"August Flower"

Mr. Lorenzo F. Sleeper is very well known to the citizens of Appleton, Me., and neighborhood. He says: "Eight years ago I was taken "sick, and suffered as no one but a "dyspeptic can. I then began tak-"ing August Flower. At that time "I was a great sufferer. Every-"thing I ate distressed me so that I "had to throw it up. Then in a "few moments that horrid distress "would come on and I would have "to eat and suffer "again. I took a "bottle of your med-"icine, and it made me "better, and after "taking a little more "August Flower my "Dyspepsia disap-"peared, and since that time I "have never had the first sign of it. "I can eat anything without the "least fear of distress. I wish all "that are afflicted with that terrible "disease or the troubles caused by "it would try August Flower, as I "am satisfied there is no medicine "equal to it."
