FOREIGN.

GREAT BRITAIN.

Montenegrin Neutrality—Clergy Reproved—At Benares—Germany and the Cuban Question.

LONDON, 5.—A day or two ago the *Times* published a Vienna telegram, stating that in reply to the Prince of Montenegro to be allowed to enter into action against Turkey, the Russian Government advised him on no account to depart from Neutrality. This morning the *Times* publishes a letter from Vienna, amplifying and confirming its telegram. It seems that the Prince of Montenegro wrote Prince Gortschakoff, that by following the wishes of the powers in maintaining neutrality, he directly imperilled his throne and life. Prince Gortschakoff submitted this letter to the Emperor of Russia, who directed the chancellor to write to the Prince of Montenegro to face, courageously, the present difficult position, and on no account to abandon the policy of neutrality, expressing the hope that the situation would soon improve. The Prince of Montenegro replied that he would follow the Czar's injunctions.

The *Times'* Vienna correspondent writes that the Grand Metropolitan of Mostay, following the example of his Catholic colleague, has issued a pastoral letter, in which he has upbraided the clergy for fomenting insurrection, and requiring them to leave their evil ways and return to their duties, on pain of severe punishment, according to his apostolic powers.

A dispatch from Benares reports the arrival of the Prince of Wales.

A dispatch from Berlin is to the effect that the report that the German government is favorable to the proposition contained in the American note in regard to Cuba is not confirmed, and that nothing is known at Berlin respecting the views of the government in connection with Mr. Fish's circular.

Approved by France—One of the Thomassen Infernal Machines—Another Ecumenical Council—Killed by an Explosion—Turkish Ultimatum—Expected—Ironclads to be Placed in Service.

A Paris correspondent of the *Times* telegraphs—"I learn, from an authoritative source, that France, to-day, has notified Austria that she concurred, without reserve, in the proposals for Turkish reform made in Count Andrassy's note; all the powers have been notified of the decision of France."

A dispatch says that the Prussian War Office have a machine similar to that used by Thomassen; it was offered them by a man from New York in 1870, for the destruction of the French fleet; the offer was declined. The maker appears to have been an associate of Thomassen.

A special from Rome says that well-informed authorities assert that Bishop Duparloup has come to Rome on account of the impending reassembling of the Ecuminical council.

An explosion occurred yesterday at Talke, Staffordshire; four persons killed.

A Vienna dispatch says that Montenegro expects to receive Turkey's ultimatum about the middle of January.

The *Tagsblatt* reports that the Porte has ordered all the ironclads to be in readiness to start for the Black Sea and Albanian ports.

American Intervention Ill-timed.

The *Cologne Gazette* remarks that the American attempt at intervention in Cuba is singularly ill-timed, that the European governments will not countenance it, because they wish, in the interests of order, to see King Alfonso's authority more firmly established.

GREECE.

Ministry Impeached.

ATHENS, 5.—The chamber of deputies have resolved that all the members of the late Bulgaris ministry, except one, shall be tried by a court of justice for violation of the electoral laws.

AUSTRIA.

Coming to Vienna.

VIENNA, 5.—The Montenegrin war minister is on his way here.

Favorably Received.

It is stated in government circles that Count Andrassy's project for reform in the insurrectionary districts of Turkey has been favorably received by France and Italy.

ITALY.

Coming to Philadelphia—Postponed—Expected at the Vatican.

ROME, 5.—The president of the Italian executive committee on the Philadelphia exhibition leaves in April to take the direction of the Italian department.

The Papal consistory, fixed for the 7th inst., has been postponed until after the 15th.

Archbishop Ledochowski is expected to repair to the Vatican to receive instructions from the Pope in regard to his future conduct.

SPAIN.

A Commission Appointed—Conspirators Shot—Price Raised.

MADRID, 5.—A royal decree has been issued creating a commission charged with installing exhibits from the Spanish colonies at Philadelphia; the commission will draw up a memorandum as to the exhibition. The governors of Cuba, Porto Rico and the Phillipine Islands will appoint members.

Late advices from Tafalla state that several Carlist officers and soldiers have been shot at Estella, for conspiracy against Don Carlos.

It is asserted at Hendaye that the Carlists have raised the siege of Hernani in consequence of a decision of a council of war.

FRANCE.

Condition of Ex-Queen Isabella, &c.

PARIS, 5.—Bulletins announcing the condition of the health of ex-Queen Isabella of Spain, are issued daily; to-day's says that her condition is less favorable.

M. Outrey's mission to Egypt is only of a temporary character, and is to restore friendly relations, which were somewhat impaired during the negotiations for the abolition of the jurisdiction of the French consular courts.

Thus far the candidates for the Assembly in Paris have received promises in the following ratio—advanced republicans 95; moderate republicans 109; anti-republicans 14.
