# TERRITORY'S CASH.

## Auditor Caine's Annual Report Filed With Governor West.

RESOURCES AND LIABILITIES.

Assessed Valuation and Tax, Apportionment of School Fund and Territorial Warrant Account.

Territorial Auditor John T. Caine has filed his annual report with Governor West. It is as follows:

Territory of Utah, Office Auditor of Public Accounts, Salt Lake City, December 31, 1894.

To His Excellency, Caleb W. West, Governor of Utah:

Dear Sir—In compliance with the requirements of law, I have the honor to submit my official report of the financial affairs of the Territory of Utah for the year ending December 31, 1894.

ASSESSED VALUATION AND TAX.

In accordance with the provisions of Chapter 1641, Laws of Utah, 1894, the Territorial Board of Equalization met on the 10th day of December, 1894, then on the office a report of the total assessment of property as shown in each county for taxable purposes as assessed for the year 1894, certified to as being been equalized by said board. Upon the receipt of said report the amount of tax due from each county, at the rate of two mills on the dollar for territorial purposes and to be apply on the debits for the support of the territorial institutions, was computed as shown by the following table. The counties were charged with their respective amounts upon the books of this office and the county clerks and county collectors of the several counties were duly notified to the amount of tax their respective counties.

| Wasatch | [illegible] | [illegible] |
| Total | $ [illegible] | $ [illegible] |

There amounts added to the preceding table make the total assessed valuation of the Territory $[illegible], and the total Territorial and Territorial district school tax $[illegible], this is a falling off from the assessed valuation of 1893 of $[illegible], and a corresponding reduction of revenue of $[illegible].

COMPENSATION AND ASSESSMENTS.

[illegible]

There will doubtless be further abatements allowed by the county courts on account of uncollectable taxes, property twice assessed, etc., which at a more relative estimate will swell the deductions on account of compensation and abatements to fully $[illegible], reducing the net tax to $[illegible]. Of the amount so paid back to school money—$[illegible]—leaving a balance to meet territorial obligations of $[illegible].

SCHOOL FUND APPORTIONMENT.

First apportionment of Territorial district school fund collected from the year 1893, made December 31, 1893, has paid on warrants issued to January, 1894:
