Crystal and Martha Dunn, of Oxford, Cassia County, Idaho, recently lost their fourth child, by death, within four years, and are now childless. A sad case.

We have received an invitation to a social re-union, under the auspices of the Young Men's Mutual Improvement Associations, in the Social Hall, February 9th, 1882, at 7 p.m.

The Glendive *Times* is authority for the statement that the tracklayers of the Northern Pacific, west of Glendive City, laid track on Monday, the 16th ultimo., when the temperature was thirty-six degrees below zero.

Judge Wilder, Justice of the Peace in Bingham precinct, took a lunatic from Bingham on Thursday afternoon, with suicidal intent. A physician was called on the scene and baffled the disease by appropriate remedies.

Some burning soot in the chimney of the building occupied by the Capitol Saloon caused excitement in town last night. The fire bells rang and the brigade turned out. It was an illustration of much ado about nothing, but it showed that the fire boys are on the alert.

When this morning's U. & N. passenger train from the north reached Willard a broken rail threw the sleeper and a coach off the track. The couplings and boxes of the cars were thrown out, but no serious damage was done. No one hurt.—*Ogden Herald.*

LOCAL AND OTHER MATTERS.

Attention, Firemen.—The members of Pioneer Engine Co. No. 1, are requested to attend their regular monthly meeting, on Monday evening, at half past 7. A full attendance is desired.

Assembly Hall Services.—The regular Sunday services of the Church of Jesus Christ of Latter-day Saints will be held at the Assembly Hall to-morrow afternoon, commencing at 2 o'clock.

A Good Portrait.—Yesterday we were shown a life-size bust portrait, in oil, of Mrs. Margaret Pierce Young, fresh from the brush of Bro. Lorus Pratt. It is strikingly lifelike, doing credit to the skill of the artist, who is making rapid progress in his profession.

Postponement.—In consequence of the holding of the Primaries on Monday night, the regular monthly meeting of Superintendents and Teachers of Sabbath Schools is postponed for one week. Superintendents of Sunday Schools will please make this announcement to-morrow. If the Bishops would do the same thing in their ward meetings, Brother Goddard would feel obliged.

Home Productions.—The stock of J. C. Cutler's commission store is made up exclusively of home manufactured goods, and is a fair index of what is being done in the matter of local industries. For instance a glance around the premises shows a variety of goods such as the following: Cassimeres, tweeds, doeskins, jeans, linseys, flannels, blankets, yarns, shawls, waterproofs, wool battings, men's overshirts, stockings, imitation leather covered trunks, leaks, zinc trunks, toilet and laundry soaps, brooms and brushes, candy, crackers, washboards, matches, glue, neat-foot oil, Matthews' essence of Jamaica ginger, Matthews' blueing, salt, and a host of other things.

Poll Tax.—Our correspondent "Index" hands us this about the poll tax:

It is hard to complain of the bridge that has carried us over. I have never complained of the poll tax law. Our highways and byways, bridges and crossings largely owe their past and present existence to its potency. The way also in which all are notified—between the age of 21 and 60—is quite significant and ennobling, reminding one of the honest way of doing business by the Pilgrim Fathers, "Be there with pick and shovel." What can be more exhilarating to the ambitious and industrious young man? It gives him all the privileges enjoyed by an American citizen—the right to vote.

By repealing this law we should disfranchise a large number of good citizens.

In conversation the other day with an intelligent and aged citizen—a very old resident, he pathetically and patriotically remarked, 'I have no vote. I own no taxable property.' I felt to regret that he was, by old age, excluded from paying poll tax, being over 60.

Upon the premises I would rather see the law amended and made to extend to a man's lifetime, in order to secure this inestimable boon—sovereignity—the right to vote; the birthright of every good individual, of every patriot. For this one reason, if for no other, I am, for one in favor of the continuation of the poll tax law.

FATAL ACCIDENT.

JACOB LEANDER BURGESS IS KILLED BY THE ACCIDENTAL DISCHARGE OF A GUN.

On January 22d, a week ago last Sunday, Jacob Leander Burgess, aged 15 years on the 21st of September last, was traveling towards his home in Pine Valley, Washington Co., in company with his mother, Miss Effa Gardner and William Lloyd. When about seven miles from their destination he got out of the carriage to get his gun to shoot some birds. In taking the weapon from the back end of the vehicle with the muzzle toward him, it was discharged. The contents entered his left breast a little below the collar bone, inflicting a terrible and fatal wound.

The unfortunate young man was lifted into the carriage and conveyed to his home, suffering excruciating pain. Dr. Cooper, of Silver Reef, was at once summoned to his side. He discovered that the shot had passed through the left lung and lodged under the shoulder blade. The patient lingered until 5 p.m. on Wednesday, January 25th, when he expired.

At the time of the accident young Burgess' father and brothers were 75 miles distant. As soon as they heard of it they started for home and traveled day and night, but did not reach there till about seven hours after his death.

Deceased was the son of Harrison and Amanda Burgess, among the first settlers in Pine Valley. He had been ordained to the office of a Deacon, and was greatly beloved, not only by his relatives, but all who were acquainted with him. For these details we are indebted to R. L. Lloyd.

