FUNERAL OF FRANK CLARK.

The J. S. Lewis Company Incorporates—Pullman Porter Held for Grand Larceny.

Ogden, Oct. 3.—The City Republican campaign has now started in earnest in Ogden, and will be pushed vigorously until after the election next month. Last evening the central committee and candidates met and discussed ways and means for conducting the campaign.

A campaign committee composed of Sidney Stevens, W. C. Howell, E. W. Wade, Rudolph Kuchler, Albert Power, William Glassmann, E. T. Hulaniski, David Jensen and John V. Bluth was appointed. They selected Mr. Hulaniski as chairman and Mr. Howell as secretary.

The following city committee was selected: R. D. Pincock, W. J. Critchlow, Henry T. Snyder, Seth Thomas, T. D. Van Dyke, Jr., E. W. Kennedy, Mark Murphy, Albert Power, O. R. Nelson, David Jensen, George J. Kelly, G. Alva Sebring, E. W. Wade, R. S. Farnsworth, G. E. Noune, John E. Dailey and J. W. Wilcox. The committee selected as chairman E. T. Hulaniski; vice chairman, David Jensen; secretary, John V. Bluth.

These committees will immediately commence to work pleading the cause of their candidates.

The Democratic city convention for the nominating of a city ticket is being held this afternoon at the county courthouse. Several names are being mentioned for each office. The Democrats have more hope of electing at least some of their ticket this fall than they have had for a number of years. The council ticket named by them is considered very strong and with a good

FUNERAL OF FRANK CLARK.

Impressive funeral services for Frank Clark, who died Monday, were held yesterday at the family residence at Layton, Davis county, Bishops Counselor William Nalder of the East Layton ward presiding. Appropriate music was furnished. The speakers were Bishop Layton, Elders Larkin, John Keowles and William Nalder, who offered words of consolation to the sorrowing family. A large funeral cortege followed the remains to the Kaysville cemetery, where they were laid to rest in the family burial plot. Beautiful flowers covered the casket.

THE J. S. LEWIS COMPANY.

The J. S. Lewis & Company have filed articles of incorporation with the county clerk. The company is incorporated for a period of 100 years, with a capital stock of $100,000, divided into shares of the par value of $100 each. The principal place of business will be Ogden City, but maintain the privilege of having branch business in any other part of the state. The officers and incorporators are J. S. Lewis, John A. Adams, Winfield D. W. Zeller, Eva P. Lewis and Matilda Herrick. The business pursuit of the company will be the conducting of a general jewelry business. The Lewis jewelry was commenced in 1870 by J. S. Lewis, Sr., and has gradually advanced until today it is one of the finest jewelry business in this state.

HELD FOR GRAND LARCENY.

I. J. Jones, the colored porter who was in the employ of the Southern Pacific, and was arrested a month ago on the charge of grand larceny, was given a preliminary hearing yesterday at Brigham City. Among the witnesses to testify against him were Detective James F. Pender, Sergeant Pincock, and Officer Martin of Ogden. The testimony went to show that Jones picked up a pocket book, belonging to a Southern Pacific passenger, which contained $125. He kept the money. The loss of the money was not discovered until near Ogden, and suspicion fell on Jones. When arrested he had the money on his person. He was bound over to answer to the charge to the district court. In default of $500 bonds he was turned over to the custody of Sheriff Josephson.

STRENGTHENING ROADWAY.

Engineers and a force of several hundred men are at work on the line of the Ogden-Lucin cut-off, rip-rapping the grade and trestle work. The railroad company has been having no little trouble the past year with the heavy waters of the lake breaking against the trusses, making it absolutely dangerous at times. By the accomplishment of the rip-rapping the road will be strengthened very much.

"AMERICAN" PARTY FIASCO.

The much advertised meeting to launch the "American" party, which was to have been held last evening, turned out to be a fizzle, as but about 10 persons attended and then waited in vain for the appearance of leaders from Salt Lake. Among those present were Dan Pugh, Al Harris, A. R. Otis, C. A. Smurthwaite, Horace S. Foster and O. A. N. Kennedy. It was deemed an inopportune time to launch the party. But one of those present last night assured the "News" reporter this morning that if the Democrats in their convention today endorse the administration of Mayor Conroy the "American" party will be launched in Ogden sure.

BRAKEMAN LOSES AN EYE.

