### BIG TREE EN ROUTE FOR THE WORLD'S FAIR.

A Wonderful Cave Discovery in Shasta Valley.—Underground Passage Nearly a Mile Long.

*S. F. Chronicle*—The plant of the Calistoga Wine and Distillery Company, George Long, proprietor, with branches in Calistoga and this city, has been seized by Revenue Collector Quinn, and the property is now in the keeping of Government officers. The cause of the seizure was a number of flagrant violations of the revenue laws committed by the company and discovered by the revenue agents after a notably clever investigation extending over a period of several months. The seizure will be a genuine surprise to wholesale liquor dealers, some of whom have suffered by the advantage which the company's fraudulent methods have given it over its law-abiding competitors in business.

*Sisson Mascot.*—In the southeastern part of Shasta Valley, not far west from Sheep Rock, is a great cave. A party of Sisson people from Montague visited and explored it a few days since. It is a great "hole in the ground," ...

# WHAT IS A GUARANTEE?

Many merchants and salesmen are in the habit of indiscriminately "guaranteeing" their wares with no thought of being called upon to make the "guarantee" good. It is a pernicious and foolish custom more respected in the breach than in the observance.

A guarantee, to have any value, should be made with knowledge of the meaning of the word and a set purpose to carry out the terms of the guarantee. On fine tools the makers instruct us to warrant, and we replace any tool found imperfect in use.

We have used our best judgment, acquired by a considerable experience, in selecting the following items for our stock and sell them to our customers with an absolute guarantee that if they do not prove to be all that we represent them, we will refund the purchase money in full.

"Jewel" Steel Range. A finished article, perfectly proportioned, made of the best material. Don't fail to see it. It will pay you.

"Quick Meal" No Generator, Evaporating. Light it as you do your gas burner. No smell. No danger. No complication. Every objection to the use of a Gasoline Stove done away with. Think of the discomfort missed in Summer by avoiding the heat of a big Kitchen Range.

"Superior" Cooks and Ranges. Superior as bakers. Superior in economy of fuel. Superior in design. Superior in construction. Superior in everything that goes to make a perfect cooking apparatus.

The "Foote Refrigerator." An ice saver. A Health promoter. Cellular stone lined. What is that? Investigate it. It will more than repay you.

Our stock of Builders' Hardware, House Furnishings, Garden Hose, Lawn Sprinklers, Lawn Mowers, etc., is complete in every detail.
