Coalville News.

Coalville, Dec. 30, 1897.

To the Editor:

As we predicted in a former letter, the cantata and concert given Tuesday night last, under the auspices of the Sabbath school of this place, which was held in the Stake tabernacle, was a musical treat rarely witnessed in this part, and a financial success; about $125 over and above expenses being realized from sale of tickets. A portion of this amount is to be met as a present from the Sabbath school to the missionaries abroad in the world from Coalville, with the compliments of the season. The pupils under the tuition of Prof. Ivins, efficient superintendent, presented the Kingly Guest in a very pleasing and creditable manner. Besides this successful presentation, Superintendent Board secured professional talent from Salt Lake City, Messrs. Willis, Ashworth, Patrick, Sabbaty, Christopherson and Clawson, who presented some vocal and instrumental selections to the appreciation of the audience to the extent that every number was roundly encored. At the close of the entertainment a dance was given in A. O. W. hall, which was packed to its utmost.

11 o'clock p. m. of the same day the funeral services of one of our respected townsmen, Lorenzo W. Williams, was held in the Stake tabernacle, President W. W. Cluff and Elders T. L. Allen and E. H. Ihead were the speakers. Deceased leaves a wife and six children to mourn his loss, and they receive the sympathies of the entire community. The city council, of which he was a member, adopted suitable resolutions of condolence.

At the usual city council meeting the month report of the sexton, the city marshal and the treasurer were read and approved. The treasurer's half yearly report was read and referred to a finance committee, as was also the yearly report of the street supervisor. The committee on city survey reported finding and on its recommendation the balance due, of $25, was ordered paid.
