Arrests—Deaths—Births.

NEW YORK, 13.—The total arrests last week were 1,202; deaths 563; births 552.

Italy's Dead King—Lying in State—Thousands View the Remains—The Funeral—Grand Display.

The *Herald's* cable says the funeral of King Emanuel has been postponed till the 17th. Immense crowds thronged the Quirinal palace throughout the day, yesterday, and the greatest eagerness was manifested to get a look at the dead King. The body is lying in state on a lofty catafalque with magnificent crimson draperies. Thousands of candles are kept burning and the body is dressed in the uniform of a General of the Italian army, decorated with the orders which the King had worn during his life, and covered with an ermine mantle. Much interest is manifested to see how the face of the dead King looks. The features are quite placid and the deathly pallor of the skin is in marked contrast with the dark beard and long moustache. A constant stream of spectators keeps filing in and out of the hall, and the greatest emotion is visible on every face.

The Vatican is willing to grant any church in Rome for the funeral except the Basilica. The arrangements are on the most elaborate scale, and the funeral will be an imposing national demonstration.

King Humbert reviewed the troops yesterday, and was received with great enthusiasm. He complimented the soldiers on their fidelity to United Italy, and the response showed that no reactionary projects have any prospect of receiving favor in the army. The grandest military display which has ever taken place in modern Rome will be witnessed on the occasion of the funeral. One hundred and fifty generals, 250 colonels, 1,110 officers of the lower grade and 10,000 soldiers have been ordered to Rome, in addition to the usually large garrison, and nothing will be spared to make the demonstration worthy of the occasion.

Depressed Grain Market.

The peace prospects in Europe have had a depressing effect on the grain market, and the prices of flour, wheat and corn are lower and for the moment very dull.

The Indian Bureau—Damaging Revelations—Discharging Clerks.

WASHINGTON, 13.—On the recommendation of Secretary Schurz, an executive order will shortly be issued discontinuing several superintendencies of Indian affairs, in regard to the conduct of which some damaging revelations were recently made by the report of the board of inquiry. Two of the principal clerks of the Indian bureau were discharged, yesterday, in accordance with the recommendation of this board, and a similar action will soon be taken in regard to a number of other persons connected with the service. Various other reformatory measures, based upon the report of the board have been determined upon, but are temporarily delayed in order to make them more effective.

Mollie Maguires Prisoners.

PHILADELPHIA, 13.—The sheriff of Schuylkill County arrived in this city with six Mollie Maguires, sentenced to an eastern penitentiary for terms ranging from five to twelve years.

The Border Troubles.

NEW ORLEANS, 13.—Col. John S. Ford, and Col. J. G. Tucker, of Brownsville, Texas, and Hon. Thomas F. Wilson, United States consul at Matamoras, Mexico, reached this city, this evening, and will leave at once for Washington, where they have been subpœnaed before the congressional committee of foreign affairs, it is said, to testify in regard to the border troubles.

Struck Oil.

PETROLIA, PA.,—H. L. Taylor & Co. struck a new well on Simon Weles' farm, to-day, in the Ghost Well Territory, which is flowing over 1,000 barrels. It opens up a large tract of new territory.

Gov. Hubbard on the Mexican Raids.

ST. LOUIS, 13.—A Houston, Texas special says: Governor Hubbard has written a three column letter to President Hayes on the border affairs. He goes into details of the causes of the Mexican raids, and gives a history of the same for the last 20 years, including Cortenas' capture of Browerville, in 1859. The Governor's specific charges are:

First—It has been a depredatory war.

Second—That the custom house officers have been murdered, custom houses taken and robbed, post-offices robbed and burned, hundreds of citizens killed, and some tortured. Wm. McMahon, for instance, had his legs cut off and was forced to walk on the stumps. Murdock was chained, a harrow placed on him, and he was burned while in his own house, within five miles of Corpus Christa. Women have been made prisoners and subjected to treatment too horrible to mention.

Third—Millions of dollars worth of property have been taken from Texas owners, carried into Mexico and sold in public markets.

Fourth—Mexico has furnished an asylum for the robbers and a place of deposite for their stolen goods.

Fifth—The Mexican government has been notified many times by ours of the existence of these evils, but she has not restrained her citizens, and she refuses to permit the United States to break up the hostile bands which commit the atrocities, and has declared that an attempt to do so would be a cause for war.

Sixth—She has refused to execute the extradition treaty in not surrendering raiders, who were themselves the enemies of mankind, by breaking the jail of Starr County, releasing prisoners therefrom, and wantonly wounding our peace officers and by turning loose fugitives under indictment for murder, in Texas, and regularly demanded by our commissioner of extradition.

Seventh—She has afforded an asylum to Indians and permitting them to use her territory to set on foot expeditions to invade the territory of the United States and to wage a savage warfare upon the people of Texas, including within its scope every age and sex. Children have been captured in Texas and carried into Mexico and held as slaves.

Governor Hubbard asserted that Texas does not want war, but simply protection from Mexican violence. He charges that the San Elizario mob, who shot Howard, McBride, and Atkinson to death, was composed largely of Mexican citizens. The Governor recites the horrible massacre, and says Mexico should make amends for the crimes committed by her citizens.

Destructive Fire.

