IN THE CITY COUNCIL.

The Mayor's Veto Again Goes By Without Any Action.

WILL REVOKE THE FRANCHISE

Of the Salt Lake & Fort Douglas Railway—Claim of Fireman Thomas Welch.

At the meeting of the City Council held last evening no action was taken affecting the mayor's veto of the ordinance abolishing the office of captain of police, except that action was postponed for one week.

WILL REVOKE A FRANCHISE.

The committee on streets recommended the adoption of a resolution revoking the franchise of the Salt Lake & Fort Douglas railway and compelling the company to take up its tracks. Action was laid over for a week.

CLAIM OF THOMAS WELCH.

The city attorney asked more time in which to bring about a settlement of the claim of ex-Fireman Welch for $[illegible]. In addition to this Mr. Welch has two suits in the district court, in regard to which the attorney has had several consultations with Mr. Welch. Mr. McKay desired further time in which to reach a settlement.

POLICE COURT REPORT.

Clerk W. C. Stoop of the police court reported 177 cases disposed of during the month, with a total fine collection of $1,928.

A THOUSAND THROWN AWAY.

Le Proham came in for a sound scoring as chairman of the sprinkling committee. He stated that he had not notified Contractor Griffin to stop sprinkling until October 23. Several of the members censured Mr. Le Prohon for causing the city to pay $1,000 for rain. To avoid any further misunderstanding a resolution was passed stopping all sprinkling hereafter.

Keep Away
From "cheap" trusses. If you need a truss, you need one that will fit you exactly, for a misfit is likely to increase rather than lessen the trouble.

Many people are now wearing trusses, and wondering why they don't get well. Those people had better compare the ones they are wearing with the new style trusses.
Ten to one you'll find that you are wearing the wrong truss.
Better see these anyway, even if you are perfectly satisfied with the one you have.
