LEHI.

LEHI, UTAH, March 10, 1897.

Lehi Notes.

T. R. Cutler has left home on a visit to Fish Spring to look after his property situated in that locality.

Mr. R. Le Roud our ex-photographer, will leave for the East to visit his friends in Cincinnati.

J. J. Anderson has resigned as teacher in our S. District school and J. B. Geddis has taken his place.

W. T. Jack and A. Kimball were visiting our business men this week, both representing home industries.

The district school teachers at American Fork visited our city schools and expressed themselves as pleased with what they saw.

Robert, the son of Senator A. J. Evans, is suffering with a gilpe and mumps; Miss M. Gurney is a sufferer from the same cause.

Mr. Melvin Bolt has been suffering from a grip of late but is able to be about again; while sick his good lady presented him with a son.

On Saturday next our Home Dramatic company will appear in a four act play entitled Jack of Diamonds. New scenery has been painted by Mr. E. Ives.

By letters received from Elder Mark Austin who is now in the Manchester conference, England, we learn that the work is on the increase and many are joining the Church, while the meetings are well attended.

Mr. J. Beck is preparing to again engage in the poultry business at his Saratoga Springs at the head of the Jordan river; two cars of lumber have just arrived and is being used in the springs by teams, to be used in building a home for the young couple.

The pupils of Mrs. Dee Lewis gave their lady teacher a surprise the other evening, previous to her departure for the home of her parents in the East. A nice program was given and many wishes for the lady's safe journey to the East and for her return.

Farm work is expected to commence in a few days by the Utah Sugar company. Some 400 tons of sugar beet seed have arrived, also a car of seed drills; twenty-five acres of beets probably will be set out this year to raise seed from. Mr. H. Austin will superintend the farm on what is known as the bench.

On Saturday last Mr. J. A. Granger, G. Austin and E. Patterson left Lehi with eight cars to haul coke over the D. & R. G. R. R. for Denver; their stock were sent from the Utah Feeding company's yards, situated at the Sugar factory; 100 head were received there from American Fork this week.

On Sunday last our meeting house was filled to its utmost capacity by the people who attended fast meeting. Many were the gifts and blessings spiritually given; the faith of the young and girls areas of their own free will as moved by the Spirit of the Lord and bore testimony of the goodness of our Heavenly Father towards them. It surely was a time of rejoicing with the people.

Mr. C. Woodhouse came near laying his home by fire this week. The gentleman was away to his work and his wife was visiting her parents, having left the little children at home. While the oldest went to the yard to do the evening chores the smaller one is supposed must have played with the fire for when the elder one returned he found the house full of smoke and some of the furniture and bedding on fire. With the help of the neighbors the fire was put out and the house saved with the loss of some few articles of household use.

Mr. W. E. Racker has just returned from a business trip from the East and while away he visited the cities of Pueblo, Kansas city, St. Louis and Chicago. He reports home in those cities among business men as very good, some houses doing business last year up in the millions. Manufactories seem to think that times are improving. While there he attended one of the lectures of Elder B. H. Roberts, taking with him some gentlemen who were in that city on business. Mr. Racker while away bought in a large amount of goods for the People's Coop, he being supt. of that institution.

Our city fathers met on Tuesday evening in council; all members were present with one exception. A petition for the opening of a new street at the junction was presented. The city attorney reported on the law as to barber shops being opened on Sunday. A petition having been presented at a previous meeting to allow here to keep their establishment opened, but it was denied; so barbers will do no business on Sundays. Bills to the amount of $14.53 were allowed. A resolution was passed forbidding card playing in all saloons. An appropriation of $250 was made for street repairs and the council adjourned for two weeks.

Mrs. Ann Taylor was surprised on her 75th birthday by her children, grand children, and great-grandchildren, and some friends at her home this week. The lady is an old resident here and well known. She has had 15 children, 54 grand-children and 28 great-grand-children. Apparently she had and many wishes for her long life to come. UNCLE JIM.
