SANFORD'S RADICAL CURE For CATARRH

INSTANTLY RELIEVES.

5,000 FEET ABOVE THE SEA.

The following testimonials are from Messrs. J. O. Benworth & Co., Denver, Col., large and influential druggists. They report unprecedently large sales and universal satisfaction. No other disease is so alarmingly prevalent in that region. They speak of the following gentlemen as among their best citizens:

SORELY AFFLICTED.

J. O. Benworth & Co., Denver, Col.: Gentlemen,—Prompted by a fellow-feeling for my fellow-citizens with Catarrh, I hold my testimony to behalf of SANFORD'S RADICAL CURE FOR CATARRH. I have been sorely afflicted with this fearful disease for four years, and have tried every known remedy without avail, until I bought a bottle of the above CURE from you, which gave me almost immediate relief. It is not a contemptible nostrum, but is a local remedy. I believe it to be all that is claimed for it, a Radical Cure for Catarrh. Very truly yours, WM. AMETIVE. Denver, Sept. 21, 1877. with Jones, Blake & Co.

GREATLY AFFLICTED.

Messrs. J. O. Benworth & Co., Denver: Gentlemen,—I take pleasure in recommending SANFORD'S RADICAL CURE FOR CATARRH to all who are afflicted with this disease. I was greatly afflicted with it for a long time, and tried in vain twenty-five of the above CURE. About a year after wards I was again taken with Catarrh in my head, and procured another bottle, which cured me all right, giving me relief from the first dose. I am confident that this is a cure, as it is claimed for it, and more too. Wishing you success in its introduction, I am very truly yours, J. M. SMITH. Denver, Oct. 6, 1877. of Smith & Bell.

TRIED EVERYTHING.

Messrs. J. O. Benworth & Co., Denver: Gentlemen,—I have used SANFORD'S RADICAL CURE FOR CATARRH, and it has given perfect satisfaction. I have tried almost everything, and it is the only thing that has done me good. I therefore take pleasure in recommending it to all to all afflicted with Catarrh in any kind, hoping this may be my testimony to your success. Very truly, W. C. DECKER. Denver, Oct. 1, 1877.

REV. J. H. WIGGIN SAYS:

One of the best remedies for Catarrh, say the best remedy we have found in our practice of medicine, is SANFORD'S RADICAL CURE. It is so agreeable to take through the mouth, and there comes with each bottle a small glass tube for use in inhalation. It clears the head and throat so thoroughly that, taken each morning on rising, there are no unpleasant sensations and no disagreeable hacking during the entire day; but an unprejudiced observer of its effects and results would say it is a specific. —Rev. J. H. Wiggin, in Methodist Union, Denver.

Each package contains Dr. Sanford's Improved Inhaling Tube, with full directions for use in all cases. Price, $1.00. For sale by all Wholesale and Retail Druggists throughout the United States and Canadas. WEEKS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.

Wool Market.

BOSTON, 13.—In wool the improvement noticed last week continues, the demand being active for nearly all grades of domestic, with large transactions, amounting to upwards of 2,500,000 lbs. for the week, and a very firm market. The new clip from the west has been arriving quite freely. The prices compared with current rates in the interior are comparatively low, and it is not surprising that manufacturers have been disposed to purchase more freely than for some time past, especially as a lower range of prices can scarcely be looked for at the present. All the new wool houses here are free sellers at current rates. Sales include Ohio and Pennsylvania fleeces, No. 1, X, XX and above 36 @ 38; Michigan fleeces, No. 1 and X 35 @ 36; Wisconsin and Indiana, 35 @ 36. Washed, combing and delaine fleeces, 38 @ 43; unwashed combing 28 @ 30. Territory 20 @ 28, Texas 19 @ 27. Superfine and X pulled 30 @ 32, stocked 56 @ 70. California in demand, pulls steady and firm; sales 358,000 lbs. of spring at 20 @ 30. The only sale of fall was 5,200 lbs. at 23.

