Worry Goes To The Stomach

Tears Down the Little Telegraph Lines That
Operate and Control the Digestive
Processes.

How To Repair These Telegraph
Lines.

I will gladly give any Stomach Sufferer a Full
Dollar's Worth of my Remedy Free
to Try.

I ask no deposit—no reference—no ac-
crued. There is nothing to risk—nothing
to pay, either now or later. Any stomach
sufferer who does not know my remedy
may have a full dollar's worth free. If he
believes and asks.

I will gladly make this liberal offer be-
cause Dr. Shoop's Restorative is not an
ordinary stomach remedy. It does not in-
crease the stomach's activity, or how they
may be regulated and restored. When you
make these points clear, but this much
is certain: all nervous causes all forms
of stomach trouble—indigestion, belching,
flatulence, heartburn, nervousness, dyspep-
sia, no stomach medicine will cure those
causes. Only Dr. Shoop's Restorative will
do it. No other remedy can claim to reach these
causes.

What else the stomach nerves? Worry,
probably. Mental anguish destroys their
life without which the stomach has no
self-control, and a sponge. Over-
eating, only Dr. Shoop's Restorative will
do it. But the effect is the same—stomach
failure.

No matter how these nerves become
enfeebled—I know a way to rebuild their
strength—to restore their vigor. It is a
remedy which took thirty years of my life
to perfect—a remedy which is now known
to more than fifty thousand communities
in more than a million homes—Dr. Shoop's
Restorative.

If you have stomach trouble and have
asked for my remedy, merely write and
I will send you an order on my drug-
gist which he will accept as gladly as
he would accept a dollar. He will hand
it to you from his shelves a standard sized bot-
tle of the bill to me. This offer is made only to
those who use the Restorative do not need
any other remedy. It is open and frank
and fair. It is the supreme test of my
unlimited belief. All that I ask you to do is
to write—write today.

For a free order, write to me, or to a
full dealer. Write to me, or to a full
dealer. Write to me, or to a full dealer.

whole of that time were more or less
of a public character, few men were
better known or more beloved than was
the deceased. He had been in poor
health for some time, but his relatives
and friends did not dream that the end

will surprise and startle his wide circle

Leonard John Nuttall was a native
of England, born at Liverpool, July 9,
1834. He was the son of William Nuttall
and his wife Mary Langhorn. After
a few years spent at the St. Bridget
school in his native town, John was
apprenticed to a ship and boat builder.
In the year 1850 the Nuttall family be-
came converted to the faith of the Lat-
ter-day Saints, and were baptized on the
8th of October of that year by Elder
John Taylor. In 1852 they came to
America, crossing the ocean on the ship
Rockaway, and landing at New Orleans
in the latter part of April. It was in
October that the Nuttalls arrived in
Salt Lake valley, and a month later
they went to Provo, where they made
their home. L. John took a prominent
part in the development of the part of
the territory in which he lived, and was
among those who were active in sup-
pressing the Indian outbreaks in that
section. He was one of the organizers
of the first Sunday school in Provo, and

PETITION OF THE LIGHT COMPANY.

To Come Up Before the City Coun-
cil at This Evening's
Session.

PLAIN STATEMENT OF FACTS.

Company Did Not Ask to Sell Prop-
erty to City—Overtures Came
From Mayor.

The petition of the Utah Light &
Railway company for an extension of
its franchises for an additional period
of 50 years, with some other slight
modifications from the original grants,
was handed in today to the city re-
corder by Judge LeGrand Young, at-
torney for the company, to be present-
ed to the mayor and city council at
this evening's session.

The petition in full follows:

Salt Lake City, Utah, Feb. 23, 1905.

To the Honorable Mayor and City
Council of Salt Lake City, Utah:

Gentlemen—The Utah Light and
Railway company herewith submit a
form for an ordinance approving the
transfer to the Utah Light and Rail-
way company of the franchises in Salt
Lake City formerly held by the Utah
Light and Power company and the
Consolidated Railway and Power com-
pany, and grants to the Utah Light
and Railway company an extension of
its franchises for an additional period
of 50 years, with some other slight
modifications from the original grants.

In presenting the petition in view
of what has been said recently in the
press of the city, and what has come
before your honorable body, it may not
be out of place to state briefly the per-
manent facts that led to and the reasons
for submitting this ordinance to your
honorable body.

