Colorado City Strike Over. Colorado Springs, Colo., Feb. 19 .- The strike of the mil men employed at the reduction works at Colorado City, which went into effect Saturday last, c practicaly over, and the men have been victorious. President Fulerton, of the Telluride Reduction company, has unofficially stated to a committee representing the strikers of which Charles Moyer, president of the Western Fed-eration of Miners, is the head, that he would recognize the union and give their demands full consideration. Wages will be raised from \$1.8 to \$2 per day, to continue at that rate until a wage cas. will be raised from \$1.8 to 52 per day, to continue at that rate until a wage scale is adopted by all three mills in Colorado City. It is believed that the action of President Fullerton will be emulated by the managers of the two plants which the mill workers and smallers' unlong has been socking the smelters' union has been seeking to

unionize The Fourteenth Off to Philippines Detroit, Feb. 18.—The second bat-talion of the Fourteenth United States infantry, and headquarters band, Col. Jocelyn commanding, which has been stationed at Fort Wayne, near this city left this afternoon in a special train over the Michigan Central for Chicago en route to San Francisco. The Four teenth is under order to go to the Philippines.

Carnegie's Gift to Philadelphia. Philadelphia, Feb. 19.-A bill to enable Philadelphia to accept Andrew Carnegie's gift of \$1,500,000 for the erec-tion of 30 branches of the free library will be introduced at Harrisburg to-

day. The bill is in accordance with the plan adopted by the New York city to plan adopted by the New York city to meet Mr. Carnegie's pirt to that city for branch libraries. As soon as it is passed, and approved, it is expected that two or three branches will be erected each year, as little doubt is ex. pressed that the gift of sites will keep pace with the number of branches that can be put up in the next 10 years.

Baltimore's New Steel Works.

Baltimore, Feb. 19 .- The projectors a new steel casting plant, with a capitalization of \$3,000,000, which is to blocated in South Baltimore, have per fected a plan to combine four other plants now working independently and establish a big concern. The plants to be included are the South Baltimore car works, builders of freight cars. Ryan and McDonald Manufacturing company, South Baltimore Foundry and the National Supply company.

San Francisco, Feb. 18.-The final statistical report of the bank commis-sioners for Jan. 1, 1903, shows a state of financial prosperity in California that is believed to be unprecedented in the history of the nation. There are nine savings banks in San Fran-cisco, with deposits of \$144,284,235.79, and 173,576 depositors, having an average deposit of \$831.24. In the 52 in-terior savings banks \$53.728,277 is deposited. These 61 savings banks of the state of California aggregate the grand total of \$189,012,512, distributed among 284,952 depositors with the unparalleled average of \$694.59 per depositor.

Italy Prepared for War. Rome, Feb. 18 .- The chamber of dep utles debated today the military esti-mates. In the course of the discussion reference was made to the defeat of the Italian fleet by the Austrian fleet at Lissa in 1866, and Vice-Admiral Morin, minister of marine, said: "We have worked 36 years preparing for the day of trial." This remark caused a sensation,
