr. J. D. Thomas, of North Dakota, visited the Shenandoah Valley, Virginia, and after carefully examining the country located in Winchester, he writes to Mr. V. Hinkle, Land and Immigration Agent, Baltimore & Ohio Railroad, Baltimore, Maryland, as follows: "I have been in nearly every state and territory of the United States, and am back in my opinion that this valley surpasses all other sections in the Union. The lands are low in price, and produce profitable crops. I thank you for meeting me here, and shall from reading pleasant and profitable homes to locate in this locality."
