Fort Douglas Notes.

Major A. G. Merkley of the Twenty-fourth infantry has returned to Fort Douglas. The major has not been at the post since he left for the front at the opening of the war. He went away as a captain, but was promoted to a majority of the Eleventh infantry, but to upon transferred to the Twenty-fourth. Major Merkley was in command of the regiment in the battle of San Juan, after Colonel Liscum was killed, and acted another regiment in the action not only by his bravery at Kettrey and San Juan, but by his treating of Nera during the terrible days of fever and sickness that followed. He is a Mormon and a son of Captain Lewis.

The funeral of Private Jerry Hubbel, who died at Manila, was conducted yesterday with all the honors pertaining to a soldier's burial the entire regiment taking part. Chaplain Adamson preached an eloquent sermon at the grave, and the flags at the post were at half mast during the interment.

THE SCHOOL CONTEST.

It Occurs Tomorrow and Promises to be Quiet Except in the Second Precinct.

WILL BE VERY LIVELY DOWN THERE.

Committee in Charge of Cutler's Campaign Certain that He Will Succeed—Opponents are Also Active.

The school election occurs tomorrow. Quiet prevails in all of the precincts except in the Second. There the Cutler and Walker factions are actively engaged in preparing plans which they hope will be successful for their own side. The former declare that there is no reason why they should not be victorious though the opposition appears to have as much money with which to hire men and teams as the county chairman of some big political organization.

"But this does not discourage us at all," said one of the Cutler men today. "What our friends the enemy accomplish with money we confidently expect to overturn with good hard work and votes. Mr. Walker is a gentleman in all respects so far as I know, but the manner in which he was nominated was antagonistic to the views of the majority of the voters in the Second precinct. This, I think, will be clearly proved tomorrow when the ballots are counted. We understand the game of the opposition pretty well and will govern ourselves accordingly. Our scheme is to employ every man who under the very uniform of things would be inclined to vote for Mr. Cutler; that is they employ him if he thinks so little of himself as to sell out. But we know all of these men and will offset their efforts wherever we find it advisable."

THE CANDIDATES.

For the benefit of persons who do not really remember those things the names of all the candidates for school board honors are as follows:

First Precinct—E. R. Critchlow, to succeed himself.

Second—M. H. Walker and John C. Cutler.

Third—W. J. Newman, to succeed himself.

Fourth—B. S. Young, to succeed H. G. Whitney.

Fifth—Simon Bamberger, to succeed himself.

All of the successful candidates will be chosen for the ensuing term of four years, longer than the customary term. This extension is under the new school law passed by the last Legislature.

LOCATION OF POLLING PLACES.

The polling places will be located as follows:

First Precinct—Eighth ward meeting house.

Second Precinct—Oregon Short Line building, two polls; Fifth ward school house, one poll, and so on at 350 West Second South street, one poll.

Third Precinct—Old Sixteenth ward school house.

Fourth Precinct—Taggart's hall.

Fifth Precinct—Old Thirteenth ward school house.

The polls will open at 7 a. m. and close at 7 p. m.

SPECIAL BOARD MEETING.

Two New Election Judges Appointed and Ballots Ordered Printed.

The board of education held a special meeting at noon today to consider matters incident to tomorrow's school election. Among the business transacted was the appointment of Judges to act in place of those who felt indisposed to act quickly. Only three changes were made. Two of them were in the Second precinct, and the other one in the Fifth. In the former A. W. Raybould declined to act and Lorenzo Cummings was named in his stead; also C. P. Margetts was named in place of Chas. H. Hyde. In the latter Jake Greenwald was chosen in lieu of George A. Rose.

The board also authorized the printing of ballots for tomorrow's election, in which it was decided that the candidates themselves were called upon to furnish their own tickets, and to do so at their own expense.

Fire and Police Commission Met.

The members of the fire and police commission, that is, three out of the five, decided at a meeting held last evening to recommend to tonight's City Council the adding of two men to the police force. The chief's request for the retooling of the office of police captain was not considered favorably.

The same committee will recommend that the monthly allowance to the Women's Rescue Home be increased from $50 to $75. It will also be recommended, by the same committee, that an ordinance be drawn up authorizing the Mayor of Police to use his discretion in committing women and girls to the rescue home.

A motion to increase the salary of Detective Sheets from $90 to $100 per month was lost.

In the matter of the recommendation of Fire Chief Dewis for the placing of a steam heating plant in the old city hall, Chief Dewis and Chief Dwyer, of Commission House were appointed a committee to make specifications and report to the Council.