A year ago the 2nd of last January,
the Utah Light and Railway company
was organized and the interests of the
railway company and the lighting com-
pany were consolidated by the two lat-
ter deeding to the former their prop-
erty, rights and privileges. The ordi-
nances of the city require that these
transfers shall be ratified and approved
by the city council. It is a formal
matter, regarding which we assume
there would be no opposition.

MAYOR MADE OVERTURES.

The company was about to apply to
the city for approval of these trans-
fers when Mayor Morris approached
the Utah stake, and was clerk of that
body. He fulfilled a mission to Great
Britain in 1874-5, laboring first in the
Durham and Newcastle conferences,
and later in the Liverpool office, under
President Joseph F. Smith. At home
again, he was set apart in August,
1875, as Bishop of the Kanab ward, to
reside also over the six adjoining
wards. That position he held until
April 17, 1877, when he was called and
set apart as president of the Kanab
Stake of Zion. During the term of his
Bishopric, Elder Nuttall with others
made a trip to the "Mormon" settle-
ments in Arizona, and while en route
the boat in which they crossed the
Colorado river was upset in mid-
stream and Bishop L. W. Rountree, of
Salt Lake City was drowned. Presi-
dent Nuttall presided over the Kanab
stake until Sept. 10, 1884, during which
time he made trips to Arizona to
conduct the same. In June, 1879, he
became private secretary to Presi-
dent John Taylor, and was in that
position until the death of the latter
in July, 1887. He was with the
president during the time of his
exile, and was present when the vener-
able head of the Church passed away.
Elder Nuttall was also private secre-
tary to President Wilford Woodruff
until 1892, when on account of ill
health he was given duties which
would take him more into the open air.
In the year last named he was ap-
pointed to take charge of Church bond
ward real estate matters, and to look
after the legal interests of the Relief
societies of the Church. He served in
that position up to the time of his
death.

In military affairs Mr. Nuttall had
taken an active part in the early days
of the Territory. In fighting the Indian
war he held the position of district
superintendent of district schools from
1881 to 1887, and served as chief clerk
of the legislative council for a number
of sessions. In business affairs he had
also been prominent. He was an incor-
porator and stockholder of the Deseret
News in 1885, was at one time director
of the Salt Lake City Railway company,
and one of its auditing committee; was
elected a director of the Deseret Tele-
graph company in 1883. The same year
he was chosen a director and secre-
tary of Zion's Savings Bank and Trust
company, and was a director up to the
time of his death. He also was a di-
rector of the Salt Lake and Los An-
geles Railway company in the Salt-
air Beach company.

