The Marked Success

of Scott's Emulsion in consumption, scrofula and other forms of hereditary disease is due to its powerful food properties.

Scott's Emulsion

rapidly creates health's flesh—proper weight. Hereditary taints develop only when the system becomes weakened.

Nothing in the world of medicine has been so successful in diseases that are most menacing to life. Physicians everywhere prescribe it.

Hood's Cures

Numerous Boils

And Catarrh in the Head

Mr. W. L. Parker
Roseburg, Oregon.

"I feel that it is impossible for me to say too much in favor of Hood's Sarsaparilla. I was a great sufferer from impure blood and catarrh in my head. My complaint came in pimples and boils, and I suffered from numerous boils.

Again Beyond Description.

When I began to take Hood's Sarsaparilla I had six or seven, and now I will go a year without one. I have been free from pimples for two years. I have been free from catarrh for a year and a half. I have taken three bottles of Hood's Sarsaparilla and I believe it to be the best blood purifier in the market."

Hood's Cures

Hood's Pills cure all liver ills, biliousness, jaundice, indigestion and headache.