Hot Weather—Disease from Sunstroke.

ST. LOUIS, 13.—This has been the hottest day of the season, the mercury ranging between 3 and 4 o'clock, from 90 to over 100 in the shade. Nearly 30 cases of sunstroke are reported at the City Dispensary and hospitals during the day, and fully as many more have probably occurred of which the authorities have no record. Nearly every physician can report from one to three cases in his private practice. Sixteen deaths have occurred, to-day, from this cause alone, and 22 burial permits.

The Potter Investigating Committee.

WASHINGTON, 13.—The witness, answering questions, said Governor Packard visited East Feliciana shortly before the election, and told witness that it would probably be lost to the republicans through intimidation. It was reported that many negroes, with bands and flags, went to the polls and enthusiastically voted the democratic ticket there. Witness did not know this. It may have been a fact that the republicans stood around the polls, and, when invited to vote, refused to because they had no printed tickets. Anderson was the only man who said to the democrats that if they had conciliated the negroes their parish would be thrown out. Anderson protested according to the fact; and although he now denies it, yet he nevertheless did make a protest and his denial is probably made for a consideration. Witness explained at length the objects which the intimidators hoped to gain, and said they were determined to overcome the negro majority as it had been overcome in other States. They endeavored to conciliate in some instances, but their conciliation was usually of the shot gun kind.

Hiscock said Butler's remark characterized the whole purpose of the inquiry.

The chair decided that it was proper to show that the only qualification for office of these men was that they had been fraudulently connected with the election.

Witness said he believed all were appointed because of their abilities and competency, except James E. Anderson. He believed there were more efficient, active and consistent republicans engaged in that campaign who should receive appointments. After much more questioning, during which few facts were elicited, the committee adjourned till July 23d, to meet at Atlantic City, N. J.

The Walking Match.

CHICAGO, 13.—The walking match, in which Daniel O'Leary challenged Schmehl to walk 250 miles while he walked 275, came to a close this evening. Schmehl won, having completed the 250 miles at 9.50 while O'Leary did not finish his 275 miles until 10.50.

Seizure of Tobacco.

LOUISVILLE, 13.—The government officers, yesterday, seized the tobacco factory of S. M. Guarrant, in Calloway County. Government claims that large shipments of tobacco have been made without the payment of taxes. Amount seized is about 25,000 pounds.

WESTERN.

The Indian Hostilities—Fighting—Pillaging—Burning.

SAN FRANCISCO, 13.—A Portland dispatch says: The following startling news is just received here from Pendleton, dated the 12th, from B. Kenny: The dispatch is directed to Gov. Chadwick: Yours just received; will try and get an escort for the wagon in the morning. We have been having exciting times here to-day; The hostile Indians are in force on the reservation. George Coggan, of Portland, and Al. Bunker, of La Grande, were shot this afternoon, about six miles from here, on the stage road to Cayuse. Coggan was killed; Bunker is supposed to be mortally wounded. F. Foster was with them and only got away by luck. Bunker rode with him for about two miles after he was shot and he was compelled to leave him. Foster gave us the news, and we started a team with fourteen men as an escort to go for Bunker. They got as far as Wincumsmoot's farm, when they were attacked and compelled to return after exchanging shots. The Indians are about 150 strong. The Umatillas are undoubtedly fighting with them. Major Connoyer was with the party attacked. They think they killed one Indian as he was seen to fall from his horse.

The Cayuse house was pillaged and burned. Our stage station was not burned at dark. Captain Miles' command will reach the agency to-night. His soldiers are all very much exhausted, and should they go into the agency thinking the Umatillas are all right they may get the worse of it. Our families are at the mill and court house and the town is well guarded.

Colonel Eflinger of this city just received the following dispatch from Governor Chadwick:

Umatilla, 12.—I have made a call for 300 volunteers. See that Sears has men not so much for number but for courage, activity and endurance. Short work for the boys. I will get the balance here.