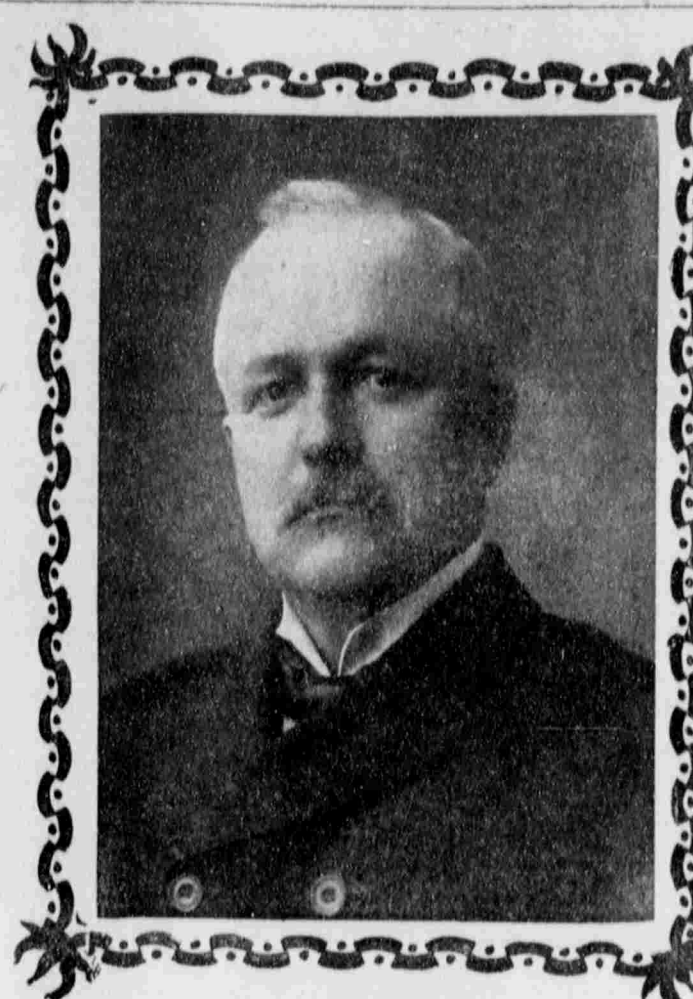

From the above positions of honor
and trust, and these include only the
main ones, it will be seen that Mr.
Nuttall was a very busy man, and it is
said of him that he performed each task
with unwavering zeal and fidelity.
The remains of Elder Nuttall
will be taken from Salt Lake tomorrow
for interment in the cemetery at Provo.
The funeral services will be held in the
latter city on Sunday, under the aus-
pices of the Deseret Sunday School
Union Board. The members of the
board will attend in a body.

WILLIAM A. NELDEN,
The Well Known Salt Lake Business Man Who Committed Suicide Yester-
day.

William A. Nelden, who met such a tragic and sudden death at his own
hand yesterday afternoon, was a native of Montague, Sussex county, New
Jersey, where he was born in 1853. He was only about six years of age when
his father, who was a farmer and afterwards a dealer in lumber and coal,
died. At the age of twelve he was sent by his mother to the Temple
Hill Academy at Genesee, N. Y., and there, among other studies, he took a
special course in chemistry. The death of his mother when he was fifteen
years old left him an orphan. About that time he obtained employment in a
drug store, where he remained five years. He then became the proprietor of
a drug store at Philadelphia, New Jersey.

The year 1879 found Mr. Nelden a resident of Salt Lake. His first em-
ployment here was as a clerk for Moore, Allen & Co., druggists. In 1884 the
firm of Roberts & Nelden, wholesale and retail druggists, was established,
with Mr. Nelden as the junior partner. This partnership was continued until
1892, when Mr. Nelden became sole proprietor of the business and confined his
operations to the wholesale trade.

In 1893, when the Nelden-Judson Drug company was incorporated, Mr.
Nelden was made president, which position he filled until the summer of 1904,
when the business was sold out, and soon thereafter he became the head of
the W. A. Nelden Drug company. On Tuesday of this week a change was
made in the management of the last named concern, and Mr. Nelden was
succeeded by J. J. Judson. It is thought that the worry incident to personal
financial embarrassments and ill health through a period of some months,
caused Mr. Nelden to seek relief from it all by taking his own life.

The deceased leaves a wife and three children. The former, before her
marriage to Mr. Nelden, was Miss Sarah O. Stem, daughter of Prof. B. F.
Stem of Eastern Pennsylvania. The children are Mrs. Jerome O. Cross, and
Paul and Ralph Nelden.

The funeral, which will be private, will be held tomorrow at 3 o'clock,
from the family residence, 1172 east First South street.

hours it has received 15 cents, and in-
stead of \$1.50 being the minimum
charge to consumers of electrical en-
ergy, it has been \$1.00, so that our own
prices have been about 25 per cent less
than we had a right to charge, and
about 15 per cent less than those
named in the proposed ordinance. These
prices are about what is being
charged in the eastern cities, a little
less than some and a little more than
others, but taken on the whole, about
the same; with the exception that
cities of a smaller size, such as Col-
orado Springs, and in our own state,
Logan and American Fork, where the
population is close together and a
small, cheap system can be inaugu-
rated, have not received in this city
can, of course, get cheaper light than
larger cities who have to transmit
their power long distances and where
the light system covers a large terri-
tory of sparsely settled inhabitants.

CITY GETS \$9,300 SERVICE.

Added to this, the Utah Light and
Railway company, and its predecessors,
have for some six to ten years
past, been furnishing the city with
light and power amounting at the reg-
ular prices to \$9,300 per year, and ex-
pect to continue to do so furnish the city
during the life of its franchise. The
company is not receiving good light,
or is receiving poor service, it is due
all the power that can be used, and has
one of the best transmission lines, if
not the best, in the United States. All
of its appliances are up to date and
the best that can be obtained. That
light that is furnished is as good as
can be produced, without there is some
local reason why it is otherwise. If
any person is not receiving good light,
or is receiving poor service, it is due
to some matter over which the com-
pany has no control, such as that their
house may be badly wired or they are
using too many lamps too long, or some-
thing of that nature.

BEST METERS OBTAINABLE.

