BASKETBALL THE POPULAR SPORT

State School League Opens in Salt Lake With Fast Contest.

L. D. S. U. DEFEATS PROVO.

Looked Like Easy Game for Visitors Until Second Half—Doings In Ensign League.

That basketball is the popular sport these days there can be no doubt whatever. This was clearly shown by the games played during the past week and the opening of the State School league schedule Saturday night at the Y. M. C. A. when the teams representing the L. D. S. U. and the B. Y. U. clashed and fought it out for victory in the first game.

The contest was a good one; one of the best seen here for a long time, and the result stirred up a great deal of enthusiasm. It looked like a cinch for the Provo boys in the first half. At the end of half the session the visitors had a good lead, 19 to 5, and they had played to the locals off their feet. But in the second half things were different, and the L. D. S. U. five started out with a determination to win, and win they did. They simply smothered the lads from the Garden City, and outplayed their rivals in all departments of the game, winning finally, by a score of 39 to 18. The game was witnessed by a large crowd and Provo had on hand a bunch of rooters almost equal to those for the local team.

The teams lined up as follows:

L. D. S. U.		B. Y. U.
Miller	R. F.	Chamberlain
Land	L. F.	Christensen-Steed
Anderson	C.	Steele
Taylor	L. G.	Jones
West	R. G.	J. Christensen

Referee, Adams; umpire, Metcalf.

STANDING OF TEAMS.

The Twentieth and Eleventh ward teams in both divisions, in the Ensign league, were the only teams in that organization to play during the week and the Twentieth won both games. This week the Eighteen and Twentieth fight it out again and a good game is looked for. The standing of the teams at present follows:

FIRST DIVISION.

Teams.	Won.	Lost.	P.C.
Twentieth	6	0	1.000
Eighteenth	2	0	1.000
Twenty-seventh	3	2	.600
Eleventh	2	3	.400
Twenty-first	0	5	.000
Twelfth-Thirteenth	0	3	.000

SECOND DIVISION.

Teams.	Won.	Lost.	P.C.
Twentieth	6	0	1.000
Eighteenth	2	0	1.000
Twenty-seventh	3	2	.600
Eleventh	2	3	.400
Twenty-first	0	5	.000
Twelfth-Thirteenth	0	3	.000

LEHI'S GOOD SHOWING.

The Lehi High School basketball team made a splendid showing against the strong Y. M. C. A. five Saturday night at Lehi, holding the champions down to a score of 28 to 32. A large crowd was present and saw one of the fastest games ever played in Lehi. The association boys won by better throwing from field. The Y. team left on its Colorado trip last evening. The teams lined up as follows:

Y. M. C. A.		Lehi H. S.
Hammond	L. F.	Evans
Wilcox	R. F.	W. Davis
Hofman	C.	E. Holmstead
Holsington	R. G.	G. Holmstead
Bloomquist	L. G.	J. Davis

Referee, Whittle; umpire, Gunn.

GAME AT LOGAN.

The opening of the league season occurred at Logan with a game between the Aggies and the B. Y. C., the latter winning easily by a score of 42 to 18. The lineup:

B. Y. C.		A. C.
Young	L. F.	Cook
Johnson, Eayers	R. F.	Whitehead-Coburn
Roskelly	C.	Dixon
Wangsgard	L. G.	I. Egbert
Allred-Skidmore	R. G.	A. Egbert

Referee, Hoffer; umpire, Adams.

AT FORT DOUGLAS.

The Company H team at Fort Douglas defeated the Phillips' Congregational Boys' club team by a score of 32 to 27. The lineup:

Fort Douglas.		Phillips.
Knicknear	R. F.	Chandler
Lesowitz	L. F.	Price
Harper	C.	Walker, Barwell
McConnell	R. G.	Parker
Levoux	L. G.	McDonald, Lewis

Referees, Lieut. Elliott and Lester Wire.

A fast and exciting game was played at the Granite stake house between the Granite High School and the Weber State Academy teams, the former winning by a score of 47 to 19.