TERRE HAUTE, Ind., 13.—A large cattle shed, in the stock yards of the Fairbanks distillery, was burned this evening. The building contained 800 Texan and Colorado cattle, the property of Isaac Wexel & Co., of the stock yards in Chicago. Three hundred of them worth $40 each, were burned. They were partially insured.

FOREIGN.

GREAT BRITAIN.

The Fugitives—Terrible Suffering—Distress Increasing.

LONDON, 13.—The Baroness Burdett Coutts, as representative of contributions to the Turkish relief fund, received the following telegram from Layard, British ambassador at Constantinople: "The distress is increasing terribly. Fugitives are arriving by thousands. Nine trains are expected, to-day, (Saturday) from Adrianople, bringing 10,000 fugitives, mostly women and children, who will make the journey in open trucks during a heavy snowfall. A large number of other fugitives will arrive shortly. I have engaged a house near the station to receive the most destitute, and provide for the distribution of food. Twelve hundred sufferers were lodged and relieved, to-day. Funds are urgently required. The Turkish government is doing its best, but its action is almost paralyzed by the overwhelming magnitude of the misery it has to deal with."

War Preparations.

A dispatch from Malta announces that Vice-Admiral Hornby has sailed for Levant on the ironclad steamer *Sultan*. The ironclads *Devastation*, *Achilles* and *Alexandra*, and the frigate *Raleigh*, are preparing to follow. The force in the dockyard is working till eight o'clock every night. The troop ship *Jumna*, homeward bound from India, with 1,067 men, is detained at Malta. The *Euphrates*, outward bound, with 1,142 men, is also detained there.

Fenian Prisoners Released.

DUBLIN, 13.—The Fenian prisoners, recently released, arrived here to-night, and were greeted by a torchlight procession. From 15,000 to 20,000 people witnessed the reception and 20 national bands took part in the procession.

RUSSIA.

War Notes.

ST. PETERSBURG, 13.—The Grand Duke Nicholas telegraphs from Gabrova as follows—"I have arrived here and await further intelligence from General Radetzky. To-morrow I cross the Balkans. Ten thousand prisoners have arrived here, and are being despatched to various destinations."

In a cavalry engagement near Belbwet the Turks have been defeated and driven to Kopdagh.

Erzeroum has been completely invested since January 9th.

Bombardment of Eupatoria.

An official telegram announces that the Turkish fleet has bombarded Eupatoria, damaging the barracks, guard houses, arsenal, quarantine establishment, and some private residences.

FRANCE.

M. Raspail's Funeral.

PARIS, 13.-M. Raspail was buried in the cemetry of the Pere La Chaise, this afternoon. It is estimated that 100,000 persons were present. No disturbances occurred. M. Louis Blanc delivered an oration at the grave.

Republicans Elected.

Second ballots were held, to-day, for three members of the Paris Municipal Council, and resulted in the election of the republican candidates. These elections complete the council, which stands 76 republicans to four conservatives.

TURKEY.

Ready to Discuss the Armistice.

CONSTANTINOPLE, 13.—The Porte has received a telegram from Grand Duke Nicholas stating that the latter is ready to receive the Turkish delegate to discuss the armistice conditions, but cannot at present, give any indications as to the terms of peace, as he is still ignorant thereof.

Captain Fife, British military attache, telegraphs to minister Layard from Adrianople, that there is no immediate ground for the existing panic, as telegraphic communication is still open from Adrianople to Tatar Bazardjak and Yanboli.

MASON & HAMLIN
CABINET
ORGANS

Unanimously assigned the

"FIRST RANK

IN THE

"SEVERAL REQUISITES"

of such instruments!

The MASON & HAMLIN ORGAN CO. have the honor to announce that the Organs of their manufacture have been unanimously awarded "the FIRST RANK in the SEVERAL REQUISITES of instruments of the class" by the Judges at the CENTENNIAL EXHIBITION at Philadelphia, 1876, and are the ONLY INSTRUMENTS OF THIS GENERAL CLASS AWARDED THIS RANK. This is after the severest competition by the best makers before one of the most competent Juries ever assembled.

They have also received the MEDAL, but, as is well known, medals of equal merit have been awarded all articles deemed worthy of recognition; so thus it will be easy for many makers to advertise that they have received "a first medal."

The differences in competing articles, and their comparative excellence, are recognized in the Reports of the Judges from which the following is an extract:—

"THE MASON & HAMLIN ORGAN CO.'S exhibit of Reed Organs and Harmoniums shows fourteen styles of the FIRST RANK IN THE SEVERAL REQUISITES OF INSTRUMENTS OF THE CLASS, viz: Smoothness and equal distribution of tone, scale of expression, promptness and sleeping quality, responsiveness to touch or action of keys and bellows, with thoroughness of workmanship, combined with simplicity of action."

(Signed by all the Judges.)

The Mason and Hamlin Organs are thus declared to rank first, not in one or two respects only, but in the SEVERAL REQUISITES of such instruments, and they are the Only ones assigned this rank. This triumph was not unexpected, for the makers of Mason and Hamlin Organs have uniformly been awarded the highest honors in competitions in America, they having been scarcely six exceptions in hundreds of competitions. They were awarded highest honors and

FIRST MEDALS

PARIS, 1867; VIENNA 1873; SANTIAGO, 1875
PHILADELPHIA, 1876;

and have thus been awarded highest honors at

at which they have been exhibited; being the Only American Organs which have ever obtained Any Award at any competition with leading European makers, or in any European World's Exposition!