There has been a great deal of com-
plaint about the meters, and we will
say here that we are using the best
meters, and paying full prices for them.
The meters we have been heretofore
using and are now taking out are dis-
carded for the reason that it took at
least a year to get them. In our opin-
ion, so that a consumer could burn
two lamps all night and day and the
company would know nothing about it.
Those that are now being put in are
the best that can be obtained. That
they are perfect, the company does not
pretend, but they are as nearly perfect
as human ingenuity has been able to
invent; that there may be mistakes in
the reading of them, the company does
not say it is impossible, but it does say
that when attention is called to these
things they meet with respect and con-
sideration and the company does its
best to remedy any defect.

Objection is made that the length of
time asked for by the company is so
great as to be far in excess of what we
are giving to the city for it. Our an-
swer to this is:

First—The extension of time is not
worth \$100.00 to the company, nor is
it of the same value as the money would
be, and we will say here that we prefer
the money to the time extension.

Second—It is not unusual to grant
franchises for the length of time we
ask.

SOME OTHER FRANCHISES.

As a matter of information we will
refer your honorable body to a list of
different railroad companies holding
franchises for street railroads, and they
are about the same as franchises for
lighting. These names were taken
from Booth on Street Railroads.

pany, nor do we wish it understood
that in case this franchise is not grant-
ed the company is going to refuse to let
the city have the water rights at the
mouth of Big Cottonwood canyon, and
that, too, without exacting money for

that their powers will not be used for
power purposes, and the city council
may be assured that the company and
its officers stand ready at all times
to lend their aid in any public im-

ready to make as great sacrifices in
that regard as any of the rest of the
citizens.

Board of Governors of Commercial
Club Passes Resolutions.

The board of governors of the Com-
mercial club met this morning, and
passed the following resolutions in re-
gard to the death of W. A. Nelden,
every member of the board who is in
town being present:

RESOLUTIONS OF RESPECT.

Whereas, The distressing intelligence
has reached us of the death of our fel-
low member, Hon. William A. Nelden,
which sad event occurred Feb. 23, 1905,
and

Whereas, It is appropriate that we
express our sorrow and great loss
which his death entails to his family,
to this club and to the community gen-
erally, therefore be it

Resolved, By the board of governors
of the Commercial club that we deplore
the calamity which has befallen
us of so active and respected a mem-
ber of the club, former member of the
board of governors and first president
of the organization, and extend our
unanimous and heartfelt sympathy to
the family and friends of the deceased,
and further

Resolved, That a copy of these reso-
lutions be forwarded to the local news-
papers, that they be spread upon the
minutes of the club.

By order of the board of governors,
HEBER H. WELLS,
STEPHEN H. LOVE,
JOHN J. JUDSON,
Committee.

The attaches of the W. A. Nelden
Drug company held a meeting this
morning at 9 o'clock, and passed the
following resolutions, which were signed
by the late business associates of
Mr. Nelden:

IN MEMORIAM.

"Whereas, A great loss has befallen
us in the sudden death of our friend
and fellow laborer, the Hon. W. A. Nel-
den, be it hereby

Resolved, That while we bow in re-
verent acknowledgment of the divine
Providence which not only gives life,
but also takes it to be taken away, we,
the employees of the W. A. Nelden Drug
company, and friends of the deceased,
hereby express our deepest regret at
his untimely death. We have known
and loved him during years of his life
and fraternal association in the busi-
ness he established, and in which he
was without a peer in the west. In life
he was our friend, large hearted, gen-
erous, generous and true, in his death
we mingle our deepest sorrow with that
of his family, to whom we convey our
loving sympathy and our prayers that
his great calamity (God will) bring
him out of his broken hearts and wipe
away their tears."

A meeting of the board of directors
of the W. A. Nelden Drug company will
be held this afternoon at 2 o'clock, and
will discuss the matter of the resolu-
tions and provide for a floral tribu-
te.

Mr. R. Martineau, a director in the
firm of the W. A. Nelden Drug com-
pany, stated to the "News" this morn-
ing that the W. A. Nelden Drug com-
pany, organized by Mr. Nelden 10
months ago, will continue to do busi-
ness at No. 48-50 Main street with the
same vigor that has characterized its
recent efforts. Mr. John J. Judson, the
new manager, is a first class business
man, fully capable of carrying out the
policy of the company, and will be sup-
ported by the board of directors, com-
posed of Joseph Young, J. B. Cosgriff
and Herman Harms.
