AGRICULTURAL LECTURES.

Dr. Frederick and Prof. Ball Talk to Farmers—Ward Conference.

Special Correspondence.

Smithfield, Cache Co., March 26.—Last Friday evening Dr. Frederick and Prof. Ball of the A. C. were here and addressed the farmers of Smithfield. Dr. Frederick gave an instructive talk on the care of the horse, his ailments and their remedies.

Prof. Ball spoke almost entirely of apple raising and showed how the codling moth could be almost exterminated by spraying. To be effective the spraying must be done within 10 days from the time the blossoms fall and once later. This was sufficient especially after the first year or if the orchard was one-fourth of a mile from other orchards.

Yesterday at 10 a. m. and 2 p. m. ward conference was held, President Alma Merrill being in attendance. The reports showed the ward to be in a good condition. The officers were unanimously sustained.

Suffered Twenty Years With Indigestion. Cured by Kodol Dyspepsia Cure.

OFFICE OF

The Prison Commission of Georgia

JOS. S. TURNER, Chairman. TOM EASON, Commissioner. CLEMENT A. EVANS, Commissioner.

GOODLOE YANCY, Secretary. J. C. MOORE, State Warden.

ATLANTA, August 10, 1904.

E. C. DeWITT & Co., Chicago, Ill.

Dear Sirs:—"I have suffered more than twenty years from Indigestion. About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach. My heart would beat so fast I could not sleep, at times I would almost draw double with pain in the pit of my stomach. I lost twenty-five pounds; in fact, I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol Dyspepsia Cure. I consented to try it to please him and I was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity will be benefited."

Yours very truly,

Jake. L. Moore

Kodol Dyspepsia Cure is the only digestant or combination of digestants that will digest all classes of food. In addition to this fact, it contains, in assimilative form, the greatest known tonic and reconstructive properties. All other digestants and dyspepsia remedies digest certain classes of food only, and are lacking in reconstructive properties.

Kodol Dyspepsia Cure is prepared at the laboratory of E. C. DeWitt & Co., Chicago, and is sold by leading druggists everywhere.

Robbing Yourself

That is just what you are doing when you fail to get regular and sufficient sleep. Your body requires this unconscious period for repair work; without it your nerve energy becomes exhausted, and you are tired, worn-out, nervous, excitable; have headache, neuralgia, indigestion, poor appetite, or other ailments caused by a lack of nerve force. Make it your business to sleep. If you are restless, take Dr. Miles' Nervine; it soothes and strengthens the nerves, and brings sweet, refreshing, life-giving sleep, and gives the organs power to work naturally. Try it to-day.

"I had a severe spell of fever, which left me in a very weak condition and very nervous. I had severe spells of headache and neuralgia, and could sleep but very little. Every effort that was made to recover my strength was of no avail until I began taking Dr. Miles' Restorative Nervine. After I commenced to take the Nervine my sleep was profound and restful, and the pains in my head, as well as the neuralgia pains, left me to a certain extent and I grew gradually better."

WILLIE HOPPE TRIMS SLOSSON.

Boy Wonder at Billiard Cue is Still Champion of the World.

THREE THOUSAND SEE GAME.

Side Bets and Gate Receipts Raise Fund of Over $5,000 for Winner.

New York, March 27.—Willie Hoppe, 19-year-old champion billiard player of the world, successfully defended his title, which he won from Vignaux in Paris three months ago, by defeating George Slosson, the veteran player of this city, tonight. The final score was 500 to 392, in favor of Hoppe, who, in addition to retaining the championship trophy, won a side bet of $500 and the net gate receipts, which will amount to over $5,000.

Most of the well known amateur and professional billiard player in the eastern states saw the game, which from the outset was somewhat disappointing, as neither of the contestants played up to the form which they showed in their practise exhibitions. Hoppe, however, proved to be Slosson's master after the twelfth inning.

MONEY FOR WINNER.

The seating room of the big hall in Grand Central palace, estimated at 2,100, was filled quickly and standing room was at a premium. Over 3,000 persons saw the match, which was for $500 a side, the world's championship at 18-1 balk line billiards, the championship emblem and the net gate receipts.

Hoppe won the "bank." He selected the white ball and led off with a miss. Slosson also failed to score and Hoppe followed suit. Slosson with a single carom broke the ice, but missed a seemingly easy three-cushion shot. Hoppe scored one in each of the third and fourth, and Slosson added one more in the fourth. Hoppe then made a run of twenty-one, which included a brilliant four-cushion gathering shot.

WON FROM TWELFTH.

Slosson got the balls in nice position and soon ran up twenty-one one tieing the score. With a beautiful piece of nursing Slosson ran on to sixty-one, missing on a simple single cushion carom.

