NATIONAL GUARD IN MATCH SHOOT

Company B of Ogden Wins Over Signal Corps in Telegraphic Meet—Good Scores Made.

In a telegraphic indoor rifle meet between the Signal Corps and company B of Ogden, held Tuesday evening, the Ogden team won by a score of 467 to 458. The meet was the first of a series to be held and as there is considerable interest taken in marksmanship among the members of the guard, the contests promise to be highly entertaining.

The shoot Tuesday evening was the first for the Signal Corps but the members made a fine showing and with a little practice will be hard to beat.

The first series was standing, the second kneeling and the third lying, all at a distance of 20 feet from the target. The rifles used were .22 caliber. Sergt. C. W. Wilson of the Corps made the highest score, getting 49 out of a possible 50. The score follows:

BLACK BEAR KILLED ON THE STRAWBERRY

(Special to The News.)

Provo, Nov. 17.—Joseph and Henry Allen of Mapleton were visitors here Tuesday, having returned from a hunting trip on the Strawberry. They brought with them, as a trophy of the hunt, the carcass of a 400-pound black bear which the brothers killed. Bruin was rather savage and put up a fight for about five minutes. The bear got a broken leg but was after Henry Allen when Joseph fired the shots that laid the bear low. The Allens killed three deer.

LAFAYETTE TEAM DEFEATS OQUIRRH

The Lafayette school eighth A basketball team defeated the Oquirrh five Tuesday afternoon and thereby won the eighth A championship of the city. The score was 3 to 2, the winners outplaying their opponents decisively. The teams lined up as follows:

Lafayette		Oquirrh.
Hunt	L.F.	Golding
Burdett	R.F.	Jacobson
Dodds	C.	Hudson
Yates	L.G.	Wolfe
Walkins	R.G.	Price

Mitchell, referee; Worton, umpire.

The school championship will be settled Friday between the Lafayette and Poplar Grove fives.

WASATCH GIRLS ARE CHAMPIONS

The Wasatch school girls' basketball team captured the city championship Tuesday afternoon by defeating the Poplar Grove team. The latter won the east side championship and the former captured the east side championship. During the season the Wasatch team has defeated the following teams: Oquirrh, 8 to 0; Sumner, 15 to 3; Lafayette, 8 to 8, and the Poplar Grove team, 11 to 5.

The girls composing the victorious team are: Madeline Broubay, Eva Johnson, Beatrice Bussman, Beatrice Daly, Margaret Roy and Pearl Hudson.

BASKETBALL TEAMS.

Coach Moss of the Granite high school intimates that that institution will be represented by two strong basketball teams this season. He has about 100 to draw from and as the game is by no means a strange one to members of the school it is quite certain he will be able to form two strong teams.

OGDEN MEETING IS CALLED OFF

Owing to continued bad weather and the falling off in attendance, Manager J. H. Murray of the Ogden race meet decided Tuesday to call off the races in the conclusion of the day's program. Although the races have been good the attendance has been extremely poor and the venture was a losing one. Murray had met the scheduled 13 days in spite of the numerous difficulties he was confronted with.

LEGISLATION TO PREVENT FOOTBALL

Washington, Nov. 17.—Legislation to prevent brutality in football and possibly to actually prohibit the playing of the game, is likely to follow the mortality which has marked contests this season. The district commissioners now have the corporation counsel at work on the subject, and, if the situation cannot be handled by a police regulation, Congress will be asked to pass a bill which the district commissioners will draft.

STEVE PHILBIN, YALE'S FIND OF 1909 SEASON, MAKING A KICK FOR GOAL.