BOWLING RESUMED.

After a rest during the holidays the bowling enthusiasts will start their favorite game again this evening when the Crowns and Z. C. M. I. teams clash. Tomorrow evening the Crescents and All-Americans will fight it out. The teams have been in practise right along and close and interesting games are looked for.

Sleep

Sleep is nature's rebuilding period, when the energy used by the brain, muscles and organs is renewed. If you lose sleep, your system is robbed of the strength sleep should give. Continued loss of sleep multiplies this loss until you become a physical wreck. Dr. Miles' Nervine quiets the irritated nerves and brings refreshing, invigorating sleep. Nervine contains no opiates, and therefor leaves no bad after-effects.

"For over two years I suffered untold agonies; my friends thought I was going crazy. I could not sleep nor rest at all. I tried different doctors, but failed to find relief. My head would ache all the time; I was like one drunk; could not concentrate my mind, and was so restless and worried that sleep was out of the question. After taking one bottle of Dr. Miles' Nervine I felt wonderfully changed. I am now on my third bottle and am gaining all the time. I can lie down and sleep like a child, and am able to do my work."

PETE SULLIVAN RETURNS.

Shows No Bad Effects from His Fight With Thompson.

Pete Sullivan, the popular local lightweight fighter, who defeated "Cyclone" Johnnie Thompson at Pocatello Friday night, returned from Idaho yesterday morning feeling fine after the battle with the exception of some trouble caused by a foul blow from Thompson. Aside from the cut over his eye, which he received in training, he shows no marks, but it is said that Thompson is badly cut up.

Sullivan declares that Thompson fouled him repeatedly but he was determined to defeat the "Cyclone" decisively, and did so. In the twelfth round he hit Thompson so hard that his glove broke, and it took six minutes to put on a new one and in that time Thompson had sufficiently recovered to stick out to the end.

BLACK FIGHTERS ARE COMING TOGETHER

New York, Jan. 16.—Jack Johnson, the new "bogie man" of the prize ring, will be up against a strenuous question of his own color before he lands back on his native heath. Joe Jeannette has landed in Paris to dispose of Sam McVoy and prepare for Johnson's approach, and the inimitable Sam Langford has taken passage for England to settle a little argument for "Arthur." Jack and Joe and Sam have had various encounters, and it would take an expert mathematician to figure out which of the dusky warriors has come out on top. Whenever the market has been dull, they have gotten together and given themselves a run for the public money.

Before sailing away, Joe Jeannette, who, if anything, is the squarest of the trio, declared that he had never framed a fight in his life. "I have been accused of fixing it with both Johnson and Langford, but I never did and never will," said Joe. "But I'll tell you one thing, and that is this: I can beat Jack Johnson. There may be men who can beat me, but I know I can beat Johnson. I was robbed the last time I met him. I can take all he can give me but I know I can make him step finally.

"I can beat Sam Langford, too. Sam always has it on me at the beginning. He usually floors me, but I get up. That discourages him, and I play for his wind and wear him down."

It wouldn't be surprising if Joe should tackle Johnson in Paris or London and bring home the bacon.

JEFF MAKES GOOD.

San Francisco, Jan. 17.—James J. Jeffries, the retired champion heavyweight pugilist of the world, this afternoon made his debut on the stage at the Wigwam theater, before a packed house. Jeffries boxed three rounds with Sam Berger, did some shadow boxing and skipped the rope. He appeared to be in as good condition as when he fought his last battle in the ring, four years ago. His footwork, always remarkable for so heavy a man, was as speedy as ever. So strong is the belief in sporting circles in this city that Jeffries will meet Jack Johnson, that wagers are already being laid that he will defeat the colored man.

Jeffries was so well pleased with his reception today that he is contemplating signing a 30 weeks' theatrical contract to appear in the east.

SALT LAKE MAIDEN KILLS BROWN BEAR

Exciting Hunt for Bruin in City Creek Canyon Yesterday.

