TUTT'S PILLS

TORPID BOWELS, DISORDERED LIVER, and MALARIA.

From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: **Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, A feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Dots before the eyes, highly colored Urine, CONSTIPATION,** and demand the use of a remedy that acts directly on the Liver. As a Liver medicine **TUTT'S PILLS** have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three "scavengers of the system," producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. **TUTT'S PILLS** cause no nausea or griping nor interfere with daily work and are a perfect

No Whiskey!

BROWN'S IRON BITTERS is one of the very few tonic medicines that are not composed mostly of alcohol or whiskey, thus becoming a fruitful source of intemperance by promoting a desire for rum.

BROWN'S IRON BITTERS is guaranteed to be a non-intoxicating stimulant, and it will, in nearly every case, take the place of all liquor, and at the same time absolutely kill the desire for whiskey and other intoxicating beverages.

Rev. G. W. RICE, editor of the *American Christian Review*, says of Brown's Iron Bitters:

Cin., O., Nov. 16, 1881. Gents:—The foolish wasting of vital force in business, pleasure, and vicious indulgence of our people, makes your preparation a necessity; and if applied, will save hundreds who resort to saloons for temporary recuperation.

BROWN'S IRON BITTERS has been thoroughly tested for dyspepsia, indigestion, biliousness, weakness, debility, overwork, rheumatism, neuralgia, consumption, liver complaints, kidney troubles, &c., and it never fails to render speedy and permanent relief.

Dr. Van Hummell, Principal Physician and Surgeon of this Infirmary has an office at 3rd house South of Valley House, on West Temple, Salt Lake, and at the urgent request of his many patients has decided to remain during the Fall months.

Dr. Van Hummell's success in these diseases stands unrivaled, and he openly defies the medical profession to produce a physician or institution that will equal him in showing as great a proportion of genuine living cures.

He has successfully treated more cases of these diseases than any other physician in the world.

His cures are scattered all over the United States, as his testimonials will show.

Dr. Van Hummell has been in Salt Lake but one month. To show how highly his professional skill is appreciated here, he refers to the following well known citizens who have some member of their families under his care:

His Honor Mayor Jennings. Col. Lee J. Sharp, Attorney. Judge U. J. Wenner, Attorney. Mr. Jas. C. McCaddon, Agt. D. & R. G. Express Co. Mr. Lewis Stigler, Leader Fort Douglass Band. Col. G. L. The above are the results of neglected and mistreated Catarrh. Below follow the results of Dr. Van Hummell's treatment of Nose, Ear, Throat and Lung Diseases.

The Doctor has taken an office on West Temple Street, third house South of Valley House, Salt Lake City.

Letter from Judge Wenner, Office over London Bank:

SALT LAKE CITY, UTAH. August 23, 1883.

Dr Van Hummell: I take great pleasure in certifying to the efficacy of your treatment for Nose, Ear, Throat and Lung Diseases. I attribute my rapid restoration to what I consider permanent good health to the treatment I received at your hands in 1879, and I unhesitatingly recommend your treatment to all afflicted with Catarrh, Throat or Lung Disease. Very truly yours, U. J. WENNER.

Nasal Catarrh Cured.

Dear Doctor: I have been troubled with Chronic Nasal Catarrh for the past ten years. I am happy to state that your treatment was entirely successful in my case. If by publishing this you can influence others suffering with this dreadful disease to try your skill, you are at liberty to do so. Because the physicians who can cure this disease are very scarce, and when one is found skillful enough to succeed, I think the public should know it. I remain yours, STEPHEN B. LEYBOURNE, Corner First South and Third West.

From Mr. Warren Hussey, former banker of Salt Lake, owner of Jay Gould Mine, Bullion, Idaho.

DENVER, COL., August 2, 1878.

This is to certify that I have been for many years a great sufferer from nasal and bronchial catarrh, the pain from it in my head and eyes being at times almost unbearable. I have tried many doctors and remedies, with temporary relief from some, growing gradually worse, until last winter, being in a very bad condition, I consulted Dr. Van Hummell and put myself under his treatment. From the first week my head and throat were relieved, have not had a headache—they were the bane of my life—since he began with me, and now I remain entirely well.

I write this for the benefit of like sufferers who may be seeking relief and urgently recommend them to give Dr. Van Hummell a trial. The benefit I had from his treatment is invaluable, and I know of many others he has treated equally successfully. WARREN HUSSEY.

The Cure is Permanent.

From a prominent capitalist, former owner of the Golden Terra mine, Black Hills:

DENVER, Col., March 6, 1879.

Dr. Q. Van Hummell, Dear Sir: I am happy to inform you that the catarrh and throat trouble for which you treated me over a year ago has not returned. I consider the cure permanent. Yours gratefully, J. W. BAILEY.

Dr. Van Hummell's professional qualifications attested to by one of the first men in America, Ex-Gov. T. A. Hendricks:

INDIANAPOLIS, Ind., Oct. 30, 1877.

Governor Irwin: Understanding that you will be called upon to fill a vacancy in the State Board of Health, I take pleasure in recommending Dr. Q. Van Hummel for the position. Dr. Van Hummell was a long resident of this city, and a very near neighbor and friend of mine. He makes the treatment of Nose, Ear, Throat and Lungs and other Chronic Diseases a specialty and therein has been very successful. But he is also well learned in his profession generally. He is a gentleman of excellent habits and character, and would prove a valuable member of the Board. With great respect. Yours, etc., T. A. HENDRICKS.

INDIANAPOLIS, Ind., Feb. 19, 1874.

My Dear Doctor: You are entirely at liberty to use my name as one of your many references. Your skillful treatment of my wife, now nearly a year past, has entirely cured her of severe catarrh and cough, from which she suffered much for many years. Very truly yours, JOS. C. TALBOT, Bishop.

Consultations in person or by letter free and invited. Hours from 9 to 3 and 7 to 8 evenings, Sundays excepted.
