Rocky Mountain Pills.

A VALUABLE MEDICINE,

From New and Rare Medicinal Plants recently discovered in the Rocky Mountains!

PURELY VEGETABLE.

FIFTEEN years of earnest botanical research among these mountains and valleys have resulted in the discovery, not only of many new varieties of plants, but of new species, some of which have wonderful medicinal curative properties. By continued experiment their virtues have become known—and thus from extracts of these newly discovered plants are these pills compounded.

If properly used, they will cure very many diseases, pains and aches, and are more especially valuable in DYSPEPSIA, LIVER COMPLAINTS, INDIGESTION, JAUNDICE, and all cases of FEVERS, COLDS, URINARY AND KIDNEY DISEASES, RHEUMATISM, COSTIVENESS, HEARTBURN, DIARRHŒA, MUMPS, MEASLES, for PURIFYING THE BLOOD, and for many other diseases, and all cases of BILIOUSNESS and DISORDERED STOMACH.

On orders accompanied by the cash or postal order, I will send safely by mail, postpaid, 1 box Pills for 25 cents; 1 dozen boxes, $2.50; 1 gross boxes, $24.00.

J. E. JOHNSON,
d39 St. George, Utah.

Records! Records!

WE ARE NOW PREPARED *to receive orders for BRANCH and WARD RECORDS, of a new and improved form, which has been approved by the presiding Bishopric and others.*

We shall make them of four, five and six quires each, holding 2,040, 2,560 and 3,090 names each, respectively, and the price will be for four quires, $12.00, five quires, $13.00, six quires, $15.00. Each book will contain a suitable Index, and be well bound in Cloth and Russia Leather, with ornamental lettering pieces for name of the Ward on the side. The book being of a large size, we not think it advisable to make them over six quires.

Specimens can be seen at this Office, and orders received for size of book required.

Bishops in the Country desiring Records can order by mail, and we will make accordingly and forward to them.

EVENING NEWS.

Wednesday, - February 16, 1876.

Our Country Contemporaries.

Ogden *Junction*, Feb. 11—

Last Friday, Oscar C. Perry, a well known resident of this city, was taken sick at the depot. He managed with great effort to reach the residence of Mr. L. McCarthy, and as his symptoms were very serious, a doctor was called in, who prescribed for him, but he was too far gone for remedies to help him, and he died on Sunday about 2 p.m. Coroner Williams empanelled a jury in the evening to inquire into the cause of his death. The jury returned a verdict that he died of inflammation of the lungs. He was buried this afternoon. Deceased had been in the employ of Mr. Keisel, at the depot, prior to his death. He was about 26 years of age.

Beaver *Enterprise*, Feb. 11—

Razin was once in Beaver, and while here formed the acquaintance of several citizens, who, if they could only see him now, would be so glad! In a case in the district court, once upon a time, failing to get bondsmen in the sum of $1,000 (to secure his appearance as prosecuting witness at the proper time) Razin was released upon his own recognizance; but a broad and exploring mind like his brooks no conditions, nor does it attempt to accommodate itself to the exactions of others, so he went sorrowfully away and forgot to return. Previous to this, however, he had formed the acquaintance of a thriving merchant of a small settlement in Beaver county, and being of the same religious faith as that gentleman succeeded in effecting a loan to the amount of $500. The time at which payment was to have been made came around, but brought no Razin with it, and the chasm in that merchant's accounts remains unbridged to this day!

While we were absent at the mines, a fiendish attempt to assassinate City Marshal Charles Allred was made, and our enterprising substitute failed to get the particulars or make any mention of the affair. Although having taken place some two weeks ago, it is of too much importance to be overlooked. Mr. Allred, it seems, was returning from a dance about half-past twelve a.m., and when about half way home was set upon by two or three scoundrels, one of whom thrust at him with a knife, which penetrated his clothing but was not sufficiently well directed to enter the flesh. Mr. Allred, as soon as he could collect his faculties, was prepared for resistance, but the would-be assassins fled. There is a clique of the most infamous scoundrels in Beaver county that ever afflicted any place in the United States. Thievery was getting common, all the efficient exertions of the officers discouraged it somewhat; now it seems we are to have the programme changed for the worse. It therefore behooves every citizen, and especially every man connected with the city government, to be always armed and ready if his business calls him out at night; and if he is set upon by these midnight Thugs, let him not stop to parley, but make short work of them. We remember a recent case of stealing in the justice's court, wherein the defendant, after conviction, said "he would lay somebody out for that." One word from such a dog should be sufficient justification for a decent man to send a bullet through his carcass; we have reached the point beyond which submission is a misdemeanor.