The People's Primaries.—Primary meetings of the registered voters of the People's party will be held on Monday evening, at 7 o'clock. Their object is to elect delegates to the People's Convention, to be held at the City Hall, next Wednesday. At the convention candidates will be nominated to form the People's Ticket, to be voted at the municipal election to be held a week from next Monday.

It is to be hoped the qualified electors of the People's party will go to the primaries and take part in the selection of men who will correctly represent their will in the convention. That all may be awake of the places of holding the primaries, we publish them herewith:

1st Municipal Ward, comprising the 1st, 2nd, 3rd, 8th, 9th and 10th Bishop's Wards, at the 9th Ward School House.

2nd Municipal Ward, comprising the 4th, 5th, 6th, 7th, 14th and 15th Bishop's Wards, at the County Court House.

3rd Municipal Ward, comprising the 16th 17th and 19th Bishop's Wards, at the 16th District School House.

4th Municipal, Ward, comprising the 18th, 20th and 21st Bishop's Wards, at the 20th Ward School House.

5th Municipal Ward, comprising the 11th, 12th and 13th Bishop's Wards, at the City Hall.

Home-made Valentines.—Mr. Savage, of the Art Bazar, is fully fortified for the Valentine season, having probably the largest and handsomest assortment of illuminated missives ever seen in this part of the country. This morning we took a glance at his stock, and were gratified to observe that the home made valentines of the large collection carries the palm in point of beauty, being at the same time equally low in price. The home articles are made up from materials obtained from various parts of the globe, including some of the pretty grasses indigenous to Utah. They are more elaborate, and manipulated with greater care and better taste than the foreign ones. We were pleased to learn that no less a number than 11,065 had been made by the little girls of a couple of widows of the 20th Ward, and nearly 4,000 by another family. Mr. Savage has demonstrated that valentines can be made here as cheaply as in the East. We are sure that votaries of Valentine will not buy the missives brought from abroad after seeing Savage's home-constructed ones.

Additional Particulars.—The following gives additional details of the Silver Reef homicide of Thursday night:

SILVER REEF, Feb. 3.

Evidence adduced at the examination of Steele this forenoon, for the murder of Rafferty, indicates that Steele drew his pistol with the intention of shooting the bar-tender Quilian. It appears that the latter, after taking considerable abuse from Steele, struck him in the face. Steele had his pistol in his hand in an overcoat pocket, and drew it while staggering back from the effects of the blow. He claims that it was accidentally discharged. The excitement is still intense, and threats of lynching are freely expressed. Capt. Lubbock and Father Gallagher addressed the crowd this afternoon, setting forth the evils of mob law, and urging them not to proceed to extreme measures, and this advice will probably be heeded.

Y. M. M. I. A. Meeting.—The regular monthly meeting of the Young Men's Mutual Improvement Associations will be held in the 14th Ward Assembly Rooms on Friday evening, February 10th, at 7 o'clock.

The exercises will consist of music by the 16th Ward Choir, essays, readings, reports from the various Presidents, etc.

All interested parties are invited to attend.

The change of the evening of meeting is in consequence of the Y. M. M. I. A. party to be held in the Social Hall on Thursday evening, February 9th.

Surprised Him.—Bishop Geo. F. Farnworth was in Wales, Sanpete, on Jan. 24, on business. It happened to leak out that it was the 64th anniversary of his birthday. Bishop Reese and a number of others, among whom were a number of young ladies, extemporized a nice party in honor of the occasion, giving him a delightful surprise.

Grand Jury.—The grand jury for this district will be empanelled on Monday, for the February term.

'DON'T GIVE UP THE SHIP."

When these words were spoken by our lamented Lawrence, it must have been a solemn time for those on board, and probably not a dry eye among them, seeing their commander mortally wounded, and still giving orders like the above; but not more solemn than when the family physician informs you that some one of your family has an affection of the lungs which, if neglected, will eventually terminate in Consumption. But, reader, don't be frightened or "give up the ship," for Dr. Hale, a physician of Europe, discovered a remedy for all Coughs, Colds, Hoarseness, Difficult Breathing, and all affections of the Throat, Bronchial Tubes and Lungs leading to Consumption, and C. N. Crittenton, one of our leading medicine dealers, of New York, believing the market required an article which was *certain, safe* and *sure* to do the work, and yet within the reach of all as regards price, etc., has purchased the original receipt from Dr. Hale, and we understand is selling very large quantities of the same, and as far as we hear, it gives entire satisfaction. It is now sold by all druggists in New York, Brooklyn, Jersey City, Newark, N. J., Hoboken, and, in fact, all through the country at 50 cents and $1. Great saving by purchasing large size.

BENEFACTORS.

When a board of eminent physicians and chemists announced the discovery that by combining some well known valuable remedies, the most wonderful medicine was produced, which would cure such a wide range of diseases that most all other remedies could be dispensed with, many were sceptical; but proof of its merits by actual trial has dispelled all doubt, and to-day the discoverers of that great medicine, Hop Bitters, are honored and blessed by all as benefactors.
