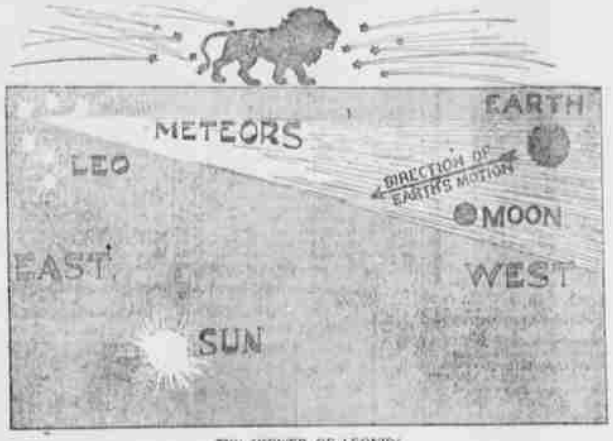
A LAST WORD TO DREYFUS.



THE SHOWER OF LEONIDS.

Thanksgiving . . .

This year we are the people of our country give thanks for victory over the Monopolies. This year we should give thanks for the success of prosperity and our victory over the manufacturing world. We are today recognized as the greatest manufacturing nation on earth. The students of the world are now to see and do Iron Manufacture. Carnegie and Pennsylvania have lost the trade. We have done with the trade of the Intermountain Country, what the nation is doing with the trade of the world—Capturing it. We want cash. May we have it!
