THE ILLS OF WOMEN

And How Mrs. Pinkham Helps Overcome Them.

Mrs. Mary Sullivan, 1101 Marianna St., Chicago, Ill., to Mrs. Pinkham:

"I have been troubled for the past two years with falling of the womb, leucorrhœa, pains over my body, sick headaches, backache, nervousness and weakness. I tried doctors and various remedies without relief. After taking two bottles of your Vegetable Compound, the relief I obtained was truly wonderful. I have now taken several more bottles of your famous medicine, and can say that I am entirely cured."

Mrs. Henry Dohn, No. 630 Findley St., Cincinnati, Ohio, to Mrs. Pinkham:

"For a long time I suffered with chronic inflammation of the womb, pain in abdomen and bearing down feeling. Was very nervous at times, and so weak I was hardly able to do anything. Was subject to headaches, also troubled with leucorrhœa. After doctoring for many months with different physicians, and getting no relief, I had given up all hope of being well again, when I read of the great good Lydia E. Pinkham's Vegetable Compound was doing. I decided immediately to give it a trial. The result was simply past belief. After taking four bottles of Vegetable Compound and using three packages of Sanative Wash I can say I feel like a new woman. I owe it my duty to humanity to publish to my fellow sufferers that Lydia E. Pinkham's Vegetable remedies have entirely cured me of all my pains and suffering. I have her alone to thank for my recovery, for which I am grateful. May heaven bless her for the good work she is doing for our sex."