AGENTS WANTED!

To sell the New Patent Improved EYE CUPS.

Guaranteed to be the best paying business offered to Agents by any House. An easy and pleasant employment.

The value of the celebrated new *Patent Improved Eye Cups* for the restoration of sight breaks out and blazes in the evidences of over 6,000 genuine testimonials of cures, and recommended by more than one thousand of our best physicians in their practice.

The Patent Eye Cups are a scientific and philosophical discovery, and as ALEX. R. WYETH, M. D., and WM. BEATLEY, M. D., write, they are certainly the greatest invention of the age.

Read the following certificates:

FERGUSON STATION, LOGAN CO., KY., June 6th, 1872.

DR. J. BALL & Co., Oculists.

Gentlemen: Your *Patent Eye Cups* are, in my judgment, the most splendid triumph which optical science has ever achieved, but, like all great and important truths, in this or in any other branch of science and philosophy, have much to contend with from the ignorance and prejudice of a too sceptical public; but truth is mighty and will prevail, and it is only a question of time as regards their general acceptance and endorsement by all. I have in my hands certificates of persons testifying in unequivocal terms to their merits. The most prominent physicians of my county recommend your *Eye Cups*. I am, respectfully, J. A. L. BOYER.

WILLIAM BEATLEY, M. D., Salvisa, Ky., writes: "Thanks to you for *the greatest of all inventions*. My sight is fully restored by the use of your *Patent Eye Cups*, after being almost entirely blind for twenty-six years."

ALEX. R. WYETH, M. D., Atchison, Pa., writes: "After total blindness of my left eye for four years, by paralysis of the optical nerve, to my *utter astonishment* your *Patent Eye Cups* restored my eyesight permanently in three minutes."

Rev. S. B. FALKINSBURG, Minister of M. E. Church, writes: "Your *Patent Eye Cups* have restored my sight, for which I am most thankful to the Father of Mercies. By your advertisement I saw at a glance that your invaluable *Eye Cups* performed their work perfectly in accordance with physiological law; that they literally fed the eyes that were starving for nutrition. May God greatly bless you, and may your name be enshrined in the affectionate memories of multiplied thousands as one of the benefactors of your kind."

HORACE B. DURANT, M. D., says: "I sold, and effected future sales liberally. The *Patent Eye Cups*, they will make money, and make it fast, too; no small catch-penny affair, but a superb, number one, tip-top business, promises, as far as I can see, to be life-long."

Mayor E. C. ELLIS wrote us, November 16th, 1869: "I have tested the *Patent Ivory Eye Cups*, and I am satisfied they are good. I am pleased with them. *They are certainly the greatest invention of the age.*"

Hon. HORACE GREELEY, late Editor of the New York *Tribune*, wrote: "Dr. J. BALL, of our city, is a conscientious and responsible man, who is incapable of intentional deception or imposition."

Prof. W. MERRICK writes: "Truly, I am grateful to your noble invention. My sight is restored by your *Patent Eye Cups*. May Heaven bless and preserve you. I have been using spectacles twenty years. I am seventy-one years old. I do all my writing without glasses, and I bless the inventor of the *Patent Eye Cups* every time I take up my old steel pen."

ADOLPH BIORNBERG, M. D., physician to Emperor Napoleon, wrote, after having his sight restored by our *Patent Eye Cups*: "With gratitude to God, and thankfulness to the inventors, Dr. J. BALL & Co. I hereby recommend the trial of the *Eye Cups* (in full faith) to all and every one that has any impaired eyesight, believing, as I do, that since the experiment with this wonderful discovery has proved successful on me, at my advanced period of life—90 years of age—I believe they will restore the vision to any individual if they are properly applied." ADOLPH BIORNBERG, M. D.

Commonwealth of Massachusetts, Essex, ss.

June 5th, '73, personally appeared Adolph Biornberg, made oath to the following certificate, and by him subscribed and sworn before me. WM. STEVENS, J. P.

LAWRENCE CITY, Mass., June 9, 1873.

We, the undersigned, having personally known Dr. Adolph Biornberg for years, believe him to be an honest, moral man, trustworthy, and in truth and veracity unspotted. His character is without reproach.

M. BONNY, Ex-Mayor.
S. B. W. DAVIS, Ex-Mayor.
GEORGE S. MERRILL, P. M.
ROBERT H. TEWKSBURY, City Treas.