Hoppe only added six to his score, slipping up on a short draw. Slosson contributed thirteen more, falling down on a short draw also. After several pretty gathering shots, Hoppe missed a single cushion attempt after scoring sixteen caroms. Slosson made one in the seventh inning and Hoppe gathered in fourteen. Slosson failed to count in the eighth, and Hoppe added twenty-two to his string in the ninth, making his total eighty-one to Slosson's seventy-seven. Slosson tied the score and passed Hoppe again with six open table caroms. Hoppe passed the 100 mark in the thirteenth inning. Hoppe maintained his lead up to the eighteenth inning, when the score was Hoppe 142, Slosson 128. Hoppe increased his lead with a run of fifty-six in the twenty-first inning, which was full of good all-round billiards.

FORM IMPROVES.

At the conclusion of the thirtieth inning the scores were Hoppe 268, Slosson 258. Hoppe seemed to have perfect control of the ivories in his thirty-first inning, but missed a two-cushion draw after he had made a run of thirty-eight. This made his total 304 to Slosson's 275.

Hoppe increased his lead to 373-301 with forty-five in the thirty-seventh inning and crossed the 40 point stage in the thirty-ninth with a run of forty-two. Slosson was nearly 100 points behind, with a total of 319. With his score at 441, after a run of twenty-two in the forty-first inning, Hoppe was unable to get either object ball out of balk. Slosson replied with twenty-three. Two innings later Hoppe duplicated his run of twenty-two, brining his total score up to 471. Slosson gathered in thirty in the forty-third inning. Hoppe, with twenty-nine points to go, fell down at twenty-three, but in the forty-fifth and forty-sixth innings he made four and two, respectively, winning out by a score of 500 to 392.

JUDSON IS OUT.

High School Champion in Handball Singles Loses in Doubles.

By winning two close games in which the points ran up only one at a time, and in which the two-man team composed of Judson and Bintz put up a hard fight realizing that their chances for the finals depended upon it, Richardson and Critchlow yesterday afternoon, took the lead in the handball doubles at the Y. M. C. A. gymnasium.

Richardson and Critchlow have not heretofore been considered formidable, while the supporters of the game had conceded Judson and Bintz the first place. The final scores were 21-29 and 21-17. The remaining games are between Van Cott and Leofbourw and Howard and D. Richardson, the winners to meet Richardson and Critchlow for the championship.

At Provo last night the American Fork basketball team was defeated by the Y. M. C. A. team of Salt Lake by the close score of 18 to 15, and the Y. M. C. A. now lays claim to the title of state championship in basketball, alleging that the pennant won in the basketball season by the Provo team is merely an intercollegiate pennant, and entitles the holder to the intercollegiate championship.

The new floor had a marked effect on the Y. M. C. A. as its showing was far below what it made against Ogden on its home grounds. The lineup:

The Swiss have come nearer it than any other nation of the world.

They give every person the opportunity to be a good citizen; then require it.

Simple and right. No slums there; no wickedly rich either. Laws few but enforced—no favorites; therefore few transgressors.

Montana Sends One Delegate on Greek Money.

Butte, Mont., March 27.—Dan Sullivan, a well known athlete of Anaconda, will represent Montana at the Olympian games at Athens, a fund to send him there having been raised today by the local Greek residents. Sullivan has distinguished himself in various lines of athletics and he was brought to the attention of George Scholomittie, Greek vice consul in this city, who interested himself in the matter with the result above stated.

JIMMY GARDNER.

He Pulls Down Only a Draw With Dougherty.

Milwaukee, Wis., March 27.—Jimmie Gardner of Lowell and Jack Dougherty of Milwaukee fought eight rounds to a draw at the Badger Athletic club here tonight. Gardner had a shade the better of the bout up to the end of the seventh round and had Dougherty bleeding badly from the nose from the second round. In the eighth round both boys fought fiercely from start to finish, Dougherty delivering a succession of rights and lefts to the head and jaw, while Gardner pummeled away at the body. The Milwaukee boy had decidedly the better of the final round and evened up any shortcomings in the previous rounds.

Catarrh,

Called an American disease, is cured by an American medicine, originated and prepared in the most catarrhal of American countries.

That medicine is Hood's Sarsaparilla. It cures radically and permanently, in that it removes the cause, cleansing the blood of scrofulous and all other impurities. It overcomes all the effects of catarrh, too, and builds up the whole system.

won't do for floors. It has to stand the tramp of feet and the heavy weight. The good floor varnish must be "elastic" as the paint men say, not brittle and liable to crack. Pratt and Lambert make the best floor varnish.
