BUSINESS ON THE EXCHANGES

A Few New Ones Changed Hands on the Salt Lake Board.

LOWER MAMMOTH ADVANCES

Joe Bowers Weakens a Little, but Manhattan Takes on New Life—Other Sales of the Day.

TODAY'S METALS:
SILVER 60¾
LEAD, $4.30
CASTING COPPER, 16¾

The call on the Salt Lake Stock Exchange today seemed to be entirely absent of anything approaching excitement. It was a sort of relic of the state of the weather. The talk however, was a little out of the rut of those of the past few days in that a few stocks changed hands that have not been heard from for some time past. Apex sold at $.03, Lower Mammoth found buyers at .06 and .05 cents, while Northern Light fell to .03 in the days business at .05. Mammoth changed hands at $1.70 and $1.75 and Swansea at $.05. Star Consolidated was heard from at from .03½ up to .05½, the price of the last sale, and Bankers sold at 10 to .09. Golden Eagle responded at .04 for Bobtail at .03, Manhattan at .9 and Tetro at .04.

The closing figures were as follows:

THE FIRST NATIONAL.

Utah Grand Scores a Milestone and Salt Lake Secures Square.

The Utah Exchange scored its first waterloo this afternoon and a square share changing hands during the regular call. The history of the session was the applause which came from both brokers at the close, the professional checkings with glee as they took to themselves the credit for what had been accomplished.

The Day's Business.

In moving stock office the Salt Lake issued 22 the entire business of the day, and the transfers were in favor of the cash. The trend, therefore, was a bit more than 50 per cent, with the market showing a decided weakness as compared with the day before.

Business Not So Lively.

The Business Center company is the name of a new incorporation just registered in New York with a capital stock of 100,000 par value of $1 each. The property of the company consists of a number of claims in Bingham which is located from Fred M. H. Tilton and associates in Peter Morgan and Eugene Hoge for $400,000. The stock was received week before regarding the placing of the stock on the board here, but it is stated that it will be placed with favor among buyers so there is a future chance of its appearance.

MARKET REPORTS.

NEW YORK MARKETS.

New York, July 7.—Request strength in Pennsylvania and New York Central lifted the market in the morning, the former stock jumping 2½ on buying of 2,000 shares and the latter 1½ on 1,000 shares due to the renewed consideration of the two roads. The general tendency of the market was downward throughout the opening. Sugar, Manhattan and Tennessee Coal and Iron were the principal stocks under a point or over. The demand for Pennsylvania lifted the market from the low point of the day, and considerable covering and buying was followed with the general demand being fairly good. The market closed fairly active at a point or over.
