DESERET EVENING NEWS.

Thursday, . . . August 29, 1895.

REPUBLICAN TICKET.

Heber M. Wells is Named as Candidate for Governor.

C. E. ALLEN FOR CONGRESSMAN.

Mrs. McVicker on the State Ticket—Resolutions Adopted—All the Candidates.

Continuing the proceedings of the Republican State convention yesterday afternoon after the NEWS went to press, in the vote on the recommendations of the committee on permanent organization and order of business, given yesterday, the majority report was adopted and Mr. Varian took the chair. He made a brief speech thanking the convention, and directing attention to the fact that those here had assembled at the call of the Republican majority in Utah to nominate a thoroughly representative ticket. There should be wise deliberation and harmonious counsel. The Republican party was one of principles, not of candidates. The interests of the commonwealth were above the interests of individuals. The standard bearers of this campaign should have back of them such support as to bring victory without a spot on its shield, or stain upon its order.

Mr. Snyder submitted the report of the committee on credentials. All counties but San Juan were represented. The First precinct had elected 18 delegates instead of 23, and the committee recommended that this precinct have 23 votes; Center was not in the call, and a representative was denied. A contest in Box Elder was decided against the contestant. Gold Hill, Tooele, was recommended to receive an additional delegate to represent it. Washington county had one man to represent all, so also with Wayne and one other county. There was a minority report against the Gold Hill delegate receiving his seat. The majority report was adopted.

C. E. Allen, of the committee on resolutions, reported the following, which was adopted with cheers:

The Republicans of Utah, in convention assembled, congratulate the people of the Territory that the Republican party is again the dominant political organization of the nation and of Utah, and proclaim to the people of Utah and of the United States, that the supreme duty of this crisis is to declare a new national independence.

Irrespective of the action of any foreign nation, we demand the remonetization and free and unlimited coinage of silver at the ratio of 16 to 1 and we pledge the Republican party of Utah to work for the accomplishment of this demand.

We condemn the action of the present National Administration for issuing government bonds in time of peace to meet a deficit caused by unwise and un-American legislation, and for its unprecedented and unpatriotic coalition with a syndicate of foreign money-lenders to procure the sale of government bonds, adversely to the interests of the people.

We favor the American doctrine of protection to home industries, established by the founders of the government, re-established by the Republican party, and at all times practiced by the pioneers and people of Utah.

We condemn the failure of the Democratic administration to open the Uncompahgre and Uintah reservations for unsold non-mineral public lands to the states and territories respectively in aid of irrigation and the public schools.

We pledge our unfaltering support to the public school system, and to every measure which will increase its power for good.

We believe that public officers should receive fixed salaries, and we pledge the next Republican legislature to enact laws to that end in accordance with the proposed Constitution.

We demand the strictest economy in all public expenditures, that the taxes for the new State may be kept at the lowest limit.

We heartily endorse the Constitution formulated and adopted by the Republican Constitutional Convention, and recommend its ratification by the people.

We demand that the real estate belonging to the Mormon Church, and now held by the United States, be returned to the Church.

We congratulate the women of Utah that the privilege of suffrage has been extended to them, and heartily welcome them into participation in public affairs.

We condemn the National Democratic administration for its weak and vacillating foreign policy and its failure to maintain the Monroe doctrine, whereby the interests of the United States and her sister nations upon this western continent have been imperiled.

We denounce the Democratic party because it is opposed in its national legislation to all the material interests of this people.

We denounce the Democratic party of Utah, because it stuffed the ballot boxes in Weber, Salt Lake and Sanpete counties in its endeavor to obtain control of the Constitutional Convention.

We denounce the Democratic members of the Utah Commission as accessories to this attempted fraud.

Nominations for Supreme court judges followed, C. S. Zane, J. A. Miner, G. W. Bartch and M. A. Breeden being named. The first three were the successful candidates, the vote on the first ballot being Zane 4[illegible], Miner 4[illegible], Bartch 4[illegible], Breeden 1[illegible], Boreman 1.

Then came the great battle on the nominations for Governor, the names of Charles Crane, Heber M. Wells, Arthur L. Thomas, Philo T. Farnsworth and George A. Lowe being presented. The first ballot gave no choice, but demonstrated that neither Mr. Crane nor Mr. Thomas could be nominated. The vote was as follows:

Pandemonium followed the taking of this ballot, and it was hard work for Mr. Varian to restore order. But he did so, and a second ballot was taken, on which Heber M. Wells got the nomination. The vote was: Wells, 3[illegible]; Crane, 1[illegible]; Thomas, 14; Farnsworth, [illegible]; Lowe, 1.

Further balloting resulted in naming C. E. Allen, of Salt Lake, for Representative to Congress, James T. Hammond, of Cache, for secretary of State, James Chipman, of American Fork, for treasurer, Morgan Richards, of Parowan, for auditor, A. C. Bishop, of Ogden, for attorney general, and Emma J. A teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy taken in a little water gives me immediate relief. I could get a dozen testimonials from people here who have been cured by this remedy."

John Peterson, of Paincourtville, La., suffered with dysentery for eighteen years and tried three of the best doctors in New Orleans; also half a dozen or more patent medicines. That Tired Feeling

Is a common complaint and it is a dangerous symptom. It means that the system is debilitated because of impure blood, and in this condition it is especially liable to attacks of disease. Hood's Sarsaparilla is the remedy for this condition, and also for that weakness which prevails at the change of season, climate or life.

Hood's Pills act easily, yet promptly and efficiently on the bowels and liver. 25c.