While George L. Code, a L. S. brakeman, was riding on the engine, west of Ogden yesterday forenoon, the waterdraft of the engine burst. The hot water and steam escaped full in his face, scalding it badly, and putting out one of his eyes, which will probably have to be removed. He was brought into Ogden for treatment at the general hospital.

BRIEFS AND PERSONALS.

E. F. Tout has gone to Salt Lake to spend a few days before departing for London to join his family.

The advance sale for "The Lieutenant and Cowboy" to be played at the Grand Opera House Saturday night is very good.

LECTURE BY V. S. PEET.

Mr. V. S. Peet gave his great lecture, "How Utah Is Misrepresented," here one evening last week. The people were very much edified in listening to his very interesting address.

His portrayal of the infamous efforts of Dubois, Iliff, Leilich and others in their libelous crusade against Utah and her people, showed these detamers in their true light. Article after article was read to substantiate his words. In the illustrated part of his lecture Mr. Peet showed the meanness and depravity of the defamers of this fair state. The unjust comparisons used to hoodwink the eastern people and to increase their hatred toward this great commonwealth were pictured on the canvas.

At the conclusion of his lecture the speaker paid a glowing tribute to the state and to the sturdy character of her people, the place Utah students have attained in eastern colleges and the high moral plane upon which the people of Utah stand. Mr. Peet is a scholarly speaker, and in his extensive tours in the east he has dared to lift his voice in favor of Utah and her people under the most trying circumstances and has come out of the fray a victor. Thousands have listened with amazement to the words of truth from his lips and have gone away with a more enlightened opinion of Utah and the Latter-day Saints.

Dr. Byron W. King gave two lectures here last week under the auspices of the public schools. One on the evening of the 22nd, the other on the 23rd. Both were highly instructive and entertaining.

SCHOOLS WELL ATTENDED.

The public schools are now in excellent running order. A new steam heater was installed during the summer vacation and many other improvements were made. About 95 per cent of the children in the school district are in attendance. The teachers are: Robert L. Ashby, principal; James C. Orr, Miss Emily Brown, Miss Mary Whibly, and Miss Sarah Bates.

WARD CONFERENCE.

Conference of the Alpine ward was held on Sept. 22. S. L. Chipman, Jas. H. Clark and A. J. Evans of the stake presidency were present.

The Y. M. M. I. A. was organized with the following officers: J. C. Orr, president; C. C. Huckett, first, and Mark Strong, second counselor.

A daughter was born to Mr. and Mrs. Wm. Devey, Sept. 30.

SPRING CITY.

M. I. A. CONVENTION.

Coal Situation Improved Over Last Winter—Larger Grain Crop.

Special Correspondence.

Spring City, Sanpete Co., Oct. 1.—The Y. M. and Y. L. M. I. A. of North Sanpete Stake held their annual convention here on Sunday. There was a large representation of officers and members, and the meetings were better attended than those of any previous convention held in this stake. The general M. I. boards were represented by Elder Joseph F. Smith, Jr., and Mrs Julia A. Brixen.

COAL SITUATION IMPROVED.

The local coal situation is much better than it was last winter. Many families already have their supply, and two cars have been received during the past week with promise of more in the near future. The chief source of supply, however, has been that hauled from the mines by teams. The coal "scare" during the summer has resulted in good in this locality.

Threshing is under way. The wheat crop is considerably larger than that of last year.

S.S.S. CURES ECZEMA

The cause of Eczema is a too acid condition of the blood. The itching, burning eruptions are caused by the outpouring through the pores and glands of the skin, of the fiery poisons with which the circulation is loaded. This acrid matter coming in contact with the delicate tissues and fibres with which the skin is so abundantly supplied causes irritation and inflammation and often excessive discomfort and annoyance. While external applications, such as salves, washes, lotions, etc., are soothing and cleansing they are in no wise curative, because they do not reach the blood where the trouble is located. You can never cure Eczema with outside treatment; the blood must be purified. S. S. S. is the best treatment for the disease. It goes down into the circulation, neutralizes the acids and humors with which the blood is infected, and makes the blood-current fresh and healthy. Then instead of fiery, acrid matter oozing out through the pores and glands, irritating the cuticle, the skin is nourished by a rich, cooling, healthy stream of blood. S. S. S. removes every trace of the disease, and when the cure is complete the skin is left smooth and free from any eruption. Book on Skin Diseases and any medical advice furnished free of charge to all who write. THE SWIFT SPECIFIC CO., ATLANTA, GA.