Now that the real championship football games are at hand the work of the players is being watched more closely than ever. In fact, it is on the play of the men in these games that the experts select the material for an all American team. While the Yale-Princeton, Harvard-Yale games will no doubt furnish several for the all star team, there is one modest, big boned youth named Stephen Philbin who is counted upon to do big things for Yale in both the Princeton and Harvard football games if injury does not overtake him, who is at present assured of a place on the team. No man on the Blue squad has improved so much in all round play since last year as this sterling halfback, who plays without any flourish, because he believes in driving hard all the time and getting on the road to a touchdown with a bound. He is easily the equal of Coy in line breaking and broken field running. And he got there by hard work, which included a close study of the game and sensible experiments in many hard struggles. There are few players on the gridiron today who can equal Philbin's "straight arm" interference that bowls over a player just when the latter believes he has the flying man within his grasp. When Yale's new star dashes through a broken field he leaves a crooked line of opposing players in his wake. The fallen idols look as if they did not know exactly what they had tried to tackle. They are not injured, because Philbin is too scientific to do them harm, but they are so thoroughly put out of the running that there is nothing left for them to do but struggle to their feet and try to do better next time. All Yale hails the well timed arrival of Coy with great joy. With Philbin and Coy as running mates the New Haven eleven has a back field pair that can rip things up more thoroughly than any other backs in the country, not barring even the fast representatives of Harvard.

BROWN APPOINTS HIS COMMITTEES

New York, Nov. 17.—Everett Brown, the new president of the Amateur Athletic association, has appointed his full list of committees and will start for his home in Chicago in a few days. Among the important changes in the rules to govern athletic contests in future, as announced by President Brown, is one that athletes competing in running races of more than five miles must first undergo a physical examination.

Another rule declares that in hurdle races no hurdle shall be allowed unless the hurdles remain standing after the competitor has cleared them, and any competitor knocking down three or more hurdles shall be disqualified. Heretofore it has been necessary for a hurdler to clear all the hurdles in order to be credited with a record. A special committee has been appointed to design rules for the safeguarding of hammer throwing.

AMERICAN LEAGUE ANNUAL MEETING

Chicago, Nov. 17.—Dec. 15 has been fixed as the date for the American league's annual meeting, and it will be held in New York this year the same as last, concurrently with the National league's business session, already announced to begin on Dec. 14. The announcement was made yesterday by President Ban Johnson.

As the younger league has fewer cases on its docket than its rival it was figured it could start a day later than the National and still be in convention at the same time in the event concurrent action on any matters of importance to both leagues is found advisable.

DWYER IS STARTER AT OAKLAND

New York, Nov. 17.—The officials who will preside at the four winter tracks will include Will Shellay, Jockey and Mars Cassidy, starter at Juarez; Edward Hopper, judge, and Dwyer and Holtman, starters at Oakland or Ingleside; Joseph Murphy, judge, and H. D. Brown, starter at Jacksonville, and A. B. Dade, starter at Tampa.

Richard Dwyer is the starter who officiated at the spring and fall meetings of the Utah Jockey club.

CHAMPIONS ARE ON ONE NIGHT STANDS

Jeffries, Gotch, Berger and Others Form Combination and Travel Over the Country.

New York, Nov. 17.—A combination consisting of James J. Jeffries, Frank Gotch, Sam Berger and other professional athletes, has left here for a tour of at least three weeks of one-night stands, appearing for the first time tonight at Atlantic City, where Jeffries and Berger will box and Goten will wrestle all comers. H. H. Frazee of Chicago is back of the tour and is said to have contracted to pay Jeffries an enormous salary. Jeffries will leave the combination long enough to be in New York on Dec. 1, at the opening of the bids for the Jeffries-Johnson fight. If this is successful in the east the tour will be extended to the west.

FLYNN-KETCHEL FIGHT MUDDLE

Los Angeles, Nov. 16.—Stanley Ketchel, middleweight champion of the world, will be in Los Angeles the middle of December to start training for his scheduled 10-round fight with Jim Flynn before the Pacific Athletic club at Naud Junction.

Promoter T. J. McCarey last night mailed the articles of agreement to Ketchel's new business manager, John H. Ryan, at 105-A Golden Gate avenue, San Francisco.

Ketchel will first go to Mendocino county for a short rest. After his fight with Flynn, win or lose, Ketchel will travel to New Orleans, and from the Crescent City the Assassin will go to New York, Philadelphia and Boston, where he expects to play ring engagements.

The date for the Ketchel-Flynn fight has not been set. McCarey will suggest that an afternoon battle be staged on New Year's day. If this program goes through, the Ketchel-Flynn bout will be the second daylight fight ever held at Naud Junction.

Efforts to some quarters to throw ice water on the Ketchel-Flynn bout caused the local magnate to burn up the telegraph wires yesterday.