GEORGE CARTER WAS INJURED

Falls and Revolver is Discharged, Bullet Passing Through His Arm—Miss Boes Good Shot.

For some time there has been a savage big brown bear in captivity at Liberty park and for some weeks the animal has been unmanageable and so ferocious it was almost impossible to feed the brute. A number of Salt Lake sportsmen got together and secured the bear and decided to turn bruin loose in City Creek canyon and have a bear hunt.

The hunt took place yesterday afternoon. The animal was taken to the summit of the large mountain back of Ensign peak and given his freedom. Half an hour later about 20 mounted hunters, armed with rifles and revolvers and accompanied by a pack of dogs of the Airdale variety, started out to find the bear and end its career. In the party was Miss Helen Boes, daughter of John F. Boes, and to her fell the honor of firing the shot that brought Mr. Bruin down.

When the trail of the bear was struck the dogs refused to follow it, and it was up to the hunters to track the beast. Up and down the mountain they followed the trail and for a time it was feared the animal had escaped. He was finally located in a cave at the side of the mountain, and was routed out. He started down the mountain at a terrific rate of speed, the dogs barking and snapping at his heels. The bear stopped once or twice, just long enough to give one of the dogs a Jeffries'like swipe and send the yelping canine about 20 feet away. The bear was lost sight of again but was cornered in a draw. Unable to go forward the animal realized it was a case of fight and made preparations for the final struggle.

At the head of the party was Miss Boes and she was given the first shot. The animal made ready to charge but Miss Boes was not afraid and calmly fired two shots in quick succession and bruin fell dead in his tracks. The hide was drawn by W. D. Rishel, but he insisted that Miss Boes keep it.

During the hunt, George Carter, one of the party, was trotting along the mountain side and fell to the ground. He carried a heavy revolver and the hammer struck a stone and discharged the weapon. The bullet passed through Mr. Carter's arm. He quickly made his way to the hospital where the wound was dressed. The injury is not serious. The members of the party were:

F. L. Hansing, Dr. Stewart, John F. Boes and Miss Helen Boes, Mike Yokel, George Carter, R. McKenzie, B. H. Redman, James E. Flynn, Frank Roberts, Mr. and Mrs. Harniss, F. E. Schefski and W. D. Rishel.

EVILS CROPPING OUT IN ATHLETIC GAMES

New York, Jan. 16.—The registration committee of the A. A. U. finds that there are quite a few evils cropping out in relation to athletic games, among which are the following:

Demands of athletes for orders for prizes or their appearances, whether they win or lose.

Athletes allowing professional trainers to make arrangements for their appearance at out-of-town meets.

Receiving credits by athletes for prizes won until they accumulate, and then taking something for the combined value of all.

Accepting orders on jewelry firms for such prizes as a competitor chooses, a practise that is contrary to the rules, which state that prizes shall be awarded, and they must be suitably inscribed.

Giving of prizes beyond the A. A. U. value without receiving the consent of the registration committee.

Arranging for exhibitions of athletic champions by placing a scratch event on the program, wherein there are one or two additional competitors not capable of creating any competition and giving all of them prizes. The A. A. U. rules allow no prizes to be given for exhibitions.

The registration committee feels that in view of rumors and newspaper articles that they must act, and promptly, too, for the good of sport. A start has been made and it will have a beneficial effect. If newspapers, clubs and officials will help the committee, it is believed that abuses from now on will cease.

No further warning will be given, but the committee will act promptly on any information it receives, whether it be as to an athlete, club or promoter.

Athletes who transgress will be permanently suspended, and clubs who disobey the rules will be censured and further sanctions refused them.

SHERIFF BREAKS IN.

Cleveland, O., Jan. 17.—Negotiations were concluded here today for a match between Jimmy Walsh of Boston, bantam champion of the world, and "Emergency" Kelly of New York. The fight will take place in Boston in February.

Kelly was matched to meet Tommy Kilbane of Cleveland for the featherweight championship of Ohio in a 25-round bout here today, but the sheriff burst in the doors and dispersed the spectators just as the men were entering the ring.

