CATARRH

Of Ten Years' Duration. The Discharges Thick, Bloody, and of Foul Odor. Senses of Smell and Taste Wholly Gone. Entirely Cured by

SANFORD'S RADICAL CURE.

Messrs. Weeks & Potter: Gentlemen—I feel compelled to acknowledge to you the great benefit SANFORD'S RADICAL CURE has been to me. For ten years I have been afflicted with this loathsome disease, and especially in the winter time has it been most severe. The discharge has been thick and bloody, emitting a foul odor so bad that my presence in a room with others was very offensive to them. One week after commencing the use of Sanford's Radical Cure I was not troubled with it at all. My sense of taste and smell, which were wholly gone, have now fully returned, and my general health is much improved. I very truly thank the proprietors for their invaluable medicine.

MELBOURNE H. FORD, Short-Hand Writer.

GRAND RAPIDS, MICH., Nov. 8, 1878.

LATER.

Gentlemen: The package of SANFORD'S CURE arrived here the night of the 1st, and I can say what I should have done if it had not been for the remedy I started to use, namely, blow my brains out, and although I have been able to stop the offensive discharge, I have not been able to recover my sense of taste and smell until I used SANFORD'S CURE. You can refer any one you choose to me, and I will cheerfully inform them of what, as to the benefit the remedy has been to me.

MELBOURNE H. FORD.

GRAND RAPIDS, MICH., Nov. 18, 1878.

SANFORD'S RADICAL CURE

Not only promptly arrests the corroding discharges in Catarrh, but permanently destroys, by repeated second health, all the organs of the head that have become affected by it, and exhibits any of the following effects:

Defective Eyesight, Inflamed and Mattery Eyes, Painful and Watery Eyes, Loss of Hearing, Earache, Neuralgia of the Ear, Discharges from the Ear, Ringing Noises in the Head, Dizziness, Nervous Headache, Pains in the Temples, Loss of the Senses of Taste and Smell, Elongation of the Uvula, Inflammation of the Tonsils, Fetid Sore Throat, Tickling or Hacking Cough, Bronchitis, and Bleeding of the Lungs.

Each package contains Dr. Sanford's Improved Inhaling Tube, with full and carefully prepared directions for its efficient use in all cases. For sale by all wholesale and retail druggists and dealers throughout the United States and Canadas. WEEKS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.

BY TELEGRAPH.

PER WESTERN UNION TELEGRAPH LINE.

EASTERN.

Architect Potter's Statement.

NEW YORK, 30.—Ex-supervisory Architect Potter states that the Chicago indictment against him contains no special averments of fraud on his part. He supposes the indictment is a blow at his successor, Architect Hill, to whom he has transmitted the system of doing the business of the office. Proceedings against him, he said, are barred by the statute of limitations. While Secretary Sherman has seen nothing in Hill's conduct to excite suspicion, he supposes that Hill must stand trial like any other citizen, and he sees no reason why the latter cannot obtain a fair trial at Chicago.

The Defaulting Angell.

There is talk of chartering a special vessel to bring Angell, ex-chief of the Pullman Palace car, from Lisbon to New York, lest in passing through Spain, France or England, he may seek legal proceedings to prevent his extradition on the pretence that he has only been guilty of a breach of trust. It is Pullman's purpose to make a striking example of this once-trusted officer; and as he simply stole the company's securities, his conviction of felony is confidently anticipated.

Wheeler and Page's Resolutions.

Vice-President Wheeler stated, yesterday, that he thought the resolution of Page, of California, to enforce a constitutional amendment which provides for reducing the representation in Congress of any State where the franchise was restricted, while it might not pass a democratic house, would have a good effect. On that issue alone the republican party could succeed in the next presidential canvass. The political outlook Mr. Wheeler regards as unusually bright. He believes that whoever the republicans might nominate would be successful.

Waddell as Secretary of the Senate.

Southern papers announce that Congressman Waddell, of North Carolina, recently defeated for re-election is to be urged as Secretary of the United States Senate, vice George Gorham, at the opening of the next Congress. Waddell is personally more popular at Washington than at home, and is considered well qualified for the place.

Rebellion Against Conkling.

While there is still considerable rebellion among republicans in the interior of the State against Senator Conkling, because of his hostility to President Hayes and supporters, no strong candidate in opposition to him is presented and there is little reason to doubt his nomination by the legislative caucus and re-election by a large majority.

The Virginia Poll Tax.

The indications are that the Virginia poll tax of $1, which is made a condition of voting, caused the 42 per cent. decrease in the vote in the late election, as compared with years ago.

Reception to John Gilbert.

John Gilbert, fifty years on the stage, was given an elegant reception to-night, by the Lotus Club, Whitelaw Reid presiding.

The Marquis of Lorne.

