Mountain Murder.

SAN FRANCISCO, 19.—A Bakersfield dispatch says: Charles Siegel, a miner of Piute Mountain, was found dead last Friday, with three bullett holes in his body. Tom Herbert, a discharged employe, was arrested and charged with the murder. Last night Deputy Sheriff, Ben Mitchell, was killed while defending Herbert from a mob of men. Tim Canby is supposed to be mortally wounded.

Wretched Robbers.

ST. LOUIS, 19.—John Bergler, Creed Chapman and John Land, three of the men arrested on suspicion of being interested in robbing the Chicago and Alton train at Blue Cut, near Independence, Mo., Sept. 29th, were indicted to-day by a special grand jury. The testimony against these men is considered conclusive.

A Dreadful Deed.

ST. LOUIS, 19.—The *Republican's* Longview special says: The most horrible crime ever committed in this part of Texas was perpetrated last Wednesday, near Brickville, by a family of negroes named White. A family named Sloan had recently moved into the neighborhood to pick cotton on the farm of Mr. Hill. A dispute arose between the Sloans and a negro named Lum White, because of an accusation by Lum that the Sloan children had been grubbing peanuts from the hills of Lum's patch. Lum went to the house of Sloan on Tuesday and wanted to whip the children, but was prevented by Mrs. Sloan and her daughter, about 15 years of age. For this he swore vengeance, and the next morning, upon the plea that she would show her where some fine muscatines were, the wife of Lum enticed the girl to a deep ravine where Lum was in waiting. While his wife held the girl, Lum outraged and then cut the girl's throat from ear to ear and left her. At the inquest the woman confessed all the details, when a young man named Hart, incensed at this cool recital of fiendish brutality, shot the negro man dead. The wife of Lum and an old negro who lived with them were started on their way to Carthage, but a crowd of men met the escort, took the prisoners and shot them.

Failure in the Fields.

MILWAUKEE, 18.—One of R. G. Dun & Co's. commercial agency reporters has just returned from an extended tour throughout the northwest, securing positive information in relation to the general condition of the farmers and country business men. He states that this is an unprecedented season of rains that have done great damage. For over four weeks the farmers have been unable to do the usual farm work, and the marketing grain in the stacks is much damaged. Potatoes and roots in fields are rotting in the mud. Much corn in the shocks has sprouted, and is ruined, and the outlook generally is bad. He believes the failure of farmers to get their products to market, etc., will prove disastrous to the country merchants. He believes the damage to wheat in stacks and in shocks in the field is very serious.

Railroad Wreck.

MILWAUKEE, 19.—A passenger train on the Milwaukee & St. Paul road, was thrown from the track near here by a defective rail. Fifteen passengers were injured, three seriously.

The number of passengers injured in the accident on the C. M. & St. Paul road this morning, near Pewaukee, was 25, but strange to say, none fatally, although five cars jumped the track. They were but slightly damaged.

Flooding the Fields.

WARSAW, Ills., 19.—The levee broke at a place called Copper Slough, four miles below here, to-day. The water is four inches higher than the big rise of last spring and summer, and is still rising. Much damage will result to the crops and hay, and perhaps stock.

At Hannibal, Missouri, the water lacks only a few inches of being as high as last spring, and the situation is hourly growing more serious.

Claims on Ames.

PHILADELPHIA, 19.—In the U. S. Circuit Court to-day an order was made authorizing Oliver Ames, receiver of the Credit Mobilier in America, to execute unto Thomas C. Durant, formerly president of the Credit Mobilier, full and complete release of all demands against him by the Credit Mobilier, upon the execution and delivery by Durant of the proper legal conveyance of real estate situated near Council Bluffs, Iowa, amounting to about 320 acres, and lands in Platte County, Nebraska.

Who Will Go to Mexico?