SHRUBB GOES SOME.

Has Beaten Two Horses In a Ten Mile Race.

New York, Jan. 16.—According to Alfred Shrubb, the champion professional 10-mile runner, a horse has the advantage over a man in a race, because he has four legs—one in each corner. The man only has two corners.

Notwistanding this interesting fact, Mr. Shrubb has beaten two horses at county fairs in Canada. "But you must understand," explained the Englishman, "they were lacking in class." The horses selected to run against him for 10 miles were common road horses and for the first time had met a man on equal footing.

"I came near winning the horse championship in Canada, though," declared Shrubb, "as a brute who was a real racer only beat me about 20 yards in 10 miles."

Since turning professional, Shrubb is endeavoring to gather in all the loose change available, which is largely due in his ambition to own a country estate in England. Otherwise he would never have agreed to meet Longboat, the Indian, in a race over the Marathon course, which is a little more than 26 miles.

The wiry little Englishman explained that he was working as a carpenter when he discovered that he could run. In those days the boys of Sussex had cross-country runs at night twice a week.

"Just for a lark one night," he said, "I entered the race and discovered that I could beat any of them. I could run five miles without tiring. Later I found that I could run 10 just as well."

Shrubb became a professional four years ago, because he was suspended by the amateur authorities in England for accepting a steamship ticket from London to Canada.

LILIUOKALANI HAS FAITH IN AMERICAN JUSTICE

Washington, Jan. 17.—Lydia Kamekaha Liliuokalani, former queen of the Hawaiian Islands, who is here making an appeal to Congress for compensation for the crown lands which she lost when the islands were annexed to the United States, said today in an interview with the Associated Press that she believes Congress will make some reparation for her great financial loss.

"I am now reconciled to the change of government in Hawaii," said the ex-queen. "But I am too loyal to the United States to be willing to be the occasion of reproach when future historians shall tell how this government was enriched by accepting without compensation land it had assisted in taking from a weaker sovereignty.

"Through the loyalty of Hawaiian people I can end my days without actual want, but if this nation does not soon act it will lose forever the opportunity to make reparation for what one of its presidents called an unwarranted act. Hawaii has cost this nation nothing, but valuable lands have been added to this country's domain by its acquisition. Although this government assumed $4,000,000 of Hawaiian debt, the cash revenues to the federal treasury since annexation have amounted to over $10,000,000."

The former queen is 71 years of age and bowed with the grief of blighted hopes. She speaks falteringly when she alludes to the days that were glorious for her as a ruler of a kingdom. She says she probably will remain here throughout the present session of Congress unless her claim is granted sooner. This probably will be her last visit to the states.

BENO SALOME, OLD TRAPPER, COMMITS SUICIDE

Boise, Ida., Jan. 17.—A coroner's inquest held today at the isolated and snow-covered cabin of Beno Salome, the 80-year-old trapper and miner found dead Saturday near Idaho City, and probably the first white man to enter what is now Idaho, aside from Hudson's Bay men crossing it, revealed that the old man shot himself with a rifle that he had carried in the mountains for many years, and which bore over a hundred nicks, whether all for beasts is not known. He had run a pencil through all the January dates on his wall calendar up to and including the 9th, which was probably the date of the suicide. On a slip of paper he had scribbled the words, "Very sick," and below them "Crazy." He left his belongings, including his gold dust, to miner friends. A sister and a brother reside somewhere in California.

VIOLET CHARLESWORTH FOUND AND IDENTIFIED

London, Jan. 17.—Miss Violet Gordon Charlesworth, whose mysterious disappearance a short time ago caused a great deal of excitement, because of her remarkable career and her intimate association with extensive stock deals, has been found and identified at Oban, Scotland.

It was reported that Miss Charlesworth, who lived with her parents in Bogera, St. Aspah, Wales, was killed while automobiling in the neighborhood of Penmaenmawr with her sister and Chauffeur about two weeks ago. The young woman was said to have been hurled over the seawall.