Captain Sears, of Portland has just received the following: Umatilla, 12, 8 a.m. Come at once, as you propose. I have guns at Vancouver now. Will get them. S. F. CHADWICK.

The governor's proclamation calling out the volunteers in substance recites the condition of affairs; that all friendly Indians will go to the hostiles whenever they find they can be successful against the whites; that all friendly Indians, with few exceptions, are midnight allies of the hostiles and aid them in removing stolen stock and plunder; that their promises of friendship cannot be relied upon, that they have misled settlers and soldiers, and have acted as spies and scouts for the hostiles. He further cautions the volunteers against doing any act not justified by the custom governing modern warfare. The men will all be raised in eastern Oregon. Governor Ferry, yesterday, dispatched Governor Chadwick that he could have guns now from Vancouver on his allowance. A large number of freight wagons are on the road four miles above Cayuse station. Men and horses have gone and the road is dangerous. The following letter has just been received at Umatilla by Governor Chadwick, by courier from Pendleton: The troops under Capt. Miles are now fighting about two miles above the agency with the Indians, and have been fighting for the last two hours. The Indians are on the river near their general camping place. Almost all the Umatillas are supposed to be in the fight.

Al. Bunker has just got in. Coggan has not been found yet. Should the Indians get the best of Captain Miles, we will all undoubtedly have to fight. There are over 100 men here who have no arms of any kind.

Helena, M. T., 13.—Two miners, John Myers and John Lynch, were killed last week on Elm Creek, M. T. Indians are believed to have committed the deed. Elm Creek is on the line of Cadott's Pass, near where two men, previously reported, were killed. Considerable apprehension is felt by ranchers and stockmen on the road from here to Fort Benton. Governor Potts has just returned from a visit to Ten Day, chief of the Bannacks, at Lemhi agency, and reports the Bannack Indians peaceably disposed.

Deer Lodge *New Northwest* special says: Philipsburg, Mont., 12th, midnight—Indians passing through murdered Wm. Joy, on Boss Fork, Rock Creek. Jack Hayes and Amos Elliott are also supposed to have been murdered at the same time and place. It is believed to be the same Indians who murdered the men on Dearborn River and Elk Creek. They are probably returning Nez Perces.

A Baker City, Oregon, dispatch says: The hostiles have made their appearance on Clover Creek, a tributary of North Powder River. Captain Vivian's company of Egbert's command, while scouting yesterday in that direction, captured seven Indians, eight squaws and some children, and some 20 head of horses. After a vigorous pursuit, 30 or more of the hostiles escaped. The scouts from Meacham's report a large trail through Blue Mountains, passing toward Snake River, made early yesterday morning. Egbert's command is ordered to Fayette country to watch for the returning hostiles, who are evidently moving towards the Idaho and Salmon River country as fast as possible. Sanford's command is ordered to join Miles' in Fly Valley, near Daly ranch, and then follow on the trail of the Indians north. The prisoners captured yesterday are now on the way to Fort Boise under Egbert's escort.

GERMANY.

The Peace Congress—The Treaty Signed.

BERLIN, 13.—The congress held its last sitting to-day. The proceedings began at 2.30 and ended at 4. The treaty was signed by all the plenipotentiaries alphabetically. The secretaries attended previously at 1 o'clock in the afternoon to affix the plenipotentiary seals to each copy. After the signature, Count Andrassy warmly eulogized Bismarck's presidency. Bismarck thanked the plenipotentiaries for their indulgence and the proceeding terminated with a grand court dinner this evening at Whitehall Palace. The Crown Prince Frederick William congratulated the illustrious statesman upon the realization of his hopes—that the blessing of peace crowned their efforts. He declared that Germany's cooperation can be counted on for all that tends to secure and preserve this great benefit. He proposed the health of the plenipotentiaries or the sovereigns of the governments who, this memorable day, signed the treaty of Berlin. The only absentees from the banquet were Lord Beaconsfield and Prince Gortschakoff. The German semi-official press publish long paeans of rejoicing and and triumphing over the signature of the treaty of peace.
