GRANITE IRONWARE is more than a luxury—it is a necessity. It is clean, healthy, handy and neat; there is as much difference between it and tinware, as between a china and a tin cup. It is cheap, because it lasts, and it is always nice. Every good housewife should use it, and those who once try it won't have any thing else. It is the best ware made for the kitchen. Cook Book and Price List Free on application. Be sure to mention this paper. Manufactured only by the ST. LOUIS STAMPING CO., ST. LOUIS, MO.
