MASS MEETING IN NEW YORK.

Big Protest Against Imperialism Filed in Empire City.

RESOLUTIONS ARE ADOPTED

Letters from Ex-President Cleveland and Wm. J. Bryan Indorsing the Meeting.

New York, Jan. 22.—A mass meeting of citizens was held in the Academy of Music tonight, under the auspices of the Continental league, for the purpose of protesting against the policy of "imperialism and entangling alliances with European powers." The meeting was attended by a great crowd. Long before the doors were opened 1,000 people were clamoring for admission, and in a short while the police ordered the doors unlocked because of the crush. Ten minutes later there was not a vacant seat in the house.

A list of vice presidents read. Include these names: Wheeler H. Peckham, Abram S. Hewitt, Henry Lemmon Nelson, William H. Dornheimer, Roger A. Pryor, Francis Wayland Glen, John C. Sheehan and Frederick R. Coudert. A number of vice presidents were announced as representing the Central Labor union, including Samuel Gompers, president of the American Federation of Labor; John M. Parsons, general master workman of the Knights of Labor; Daniel Harris, president of the State Federation of Labor. Communications were read from ex-President Cleveland, Col. William J. Bryan and Bishop Henry C. Potter, regretting their inability to be present.

Mr. Cleveland, in his letter, said: "I am so opposed to the expansional craze now infesting our body politic, that any organization formed in opposition to it has my hearty sympathy and approval."

Mr. Bryan said that he was fully in sympathy with every effort put forth to save the nation from the dangers of imperialism.

Unqualified Success of Lydia E. Pinkham's Vegetable Compound.

Mrs. Elizabeth Wheelock, Magnolia, Iowa, in the following letter describes her recovery from a very critical condition:

"Dear Mrs. Pinkham:—I have been taking your Vegetable Compound, and am now ready to sound its praises. It has done wonders for me in relieving me of a tumor.

"My health has been poor for three years. Change of life was working upon me. I was very much bloated and was a burden to myself. Was troubled with smothering spells, also palpitation of the heart and that bearing-down feeling, and could not be on my feet much.

"I was growing worse all the time, until I took your medicine.

"After taking three boxes of Lydia E. Pinkham's Vegetable Compound and Liver Pills, the tumor passed from me.

"My health has been better ever since, can now walk quite a distance and am troubled no more with palpitation of the heart or bloating. I recommend your medicine to all sufferers from female troubles."

It is hardly reasonable to suppose that any one can doubt the efficiency of Mrs. Pinkham's methods and medicine in the face of the tremendous volume of testimony.
