FOR TEMPLES AND THE POOR.

Over $2,500,000 of the Estate of Mrs. S. S. Young Goes for That Purpose.

W. H. Preston, presiding Bishop of the Church, was actively engaged today in carrying out the provisions of the bequest of Mrs. Zina Diantha Huntington Young, wife of the late President Brigham Young. The deceased died in the early part of the present year. Having a considerable estate, Under the terms of her will she bequeathed a handsome sum of money to the Temples and Poor of the Church, to be distributed under the immediate supervision of Bishop Preston.

The bequest aggregated $2,522,20, which was equally divided between the Temples and the poor. This gave $12,50 to the Salt Lake, Logan, Manti and St. George Temples respectively, and today each stock for that amount was forwarded to each of the purchasers of those sacred edifices. At the same time the residue remaining of $2,500 was distributed among the poor of the wards of this city, each Bishop receiving from $40 to $60 to be expended by him among the needy members of his flock.

SALT PALACE.

Enthusiastic Meeting Held at the Knickerbocker Last Night.

In the waiting room of the Knickerbocker hotel last night was held a meeting of the committee having charge of the Salt Palace project. Nearly all the members were present and a committee was appointed to which subscriptions to the work in the country, which will be solicited by Bishop Preston, in our stake of Zion, will be reported. Other committees will be appointed and the entire business had been promptly. This will be done in order to insure the success of the enterprise before any money is expended. The organization to erect the palace in Liberty Park met with almost universal favor and it was recommended that the Salt Palace be about four or five times the size of the exposition building occupying the site of the Agricultural & Manufacturing society.

The committee to solicit subscriptions will report a week from tomorrow night.
