THE MESSAGE

Sent by the Council of Railway Employes to Powderly.

TERRE HAUTE, Aug. 25.—At 9 o'clock this evening the following message was sent out by the Council of Railway Employes, signed by President Sargent and Secretary Goodwin to Powderly, at Albany:

"Supreme Council has learned the allegations, after carefully considering the matter in all its details. You will note the result of our deliberations in Knights' Dispatches, which, it is hoped, will meet with your approval. The council was unanimous in endorsing your position and general executive board have correctly hoped that the rights which you have championed in the fight of order and the New York men have finally and powerfully asserted."

THE OFFICIAL DOCUMENT.

The official endorsement of the action of Webb is in the Associated Press report as follows:

"RAILWAY EMPLOYES SUPREME COUNCIL TO THE GENERAL MASTER WORKMAN, KNIGHTS OF LABOR.

"Your dispatch received.

"Brother Brothers—On the night of August 11th a strike began on the New York Central, Hudson River Railroad, involving about 700 men in their employ of yard and switchmen, who were in receipt of the great Knights of Labor, by an order of the Knights of Labor, by Powderly, chief executive of the order, by organization as Knights.

THE CHIEFS DECLARATION.

"Upon carefully and fairly look, coupled with the good and welfare of the Order of the Knights of Labor, we have decided to take the ground of adjudicating the difficulty and making the strike our cause, as would result in loss to the order between the employes and officials of the road, and the efforts made unavailing. Therefore, complying with the purpose of the Knights of Labor, first, last, and always, we have ordered a conference with the officials of the road, United Order of Railway Employes, Knights of Labor, Firemen, Conductors, Trainmen and Switchmen, Brotherhood of Locomotive Firemen, Brotherhood of Locomotive Engineers, Order of Railway Conductors and Brotherhood of Railway Trainmen and Frank Sweeney, grand master of the Switchmen's Mutual Aid Association.

IN THE CONFERENCE
