TWO RIVAL SULTANS.

Serious Insurrection Threatened in Morocco.

A POWERFUL TRIBE REVOLTS

And Demands the Release of All Political Prisoners—The Jews Plundered

LONDON, Sept. 24.—Advices from Tangier say the Jews on their way to the markets are cautiously plundered and stripped of their clothing. On the principal road an universal tax of £5 is demanded for free passage.

The Kerlamma tribe is demanding the immediate release of Muley Mohammed, the eldest son of the late sultan Muley Hassan. Muley Mohammed was proclaimed sultan early in September, in spite of the fact that his younger brother, Abdul Aziz, has previously been proclaimed sultan. He was proclaimed at Fez, the seat of the present government of Morocco. Muley Mohammed however, had previously been imprisoned at Saranbat by the order of his brother, the sultan, and was compelled to sign an act of abdication in Abdul Aziz. The position of the latter has been secured by being recognized as sultan by the powerful sherif of El Wazan. In addition to demanding the release of Muley Mohammed, the Kerlamma tribe is demanding the immediate release of all other political prisoners in confinement at Morocco City, if the demands are not granted, the Bilooman mentioned threaten to plunder Morocco City.

ON BEHALF OF LILIUOKALANI.

Petitions Will Probably Be Sent to Congress Against Our Government.

SAN FRANCISCO, Sept. 24.—It is stated on what appears to be good authority that the arrest of H. A. Wilcoxson, of Honolulu, in this country is for the purpose of obtaining a message sent against the United States on behalf of the ex-queen of Hawaii. The amount of damages sued for is said to be $100,000 and the friends of the ex-queen declare that the government has been instrumental in molding her to only that amount. Her friends say that if the government would never have been established and never deposed but it has been for the unwarranted action of a recognized agent of the United States, the captain of the warship Boston, who is now consequently formally shelved by the President.

Whatever Mr. Wilcoxson's errand is, his departure from Honolulu was kept a profound secret until almost the moment of sailing. When he suddenly appeared on the dock and secured passage. Within a few days he will go on to Washington, where he does not seem to be the business of importance to disclose.

Mr. Wilcoxson declined to be interviewed concerning his mission to Washington and when asked whether he was going to institute a damage suit on behalf of ex-Queen Liliuokalani, he answer was that he had been advised of that before.

Ex-Minister Carter from the island died on that Mr. Wilcoxson's errand is so stated that he has instructions to go about the matter very quietly and gain as little as may get noticed by anybody.

Dynamiter not Murdered.

SPOKANE, Wash., Sept. 24.—Charles F. Higgins, a farmer of Moran, a village of Spokane county, who disappeared in the early morning of July 31st last, has been forced by the sheriff of Spokane, of Lewiston, Oregon, at work with a threshing outfit.

The disappearance of Higgins caused a big excitement in this state. It was claimed that he had been murdered by political enemies and the failure to find him gave color to the theory.

Gorgelein was a Republican, and an active partisan. He had incurred the enmity of some of his neighbors, who, it is said, were members of the Freemen's Protective Mutual Defense Association, a Populist organization. No time was the feeling against Higgins that he was living in effigy some weeks previous to his disappearance.

Gorgelein, when he deserted, left his wife and children in destitute circumstances. He refuses to return, alleging that his life is in danger.

The Boomlegger Scared.

VALDOSTA, Ga., Sept. 24.—The United States marshal at Brunswick has been docked at the State Island navy yard. He had his hair cropped of all submarine growth, and he shouldered paper upon by a naval board of survey.

Her hull has been found to be early in need of repair, especially her keel, for fifteen thousand dollars, having been removed and overhaul.

DOMESTIC TROUBLES.

Man, Wife and Women and a Suit for Divorce.

BUFFALO, N. Y., Sept. 24.—Society is engaged with the third scene of the domestic troubles of Mr. and Mrs. Charles H. Kellogg. Mr. Kellogg is the head of the Kellogg Iron Works, a large establishment which recently resumed operations. Among the other men who were discharged was Mr. Kellogg's brother, the author, and he was compelled to sign an act of alimony to Ethel Axis. The position of the latter has been secured by being recognized as sulten by the powerful sherif of El Wazan. In addition to demanding the release of Muley Mohammed, the Kerlamma tribe is demanding the immediate release of all other political prisoners in confinement at Morocco City, if the demands are not granted, the Bilooman mentioned threaten to plunder Morocco City.
