SUNDAY SCHOOL JUBILEE

Utah State Board Making Earnest Efforts to Insure Its Success.

Other Ogden Gossip—Mrs. Hood Wins Suit—Board of Education—Interesting News Notes.

The December big week, it will be just as it was when the first Sunday school was held in the Rocky mountains. It was commenced by the late Richard Ballantyne. To commemorate the event a public celebration will be held in Ogden, December 16th, 1899, morning, afternoon and evening. It is hoped that a program has been arranged by the Lesser Priesthood school board to be carried out in each Sunday school throughout the Church on that date.

The board of the Weber Stake have taken the jubilee matter up with enthusiasm, and are pushing it to success in every respect. It is proposed to have a large choir, and a badge for the occasion to be worn as a souvenir; a little badge for the children, and the elders and teachers and blue for the sisters. These badges are to be worn all day and evening, and be used each year, and made a worthy souvenir of the occasion.

The morning part of the program is under the direction of Prof. Joseph Ballantyne, who has arranged for a concert to be held in the various Sunday school districts. Weber Stake has been divided into districts, and the director is singing and some one else is to make the music of the occasion, so as to make it a great success.