"The match is all O. K., just as I first announced it," said McCarey. "Ketchel answered, confirming everything, and asking that the articles and an expense check be sent him immediately. I have complied.

"I judge that Ketchel is sore at some of his San Francisco critics, as my information is to the effect that he will never fight in that city again."

Flynn, overjoyed that the match is on, will go to Marrieta or Wheeler's for a rest. Jim received an offer last night from an Oakland promoter of $1,000 to meet Gunboat Smith. He declined.

KETCHEL DENIES IT.

San Francisco, Nov. 16.—Stanley Ketchel denies absolutely the stories that he has secured a manager in the person of a chap named Ryan, or that he has signed for a 10-round fight in Los Angeles before Tom McCarey's club with Fireman Jim Flynn. The middleweight champion of the world says he does not know the man who it has been stated is his manager, and that he has had no dealings with Tom McCarey for a fight with Flynn.

"I don't know where all these stories come from," he said last night, "and I wish you would deny them for me. I don't know this fellow they say is my manager, and there are plenty of men with a bank roll I could name for the job if I wanted a man. But as I have said, I know more than half of the so-called managers.

"There is nothing to the story that I am going to fight Jim Flynn in Los Angeles. I am not going to fight anybody for several months."

YALE-HARVARD GAME SATURDAY

Arrangements Complete for Final Gridiron Contest of the Season—Blue Is Favorite.

New York, Nov. 17.—Arrangements have been perfected for the final game of the regular football season in the east, the Yale-Harvard game to be played at Cambridge on Saturday. Not in recent years has there been an athletic contest in which greater interest has been shown. Tickets for all of the 27,000 seats in the Harvard stadium have been issued, and requests for 12,000 more have been refused because of insufficient seating capacity. All of the seats have been distributed through the alumni of both universities.

Yale is ruling a slight favorite in the New York clubs, because of the remarkable showing it has made this season and because of the general opinion that the team this year is the fastest and strongest Yale has developed in many years. Indications now are that all of Yale's best players, including Capt. Coy, who was believed to have been injured, will be in the game Saturday.

SULLIVAN MEETS "BIRD LEG" COLLINS

R. A. Grant, the theatrical man, has succeeded in matching Pete Sullivan and Bird Leg Collins (colored), for a 20-round fight to take place at Ogden during the woolgrowers' convention on Jan. 7. The men agree to fight at 138 pounds at 2 o'clock. The articles of agreement have been signed and the principals will now settle down to business and train for the go.

NO RECORDS BROKEN IN AUTO RACES

San Antonio, Tex., Nov. 16.—No records were broken today by those contesting in San Antonio's three-day automobile meet. De Hymel, in his Stoddard-Dayton, finished first in two events. In the last race De Hymel was forced to the bank, but was not injured. He entered a protest.

Results (track three-quarters of a mile):

First race, six lans—Buick "10" (Grinnon), won; Chalmers-Detroit "30" (Johnson), second; time—4:46 4-5.

Second, eight lans—Stoddard-Dayton (De Hymel), won; Darraco (Kirscher), second; time—5:53.

Third, ten lans, stock chassis—Stoddard-Dayton (De Hymel), won; Jackson (Clark), second; time—8:40.

Fourth race, time trial for track record of :32 3-5 with flying start, held by Oldfield-Benz (Oldfield), first; time—:34. Buick (Burman), second; time—:37 2-5. Buick (DeWitt), third; time—:38 4-5.

Fifth race, 15 miles, free-for-all—Buick (Burman), won; Jackson (Clarke), second; time—14:26 2-5.

BILLY PAPKE NOW CLAIMS THE TITLE

Kewanee, Ill., Nov. 17.—"I'll meet Stanley Ketchel for the light-heavyweight title if he wants a bout. He can't make the middle limit any more, and I claim I'm champion. But I'm ready to box for middleweight honors or the light-heavyweight title."

This was the expression of opinion made by Billy Papke when he heard that Stanley Ketchel had moved up another class and was now seeking light-heavyweight honors. Papke denies his right even to this position.

Papke has been training here for some time and is now in good shape. He says that he has not an ounce of extra weight on him, due principally to continued work in the open air. He has made road work and open air gymnastics a leading form of exercise since his return.