The St. Andrew's Society, to-night, made the Marquis of Lorne an honorary member. He sent a letter regretting that he could not attend the annual dinner.

The Remains of Robt. Heller.

Heller was buried on Friday in the Macpelah Cemetery; only his intimate friends were present. His sister received 50 telegrams of condolence from theatrical managers and actors. It is thought probable that his remains will be taken to London.

Utah's Delegate.

CHICAGO, 30.—The *Tribune's* Washington special says: Cannon, delegate from Utah, arrived to-day. He says he does not expect any anti-Mormon legislation this session, although several societies of women have taken the subject in hand with the avowed purpose of destroying polygamy. He will resist any legislative interference.

Land Decision.

WASHINGTON, 30.—The acting commissioner general of the land office, to-day, rendered a decision in the case of the San Andres Mining Company vs. Adam Lanig, ordering that the agricultural entry and undelivered patent of Lanig be held for cancellation.

Arrival of Congressmen.

To-day's trains have brought in a large number of congressmen from all directions, and by to-morrow there will doubtless be more than a quorum of both houses. Senator Booth arrived to-night. Horace Davis and wife have resumed housekeeping at their last session's residence. The railroad kings are gathering here to lay their plans and marshal their forces for the approaching campaign in Congress. Vice-President Huntington, of the Central Pacific, Governor Brown, of the Texas Pacific, and President Wright of the Northern Pacific, are already in town and several of the Union Pacific magnates are expected by Monday.

Zamacona, the Mexican Minister.

BALTIMORE, 30.—Zamacona, minister of Mexico to the United States, addressed a meeting of merchants and business men of this city to-day, held under the auspices of the board of trade, on the commercial relations between Mexico and the United States. He advocated a commercial treaty between the two governments and was satisfied active trade would ensue.

A Murderer Sentenced.

DEADWOOD, D. T., 30.—W. L. Cook, tried and convicted of the murder of Mrs. Minnie Gallison, August 30th, was this evening sentenced to be hung on January 28th. The court scene was very affecting, the judge completely breaking down in passing sentence.

A Drunken Minister.

DAYTON, O., 30.—Rev. J. W. Stevenson, presiding elder of the Dayton district of the Methodist Episcopal church, was arrested in the public street in a beastly state of intoxication. He was taken to the station, after a severe struggle with the officer, when his identity was discovered. Stevenson is one of the most prominent preachers in the State, and has borne a high moral character. It is believed the action comes from derangement caused by family difficulties.

Gov. Nicholls's Return.

NEW ORLEANS, 30.—Gov. Nicholls has returned from his tour through Tensas and Concordia parishes. Although he made a careful investigation of the late trouble there, he peremptorily refuses to be interviewed.

Death of Louis A. Godey.

PHILADELPHIA, 30.—Louis A. Godey, the founder of Godey's Ladies' Book, and who continued to be its publisher and proprietor until within two years, died suddenly to-night, aged 75 years. He had been confined to his house through a complication of diseases, but his death was not expected.

SCOVILL'S Blood and Liver Syrup

A PEERLESS REMEDY FOR

Scrofula, White Swellings, Cancer, Erysipelas, Chronic Sore Eyes, Gout, Syphilis, Tumors, Carbuncles, Salt Rheum,

And all Diseases indicating an IMPURE CONDITION of the BLOOD

Cutaneous eruptions upon the face or body do not necessarily indicate the taint of Scrofula, but whether the insidious poison of that dire malady is present in the system or not, certain it is that

Scovill's Blood & Liver Syrup

completely cures such disorders. If the virus of Scrofula does exist in the veins, this matchless purifier will root out every vestige of it. No eruptive malady, be it scrofulous or otherwise, can resist the purifying action of this safe and potent remedy, which renders the skin

CLEAR, SOFT AND BEAUTIFUL,

when ordinary medicines utterly fail to arrest the progress of scrofulous and other eruptive disorders, the persistent use of this incomparable depurent secures the desired result. From

THE ARRAY OF PROOF

of its reliability in our possession, we make use two following condensed extracts:

Mr. Samuel H. Matthews, Mofestown, Accomac Co., Va., states that his child, when a month old, was attacked with an eruption, which spread to head, face, arms, feet and legs, converting them into "entirely one solid sore," but that two and a-half bottles of Scovill's Blood and Liver Syrup effected a complete cure, without scars.

Martin Robbins, Jr, writes that he suffered from Scrofulous White Swelling with twelve running ulcers on his legs, from which more than 100 pieces of bone sloughed away, but by the time he had finished the twenty-fourth bottle of the Syrup he was completely cured.

THIS GRAND REMEDY

is a compound of vegetable extracts, the chief of which are

Sarsaparilla and Stillingia.

The cures effected by Scovill's Blood and Liver Syrup are absolute, and their record is unclouded by failure. For sale by all Druggists.

Price, $1.00 per bottle.