BOSTON, 19.—The *Herald's* Washington special says: Already there are half a dozen active candidates in the field for the Mexican mission, which they agree is to be taken from Morgan, of Louisiana, in December next and given to a younger man. Grant is understood to be urging either the retention of Morgan or the appointment of Pitkin, both of Louisiana. John F. Cahill, of St. Louis, is backed for the place by the merchants of the Mississippi Valley. Eugene L. Sullivan, of San Francisco, is urged by prominent men of the Pacific Slope.

FOREIGN.

Recent Riots.

DUBLIN, 19.—The report that Dublin will be proclaimed arose through the police notice, warning the people against riotous assemblies. A party of roughs, on Tuesday night, paraded Sackville, Abbey, Earl and Henry Streets, smashed the windows of residences, tram cars and the postoffice, pelted the statue of Sir John Gray, and broke lamps in Dames and Parliament Streets. The police finally marched down Sackville Street, and the mob dispersed. The damage is estimated at £2,000.

During the rioting here, last night, a number of passengers in a train of cars were attacked and severely wounded. The police captured many prisoners.

Longworth Dains, who recently inherited estates in Westmeath County, deducted one-fifth of the rent of his tenants and promised to reside upon the estates himself and consider further reductions. The tenants paid their rents readily and cheered the landlord.

At the Land League meeting yesterday Rev. Cantwell, who presided, announced that although the weekly meetings will be discontinued the business of the League would as far as possible continue to be transacted at its rooms in Dublin. He urgently advised the people to avoid collision with armed forces.

Four persons injured in the Dublin riots have had their legs amputated.

A council of war has been formed headed by Gen. Steele, to consider the military situation in Ireland. It is contemplated to increase the foot guards three battalions. The Second dragoon guards will be retained at Longford.

Forty policemen are now disabled from injuries received in the recent riots.

BRIEF TELEGRAMS.

Drapery is being removed from all public buildings to-day.

Emperor William and Bismarck have offered the Pope an asylum at Cologne.

Preparations are being made to cremate the remains of Alexander III.

Great fears are entertained the emigrant ship *Thingwall* with 500 people on board, was lost in Friday's gale.

The steamship *Great Eastern* was put up at auction to-day and bought in for £30,000.

The hospital found, by the California millionaire, Michael Reese, will be dedicated next Sunday, with appropriate ceremonies.

The New York *Times* says: Gen. Banks says that he would not be willing to accept the governorship of Arizona, if it was offered to him.

The grand park of the Imperial residence at Gotsching, St. Petersburg, and the approaches to the palace are now brilliantly illuminated with electric lights, to guard against Nihilists.

The opinion is pretty general that the balloon has met with a disaster. The Signal Service has arranged to have the cavalry from Fort Snelling make a circuit of that region in search of it.

The first-class double turretted ironclad *Flexible*, carrying four 80-ton guns, will probably make her trial trip to the Irish coast, thereby making a great increase in the naval force available in the event of disturbance.

On the 18th, a largely attended and enthusiastic public meeting was held at Council Bluffs, the object being to express sympathy for Parnell. It was attended by several thousand people and expressive resolutions adopted.

It is evident that the President does not take the view that his term of office expires four years from the date of his incumbency as he has not reappointed Postmaster-General James, who in that case would be out of office to-day.

Major Jordan, commander at Fort Mission, Iowa, reports that three Flathead Indians were killed near that post by citizens. Chief Carlo demands the surrender of the murderers, and has sent runners to Jack's agency for aid in enforcing his call.

TARRANT'S SELTZER APERIENT

"It feels like a ball of fire rolling up and down the chest," is a common expression among sufferers from indigestion. Then use Tarrant's Seltzer Aperient, and the system, into a healthy condition, so that the digestive organs can do their legitimate work, and you won't be troubled after eating. Dyspepsia is the fruitful mother of many and diseases resulting from the torpid condition of the stomach, and the aperient corrects it easily and pleasantly the cause, and thus cures the disease.
