LOCAL BRIEFS.

Percy Clark is rapidly recovering from an operation for appendicitis at St. Mark's hospital.

Thirteen gall stones were removed from Mrs. James Thompson of Ogden yesterday afternoon, at the Holy Cross hospital in this city, by Dr. Beer. One of the stones was as large as a walnut and weighed an ounce.

Twenty-five year jewels were presented Monday evening, in Odd Fellows hall, to the following members of Jordan lodge, No. 3, I. O. O. F. Past Grand Masters W. L. Pickard, Harry F. Evans, Jacob Moritz, Albert Fisher, Arthur Brown and L. G. Nielsen. Rev. P. A. Simpkin of the Phillips Congregational church made the presentation speech. This was followed by a musical program in which Miss Hallie Foster, daughter of Warren Foster, delighted the 200 guests present with two well given soprano solos. The evening's entertainment concluded with a fine banquet.

Chairman James McDonald of the committee on manufactures and new industries of the Commercial club has secured from J. L. Walter of Rising City, Neb., a quantity of spelz seed, a grain grown with marked success in Russia, and which is specially adapted to cultivation in arid lands. Mr. Walter says he has been able to raise 10 to 15 more bushels to the acre of this grain than any other grain, and he has got five cents more a bushel than from wheat or oats. Mr. McDonald will be glad to distribute what he has of this spelz to such farmers as will make a trial of it.

The Colorado Springs Gazette gives Organist McClellan a handsome compliment on his performance upon the local Methodist organ the other evening. It says, "He breathed the living spirit of sound into his pieces, and by taking advantage of every tone, gave effects which are seldom achieved except by a well trained orchestra." Prof. McClellan has been offered the Chicago Auditorium organ whenever he may wish to play on it. He would like to try the St. Ignatius organ in San Francisco, but the church authorities there will not allow any concert playing on that noted instrument.

Large cards announcing the removal of the First Presbyterian congregation from the old to the new churches, were mailed today, to many citizens both in this city and elsewhere. The program for Sunday, April 16, is announced as follows: 11 a. m., farewell service in the old church, at the corner of Second South and Second East streets; 11:30, Sunday school and congregation form line of March; 12:30, opening of the new Sunday school room, with special services by the school and congregation. All services of Church and Sunday school will be held in the new Sunday school room until the auditorium is completed. Half tones of the old and new edifices are printed on the interiors of the folding card.

CAMPBELL NOW SUES BRUBAKER.

Latest Development in Wrangle Between Members of Local Hardware Company.

BRINGS ACTION FOR $5,000.

Enters Suit Against Partner Whom He Accuses of Slander and Knocking.

The latest development in the wrangle between members of the Brubaker-Campbell Hardware company is a $5,000 libel suit which was filed in the district court yesterday afternoon by J. G. Campbell against Charles E. Brubaker. It is alleged in the complaint, which contains five separate counts, that defendant made the following false and malicious statements concerning plaintiff: "Campbell has been robbing the company for a year;" "Campbell has stolen the Brubaker-Campbell Hardware company blind;" "Campbell is dishonest and has been robbing the till." It is claimed that the statements have been made on different occasions since the month of December, 1904. Because of such false, wrongful and malicious words, plaintiff alleges that his character has been damaged in the sum of $5,000, for which amount he asks judgment.

An injunction suit was filed several days ago by the company against Brubaker and a local bank to restrain them from selling certain shares of stock turned over to the bank by Brubaker. In that complaint Brubaker was charged with circulating false reports about the company in an attempt to injure its credit and business standing.

WILL OF CHAS. AUER.

Leaves All of Property to His Nephew George Weingar.

The will of Charles Auer, deceased, has been filed for probate in the district court. George Weingar, a nephew of Mr. Auer, is the heir named in the will to whom all of the property, both real and personal, is bequeathed.

SUIT TO CANCEL DEED.

Plinia H. King Accuses Caroline C. R. Wells of Sharp Practice.

Suit has been filed in the district court by Plinia H. King against Caroline C. R. Wells to cancel a deed to certain real estate in this city which, it is alleged, defendant secured by taking advantage of plaintiff's extreme old age and incapacity to transact business. It is alleged that plaintiff has been living with defendant and is dependent upon her for care and attention and that the latter took advantage of her feebleness of mind and body and induced her to sign a certain paper which turned out to be a deed. She asks that the deed be returned to her for cancellation.

Plaintiff also alleges that she sold a parcel of land to defendant for $500, but that none of said purchase price has been paid. She accordingly asks that she be given a vendor's lien upon the property and that same be foreclosed and the property sold to satisfy the judgment.

COURT NOTES.

Suit to foreclose a trust deed was filed in the district court yesterday by John M. Breeze, as administrator of the estate of Thomas Price, deceased, against G. G. S. Peyton, Ida M. Peyton, Addison Cain and Ferdinand Henrotin. The property sought to be foreclosed is part of the northeast quarter of section 28 township 1 south range 1 east, Salt Lake meridian, and the amount of the judgment asked is $1,423.31 with interest and $177.56 delinquent taxes on the property, and also for $150 as attorney's fees.

A Dandy for Burns.

Dr. Bergin, Pana, Ills., writes: "I have used Ballard's Snow Liniment; always recommend it to my friends, as I am confident there is no better made. 'It is a dandy for burns.' Those who live on farms are especially liable to many accidental cuts, burns, bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency." 25c, 50c, $1.00 bottle. Sold by Z. C. M. I. Drug Dept. B

A delightful and very successful affair was the party given by the employes of the New York Cash Store last evening. The pretty premium parlors on the second floor of the store were decorated and arranged for a high-five card party. On the main portion of the second floor the carpets had been removed and the floors prepared for dancing, that followed the card party at 10 o'clock. A good orchestra furnished music the entire evening. Refreshments were served during the intermission. In the arrangements good taste was shown in every apartment of this successful affair, and is due to the committee composed of A. Dockendorf, J. Lawson, Misses E. Anderson and A. Burkett.

Chamberlain's Cough Remedy the Best and Most Popular.

"Mothers buy it for croupy children, railroad men buy it for severe coughs and elderly people buy it for la grippe," say Moore Bros., Eldon, Iowa. "We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold by all druggists.

About Rheumatism.

There are few diseases that inflict more torture than rheumatism and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by all druggists.

This Day in History.

APRIL 5th

1685—Catherine I of Russia was born; died 1727; empress 1725. Russia's first Catherine was not Catherine the Great. Catherine I succeeded Peter the Great in 1725, and reigned two years. Her life story is obscure and seems to have been romantic. As the wife of a Swedish subaltern Peter the Great was attracted to her by her beauty and in 1711 acknowledged her as his wife. She accompanied him on his Turkish campaign and rendered important service as a diplomatist. He caused her to be crowned empress in 1724.

1887—Henri Dupin, called the "Father of French Dramatists," and author of 200 plays, died; born 1791.

1904—Frances Power Cobbe, noted English writer and philanthropist, died in London; born 1822.
