Where did I get this dreadful cough? No matter; the great question is, How shall I get rid of it? Use THE PINE-OLA BALSAM, a soothing combination of the remedies nature has put in the pine and other balsamic trees. It cures the inflammation and tickling in the throat and if taken in time will prevent the spread of the disease to the lungs. Ely's Pineola Balsam is strongly recommended in cases of asthma. Twenty-five cents is the price. Tell the neighbors about it.
